

Chapter 5: William Blackledge and Descendants

Introduction

One of the earliest Blackledges on record in America is **William Blackledge**. His family is included in "*Early Friends Families of Upper Bucks*," a book compiled by Clarence V. Roberts about the earliest Quaker families who settled in Bucks Co, PA. Roberts says that William Blackledge married Mary, a daughter of Benjamin Duffield who was a compatriot and friend of Benjamin Franklin of Philadelphia, and that William transferred his real estate to his father-in-law who in turn conveyed the joint holdings in entail to William's son, Benjamin Blackledge and his male heirs forever.

Few records of William's life are extant, and attempts by various persons to link him to ancestors in England have so far proved fruitless. Hobert Blackledge [2030] stated the following in his unpublished manuscript, "*The Blackledge Family in America*," written about 1944:

"So far as we now know, this William is the most remote ancestor of whom we have any knowledge. John W. Blackledge of Chicago thinks we will never learn any more. As it now is, there seems to be no positive proof of the identity of his children, other than that they lived in the same place and followed the same trade, which seems logical.

"Some reports say that this William came from England about 1682; others think that he may have descended from the New England line headed by John Blackleach, which name later became both Blacklidge and Blackledge, depending on the whim of those who bore it."

Some contributors show several generations back from William Blackledge of Bucks Co, PA, but this information is questionable. The compilers do not accept that the documentation used for this extension proves the purported link; additionally, it appears that there may be a generation missing.

As was emphasized in Chapter 1, we frequently found a descendant's last name spelled with an "e" or "i," even within the same document in records dating up to the latter part of the 19th century. And, both spellings continue today as noted in Chapters 2 and 3.

The descendants of William Blackledge of Bucks County, Pennsylvania, constitute the largest known group of Blackledges in America today. William and Mary are believed to have had four known sons, but possibly had other children.⁶ They had thirteen known grandchildren, seven of which are known to have had children.

Their oldest son, Benjamin, married and later relocated to North Carolina. His descendants include a U.S. Congressman.

Their second son, Thomas, became a tanner, served in the Pennsylvania Colonial Assembly, and remained in Bucks Co. His numerous descendants today are spread genealogically across eleven generations and geographically across the country. Some are even found in Canada and Japan. Two of the

compilers of this book have links back to Thomas: Michael A. Blackledge [3210], a direct descendant; and Mary Ann (Ryza) Blackledge whose husband John [4112] is also a direct descendant.

Almost nothing is known of the third son, Robert, and he has no known descendants.

The youngest son, John, moved to the neighboring county of Philadelphia to raise his family after inheriting property in Manor of Moreland from his grandfather, Benjamin Duffield. Only three generations of John's family have been found. As with all genealogy, there is much yet to learn.

First Generation

1. **William BLACKLEDGE** immigrated about 1682 to Philadelphia, Philadelphia Co, PA.¹ He may have come from Yorkshire, England. He bought property in Bucks Co, PA on 17 Jun 1713.² At two other points in the deed, the year is stated as 1714. Thomas Sisom, a brickmaker of the City of Philadelphia, and Priscilla, his wife, sold to William Blackledge, cordwainer of Southampton in Bucks Co, PA, 270 acres of land in Southampton Twp for 170 pounds of "*lawful money of America*". This land was west and north of land owned by Robert Heaton and was previously owned by Samuell Allin, cordwainer of Bensalem(?) Twp, Bucks Co, PA and Jane, his wife, and Richard Parker, cooper, of the County of Philadelphia. The deed was witnessed by John Swift and John Cutter. (Deed Book 4, pp. 315-318, dated and recorded 17 June 1713.)

He sold property on 7 Jan 1714 in Southampton Twp, Bucks Co, PA.² William Blackledge, cordwainer of Southampton Twp, Bucks Co, PA, sold to Thomas Terry, cooper of Southampton, 71 acres of the same 270 acre plot of land in Southampton Twp as described above, for 40 pounds. The deed was witnessed by John Fisher, Robert Heaton, and Jeremiah Langhorne. Thomas Terry and Mary, his wife, sold this parcel to William Coffin on 10 October 1730. Since it was a common practice for a father to sell some of his land to his daughters and sons-in-law and William's wife was named Mary, this Mary Terry might have been the daughter of William Blackledge and Mary Duffield. (Deed Book 15, pp. 207-210, dated 7 January 1714 and recorded 17 November 1773).

He died intestate before 28 Aug 1718 in probably Bucks Co, PA.^{3,4} He was born in (believed to have been) in England, possibly Yorkshire or Oxford. He was a shoemaker. In deeds found in Bucks Co, PA, William Blackledge is listed as being a cordwainer. This is defined as someone who works in leather, often a shoemaker. He lived in Southampton Twp, Bucks Co, PA.^{1,5} William had 270 acres on the West Bank of the Neshaminy Creek. In his book about Upper Bucks Friends, Mr. Roberts states that William Blackledge married a daughter of Benjamin Duffield, and sometime prior to his death in 1718, transferred his real estate to his father-in-law, who in turn conveyed the joint holdings in entail to Benjamin Blackledge and his male heirs forever. He had four known children and possibly had others.⁵

The Estate File (#176) for William Blackledge in Bucks Co, PA is dated 28 August 1718. In Oct 1992, the microfilm copy of the file contained only one document, the Administrators' Bond, made out to Nicholas Randall and Phillip (illegible, but perhaps is Dramett or Dracott) of Southampton Township for the sum of 25 pounds "*lawful money of America*". The bond is dated 28 October 1718. The only thing it states about William Blackledge is that he was deceased.

William BLACKLEDGE and Mary DUFFIELD married.⁶ **Mary DUFFIELD** (daughter of Benjamin DUFFIELD and Elizabeth WATTS) was born on 25 Oct 1684 in Philadelphia, Philadelphia Co, PA.⁶⁻⁸ William BLACKLEDGE and Mary DUFFIELD had the following children:

- +2 i. **Benjamin BLACKLEDGE**, born before 1707, Southampton, Bucks Co, PA^{9,10}; married Sarah PHILPOT, on 26 Dec 1726, Christ Church, Philadelphia, Philadelphia Co, PA¹¹⁻¹³; married Judith, before 29 Mar 1778¹⁴; died in 1783, Craven Co,

- NC¹⁵.
- +3 ii. **Thomas BLACKLEDGE Sr.**, born in 1707, Bucks Co, PA^{11,16}; married Elizabeth RANDALL, on 15 Apr 1730, unknown location by a NJ license^{11,12,17,18}; died on 7 Dec 1790, Milford Twp, Bucks Co, PA^{11,19,20}.
 - +4 iii. **Robert BLACKLEDGE**, born in 1709, Southampton, Bucks Co, PA; married Elizabeth HOWARD, on 19 Jun 1732, Christ Church, Philadelphia, Philadelphia Co, PA^{11,21}.
 - +5 iv. **John BLACKLEDGE**, born before 1718; married Bridget GRIMES, on 7 Jul 1736, First Presbyterian Church, Philadelphia, PA^{11,22,23}; died in 1784, probably Manor of Moreland, Philadelphia Co, PA²⁴.

Mary DUFFIELD: Information on Parents

Benjamin DUFFIELD was born on 29 Sep 1661 in Yorkshire, England. He immigrated in 1678 to NJ. Benjamin was a member of the Pennsylvania Assembly between 1711 and 1721. He signed a will on 13 Dec 1740 in Philadelphia, Philadelphia Co, PA, the full text of which is available in the source. Benjamin died on 1 May 1741 and was buried in Christ Church graveyard, Philadelphia, PA. He married Elizabeth WATTS before 22 Apr 1681. **Elizabeth WATTS** was born on 4 Dec 1658. She resided at Leeds, Kent Co, England before coming to America.

Note: For more information, see the book "*The Duffield Story*" by Vera Thompson Treadway.

Second Generation

2. **Benjamin BLACKLEDGE** was born before 1707 in Southampton, Bucks Co, PA.^{9,10} Eloise Doyal said he was born in 1705. He was patented land in Jones Co, NC on 23 Oct 1756.²⁵ He sold property on 22 Sep 1758 in Bristol Twp, Bucks Co, PA.² Benjamin Blackledge "*farmer, late of Lower Dublin Township, Philadelphia County, PA, but now a resident of Johnston County, NC*" and his eldest son and heir apparent Richard Blackledge "*of Craven County, NC*" entered into an agreement with Samuel Swift "*farmer, of Philadelphia County, PA*" for the purpose of docking the entail on Benjamin's inherited land on the banks of the Neshaminy Creek in Bucks Co, PA. This action was witnessed by Benjamin Corle/Corly, Samuel Brenton, John Ross and Lewis Gordon and was recorded in Bucks Co, PA on 9 May 1759. Richard paid his father 200 pounds in this transaction which allowed Richard to sell the property to Peter Knight on 26 Dec 1758. He signed a will on 29 Mar 1778.^{14,15} The will is partially illegible and was proved in 1783. It names wife Judith, daughter Sarah Allen, daughter Easter Witherington, daughter Elizabeth Lawrence living in Pennsylvania, beloved son Benjamin Blackledge, grandson Richard Blackledge, daughter-in-law Ann Blackledge, daughter-in-law ____ Calhoon, and grandson Benjamin Blackledge son of Richard. Executor: Grandson Richard Blackledge. Witnesses: Ann [x] Jones and Samuel Branton.

He died in 1783 in Craven Co, NC.¹⁵ He was a tanner.²⁶ He lived in Dublin Twp, Bucks Co, PA; and by 1758 in Johnson Co, NC.²⁷ A Benjamin Blackledge paid county taxes of 15 pounds 2 shillings 6 pence in 1742 in Bristol Twp, Bucks Co, PA. (Bucks County 1693-1778 - tax lists, p. 8). Benjamin's father's estate was transferred to Benjamin by his grandfather, Benjamin Duffield. (Shwayder. Blackledge Family, 1988)

Benjamin BLACKLEDGE and Sarah PHILPOT married on 26 Dec 1726 in Christ Church, Philadelphia, Philadelphia Co, PA.¹¹⁻¹³ In the record of this marriage found in "*Pennsylvania Marriages Prior to*

1810", Benjamin's last name is recorded as "Blacklidge". **Sarah PHILPOT** (daughter of William PHILPOT and Mary). Benjamin BLACKLEDGE and Sarah PHILPOT had the following children:

- +6 i. **Richard BLACKLEDGE**, born after 1726; married Anne BASS, about 1753, NC⁹; died on 26 Sep 1777, New Bern, Craven Co, NC²⁸⁻³¹.
- +7 ii. **Elizabeth BLACKLEDGE**, married <unknown>; married Thomas LAWRENCE, on 30 Jun 1757, Christ Church, Philadelphia, Philadelphia Co, PA¹³; died about 1817³².
- +8 iii. **Hester BLACKLEDGE**, born on 28 Aug 1744³³; married WITHERINGTON¹⁴.
- +9 iv. **Sarah BLACKLEDGE**, married ALLEN¹⁵.
- +10 v. **Benjamin BLACKLEDGE**, married CALHOON³⁴.

Sarah PHILPOT: Information on Parents

William PHILPOT died about 1749. He was a currier. His wife **Mary** died in 1750.

Benjamin BLACKLEDGE and Judith married before 29 Mar 1778.¹⁴ Judith is the person Benjamin names as his wife in his will. **Judith.**

3. **Thomas BLACKLEDGE Sr.** was born in 1707 in Bucks Co, PA.^{11,16} He lived in the Great Swamp in Lower Milford Twp, Bucks Co, PA about 1730.¹¹ Thomas took up a tract of land which adjoined the lands of Thomas Banks by warrant, and added to it by purchase of a tract from Thomas Banks. He was among those who paid county taxes for the relief of the poor in 1742 in Southampton, Bucks Co, PA.³⁵ The tax was assessed at the rate of 2 pence per pound and he paid 10 pounds 1 shilling 8 pence. He was listed as Thomas Blacklidge on the rolls. He purchased additional land adjacent to his patented land from Thomas Banks in 1750.

He was a Member of the Pennsylvania Colonial Assembly from 1756 to 1757.^{11,12,36} taking the place of William Hoge who resigned in 1756.

In 1757 he was one of a group of persons that appealed to the Assembly for relief from Indian depredations. The following is a copy of Records found in the Pennsylvania Archives, Series VI, Vol. II, pp. 90 and 92:

"This Indenture made the Twenty Fifth day of October in the Year of our Lord One Thousand Seven Hundred and Fifty Six between Benjamin Chapman Esquire High Sheriff of the County of Bucks of the one part and Joseph Watson, John Brown, John Story, John McGlothlin, William Long, and Samuel Dean, Gentlemen Freeholders of the Said County of the other part - Witnesseth that in pursuance of a Certain Writ under the Hand and Seal of the Honourable William Denny Esquire, Lieutenant Governor of and Commander in Chief of the Province of Pennsylvania etc., to the Sheriff of Bucks County Directed and in Pursuance of the Laws Constitutions of this province of Pennsylvania in that Case made and provided on the Twenty Fifth day of October at Newtown, John Abraham Denormandy and Thomas Blackledge, Gentlemen now duly elected and chosen to serve in Assembly for the County of Bucks the Residue of the present year in the room and Stead of Mahlon Kirkbride and William Hoge, Esquires who are disabled from Sitting and Serving in Assembly. This indenture was witnessed by William Hiebs(?) and Robert Blackledge and was recorded in Bucks Co on 8 May 1759. This indenture was released on 19 June 1760. He took out a mortgage on 4 Apr 1760 in Richland Twp, Bucks Co, PA.² Thomas Blackledge (of Lower Milford Twp) agreed to pay 200 pounds to Joseph Rawlings (weaver, of Richland Twp) and Ann his wife for 32 acres in Richland Twp. He was named a guardian of minors on 11 Sep 1769 in Bucks Co, PA.³⁷ A Thomas Blackledge and John Foulk were named guardians of John Edwards and his sister, Mary by the Orphans Court. Their parents were John and Mary (Newman) Edwards. It is not clear if this Thomas Blackledge or his son, Thomas, is meant by this record; however, in 1767 the son went to Western PA and would not have been available to be named a guardian in Bucks Co which is in Eastern PA. He signed a will on 18 Feb 1790 in Bucks Co, PA.^{19,36} The will was proved 3 January 1791 and registered in Bucks Co, PA Will Book 5, page 205. Transcript of the Will of Thomas Blackledge, Sr.:

Thomas is believed to be buried at the Buckingham Friends Meeting House, Bucks Co, PA. He was a distiller, tanner, and Sheriff in Bucks Co.³⁸ In 1782 he was taxed for a still in Bucks Co, PA. He was a Quaker in Richland MM, Bucks Co, PA (thought to have joined as an adult). Thomas and Elizabeth joined Richland MM, Bucks Co sometime after it was established in 1742. He apparently resided for a while in Lahaska (New Hope), Bucks Co, PA. Thomas was the first of the family to settle in the Great Swamp area, Bucks Co, PA. He took no part in the American Revolution, paying taxes very heavily for non service. However, in 1777, Thomas Blackledge, Sr, of Milford Twp. took the oath of allegiance in Bucks Co, PA and is listed in the DAR Index as having given patriotic service. (Leckey, "*Tenmile Country*", p. 84; Edward L. Davis, "*The Descendants of Benjamin Duffield of Pennsylvania*" found on the internet at www.geocities.com/Heartland/Acres/5277.)

According to "*Lawmaking and Legislators in Pennsylvania*" (V. II, Philadelphia: University of Pennsylvania Press, 1997, p. 218), Thomas married Mary Pitts in 1757. This is the only source the authors have found to date which makes this assertion. This source also points out that there is no firm evidence that Thomas actually joined the Quaker faith, although his son, Thomas, was raised as a Quaker.

Thomas BLACKLEDGE Sr. and Elizabeth RANDALL married on 15 Apr 1730 in unknown location by a NJ license.^{11,12,17,18} **Elizabeth RANDALL** was born in 1711 in Lower Milford, Bucks Co, PA.³⁹ Her surname is found spelled both Randall and Randell in records. The compilers do not know her parents. Brian Detrick (letter to Mary Ann Ryza Blackledge dated 5/25/96) and Carol Rein Shwayder ("*Blackledge Family*") said Elizabeth's father was Richard Randall. A Richard Randall did pay county taxes in 1693 in Bensalem Twp, Bucks Co, PA (Bucks County 1693-1778 tax lists). Betty Jo Scott and Kathryn L. Shipley said Elizabeth's parents were Lewis Randall and Ann Lord. But, the compilers have not seen documents that prove either assertion. She died on 11 Jan 1758 in Bucks Co, PA.^{39,40} Shwayder gave the date as 11 Jun 1758. Thomas BLACKLEDGE Sr. and Elizabeth RANDALL had the following children:

- +11 i. **William BLACKLEDGE**, born on 16 Jan 1730, probably Lower Milford, Bucks

- Co, PA^{11,16,41,42}; married Ann LEWIS, on 15 Jun 1757, Richland Monthly Meeting, Bucks Co, PA^{11,43}; died on 8 Dec 1761 or Jan 1761, Milford Twp, Bucks Co, PA^{41,42,44}.
- +12 ii. **Robert BLACKLEDGE**, born about 1735, Milford Twp, Bucks Co, PA^{11,45}; married Johanna Dorothy Van LUDE, on 2 May 1765, Arch Street MM, Philadelphia, PA⁴⁶; married Ruth EDWARDS, on 6 Mar 1787, Buckingham MM of Friends, Lahaska, Bucks Co, PA⁴⁶; died on 19 Jul 1812, Columbiana Co, OH⁴⁷⁻⁴⁹.
 - +13 iii. **Elizabeth BLACKLEDGE**, born about 1737, Milford Twp, Bucks Co, PA^{42,50}; married George HOGE, on 9 Dec 1756, Richland MM, Bucks Co, PA (thought to have joined as an adult)⁵⁰⁻⁵³; died about 1804, Morgan Twp, Greene Co, PA^{11,50,54}.
 - +14 iv. **Thomas BLACKLEDGE Jr.**, born about 1738, Milford Twp, Bucks Co, PA^{11,40,50,55}; married Margaret WRIGHT, on 11 May 1758, Richland Monthly Meeting, Bucks Co, PA^{43,50}; died in 1787, Washington Co (now Greene Co), PA, on his homestead^{11,56}.
 - +15 v. **Mary BLACKLEDGE**, born after 1738, Bucks Co, PA⁹; married John CLYMER, in 16 or 18 Sep 1765, Lower Milford Twp, Bucks Co, PA^{11,20,57}; died about 1765^{40,58}.
 - +16 vi. **Rachel BLACKLEDGE**, born after 1738; married John CLYMER, on 20 Jun 1774⁵⁰.

4. **Robert BLACKLEDGE** was born in 1709 in Southampton, Bucks Co, PA.

Robert BLACKLEDGE and Elizabeth HOWARD married on 19 Jun 1732 in Christ Church, Philadelphia, Philadelphia Co, PA.^{11,21} **Elizabeth HOWARD**.

5. **John BLACKLEDGE** was born before 1718. He was listed as John Blackledge on county taxes for the relief of the poor in 1742 in Southampton, Bucks Co, PA.^{24,59} The tax was assessed at the rate of 2 pence per pound and he paid 10 pounds 1 shilling 8 pence. He also is found taxed in Manor of Moreland in 1769 for 17.10.8; in 1774 for 21.7.4; in 1770 for 4.5.0; in 1780 for 98.15.0; and in 1782 for 9.1.10. He signed a will on 11 Mar 1775 in Manor Moreland, Philadelphia Co, PA.²⁴ Will of John Blackledge, Manor of Moreland (Will #107 - 1784):

Robert, Jr. had inherited the land from his grandfather, Thomas Blackledge. In his will, Thomas Blackledge specified that Robert Sr. should remain on the land during his natural life; it is because of the

life interest in the land that Robert Sr. is listed as a co-seller. On a resurvey, the land was found to have 64 acres 126 perches rather than the 62 acres stated in Thomas Sr.'s will. Curiously, Robert Jr. was not listed as a seller in this deed of sale even though he was one of the co-purchasers in 1794. This deed was witnessed by Saml. Gillingham and Thomas Walton and was recorded in Bucks Co on 20 June 1807.

He sold property on 1 Oct 1808 in Buckingham Twp, Bucks Co, PA.² Robert Blackledge Sr. "*of London Grove Township, Chester County, PA*" and Samuel Johnson "*Esquire, attorney for Robert Blackledge Jr. and his wife Elizabeth of Salem Township, Columbiana County, Ohio, son of Robert Blackledge Sr.*" received \$390.00 from Amos Eastburn "*yeoman, of Buckingham Township*" for the remaining 13 acres of land of the 83 acres 13 perches they had purchased in 1794. She left the old country with her parents, and possibly a younger brother who died

young. Both of the parents died on shipboard, and when young Dorothy arrived in Philadelphia she was taken into the family of David Bacon, and lived with them until her marriage to Robert Blackledge in 1765. Quaker Marriage Record Book, original on microfilm at the Spruance Library, Doylestown, Bucks Co, PA. for Robert Blackledge and Johanna Dorothy Van Lude.

Robert BLACKLEDGE and Ruth EDWARDS married on 6 Mar 1787 in Buckingham MM of Friends, Lahaska, Bucks Co, PA.⁴⁶ Roberts ("*Upper Bucks Friends*") and Leckey ("*Tenmile Country*") both mistakenly stated that it was Robert Blackledge, Jr., who married Ruth Edwards. However, in the Quaker Marriage Record Book, the groom is listed as Robert Blackledge of Milford Twp, Bucks Co, PA, son of Thomas Blackledge of the same place. The bride is listed as Ruth Edwards of Plumstead, Bucks Co, PA, daughter of John Edwards. Family members listed among the witnesses include Thomas Blackledge, Hannah Blackledge, Eli Kennard, and Elizabeth Kennard.

Also, a deed and Power of Attorney record found in Bucks Co for Robert Blackledge and his wife, Ruth, of Chester Co, PA, and Robert Blackledge and his wife, Elizabeth, of Columbiana Co, OH, show that it was Robert, Sr. who married Ruth Edwards. In addition, Robert, Sr.'s will in Columbiana Co, OH dated 1812 leaves fifty cents to each of the children attributed by Roberts and Leckey to Robert and Johanna, and a second set of children attributed to Robert and Ruth, were left the land and household goods.

Ruth EDWARDS (daughter of John EDWARDS and Elizabeth SAUNDERS) died on 26 Oct 1855.⁴⁰ Robert BLACKLEDGE and Ruth EDWARDS had the following children:

14. **Thomas BLACKLEDGE Jr.** was born about 1738 in Milford Twp, Bucks Co, PA.^{11,40,50,55} He moved to western PA in 1767.^{81,137,138} In 1767, Thomas went to Loudon Co, VA with James Burson; then to Jefferson Twp (now Greene Co, PA) where he tomahawked land, part of which he set aside for his partner, James Burson. Thomas was registered as from VA in 1767 and again when poll was made in 1773 when he paid in full 20 shillings' tax on personal property. (Horn Papers, V2)

Thomas is mentioned in the following account of "*The Roferty Massacre*" given in Volume 1 of "The Horn Papers" (although Volumes 1 and 2 of "The Horn Papers" are considered unreliable and are known to contain many errors, the compilers have chosen to relate this account; Volume 3 is considered reliable):

"Joseph Roeferty [?Rofelty], an Irish settler living in Maryland in 1758, and in Virginia in 1767, with his family, consisting of his wife, one son and three daughters, settled on the site of the old Indian Peter's Village in 1770. This site occupied the top of the hill east of the mouth of Casteel Run, on the site where the wood charcoal pits for the McCullough Iron Company were dug in 1779.

"He built a two-room log house and with his family took possession of about sixteen acres of land

which were claimed by both Edward Burson and George Teegarden. Both, however, agreed to let Roeferty have this home and live there. These two adjoining land holders employed the father and son at times. Joseph's wife, Margaret Roeferty, was an excellent woman, skilled in the art of spinning and weaving. From 1770 to the spring of 1774 the family was industrious and quite well known in the neighborhood. In the last week of April 1774, Joseph Roeferty and his son James went to Teegarden's Ferry to work on a stone road leading to the boat landing, leaving the wife and three daughters at home engaged in household duties.

"Just at noon ten Indians suddenly appeared at the home. These pioneers had never seen an Indian. Knowing, however, that there were a few Delaware Indians still around Camp Cat Fish, they mistook these wild savages for the friendly Indians and offered them some baked corn bread. But these savages were bent on murder and destruction. Seizing a rough homemade chair, one of the Indians knocked the women to the floor, while others scalped them. The two grown daughters attempted to fight the Indians, and succeeded in cutting one of the Indians so that much blood was found some distance from the house. The Indians finally left them for dead and went to a rail pen where the family cow was housed, killed her, and were eating portions of the meat when they were suddenly surprised by Edward Burson and his neighbor, Blackledge. Which party was the most astonished was never determined. Both parties fled from the scene of murder. The Indians were tracked toward the river, but not seen again. Edward Burson and Blackledge rode to the Burson home, secured each a musket and a French saber, and dashed back to attack the Indians, but by this time they had escaped. Edward Burson and Blackledge entered the house and at first thought all were dead. However, after removing the bodies from the floor, the wife and mother revived and sat up for a few minutes. One of the daughters revived also but fainted when she remembered the horrible butchery. Blackledge rode swiftly to Teegarden Fort and soon eight armed men rushed to the scene of the crime. The father and son were inconsolable. The mother died at sunset, and two of the daughters were killed outright by the Indians. Jane, however, revived and was taken to the home of Edward Burson, where she hovered between life and death for a month. Being of a strong physical make-up, she at last recovered and made her home with the Burson family. After a few days at Fort Teegarden, Joseph Roeferty and his son returned to their ruined home and took up their broken lives again. They lived there until 1777. James served one year in the war, and in May 1777, set out for the Harrod settlement in Kentucky. The father became the ward of Thomas Blackledge. He died in 1791. Jane Roeferty lived and enjoyed good health, but always wore a woolen cap to protect her head. She married William Haines who lived for a few years in a log house on the Christopher Cox farm (part of the George Teegarden land), then settled somewhere in the southeastern part of the county.

"The McCullough Iron Company used the site of this tragedy as their charcoal field from 1779 to 1787..."

Leckey also states that Thomas must have been in Greene Co for some time before he brought his family (as evidenced by the will of James Burson). He must have traveled back to Bucks Co, PA (probably to get his family) where in 1777, Thomas Blackledge, Jr. of Milford Twp, Bucks Co, PA took the oath of allegiance. He and Abijah Wright (possibly Thomas' brother-in-law) signed a petition in Bucks Co, PA in 1767.¹³⁹ This petition of inhabitants of Bucks Co, PA, to the "Honorable Representatives of the Freemen of the Province of Pennsylvania" asked their help in preventing a company of 40 or more Indians who spent the previous winter among them, causing heavy expense and disturbance when intoxicated, from returning. He moved to Washington Co, PA (now in Greene Co, PA) in 1778.^{138,140} Thomas moved most of his family at that time and settled on land called "Farmer's Tract" near the mouth of Ten-Mile Creek. He was warranted land on 17 Jun 1786 in Greene Co, PA.^{141,142} That land, "Farmer's Tract," was surveyed on 17 Jan 1787. On 16 July 1792, Thomas's sons and executors, Enoch and William Blackledge patented, on behalf of the estate, this 331 acre tract on the south fork of Ten Mile Creek. This patent was recorded in Patent Book P, Vol. 19, page 12, and in Greene Co on 11 January 1917. His daughter, Elizabeth, and her husband, Edward Burson, lived on the adjacent homestead.

He signed a will on 23 Jun 1786 in Washington Co, PA.^{143,144} This will was registered in Washington Co, PA on 11 January 1788 and names his wife, Margaret, and their children. It was not recorded in

Greene Co, PA until 21 June 1901, possibly then to clear the title for gas leases for some of the land.

The following is a transcript of Thomas Blackledge's will as recorded in Will Book 1, pp. 77-79:

On 4 Aug 1782, Thomas Blackledge and his wife, Margaret, and eight of their children (William, Thomas, Levi, Abraham, Isaac, Martha, Margaret, James) were received on certificate from Richland MM to Hopewell MM (Frederick Co, VA). Thomas BLACKLEDGE Jr. and Margaret WRIGHT married on 11 May 1758 in Richland Monthly Meeting, Bucks Co, PA.^{43,50} **Margaret WRIGHT**^{35,40} (daughter of John WRIGHT and Mary MORGAN) was born about 1737. She died after 1800. Margaret Blackledge was still living in 1800 when she was listed as a "widow" on the 1800 Washington Co, PA Tax List. In his will, Thomas BLACKLEDGE, Margaret's husband, gave her the right to remain mistress of their house and plantation; she probably died shortly before 25 Dec 1802 which is when her sons divided that property. Foulke; the receipt of the money was witnessed by Casper Loder, Iaid(illegible) Olemer, and Thos. Blackledge. The deed was recorded in Bucks Co on 6 May 1793. 36. **William BLACKLEDGE** was born on 8 Sep 1772 in Bucks Co, PA.^{49,91,108-111} The copy of his parent's marriage certificate with their children's birth dates on the back, stated that William was born at 12 o'clock in the morning, A.D. 1772. The "*Family Record*" by Mrs. H. L. Blackledge gave the date as 18 Sep 1772.

After the death of his Mother in 1781, William, and his sister Rachel, were raised by David Bacon. William learned the weaving trade, and moved from Bucks Co to Greene Co, PA in 1797, where he lived at Rice's Landing on the Monongahela River. He tended a ferry and worked at building flat-boats, taught school, and farmed. He moved to Mount Pleasant Twp, Jefferson Co, OH in 1801.^{96,108,229} However, Hobert Blackledge's information said William moved there in the spring of 1809. He bought property (50 acres of the NW Qtr of range 3, twp 7, sect 23) on 1 Oct 1818 in Jefferson Co, OH. William Blackledge of Jefferson Co, OH, paid \$202.50 to Abigail Stanton of Jefferson Co, OH. He died on 10 Dec 1851 or 1852 in Belmont Co, OH, near Trenton.^{49,108,110}

He was a Quaker.^{113,231,232} It is probably this William Blackledge who witnessed three marriages at the Buckingham MM. The first was of Mahlon Down and Rebekah Hartley on the 16th day of the 6th month of 1795. The second was of Isaac Moore and Elizabeth Hinsey on the 5th day of the 4th month of 1797. The third was of John Schofield and Agnes Blackfan on the 14th day of the 6th month 1797.

On the 3rd day of the 9th month of 1798, Buckingham MM granted a certificate of removal for William and his wife, Elizabeth, and "two small children," Robert and Sarah. The certificate was delivered to Robert Blackledge. On 22 June 1799, William and wife Elizabeth and children Robert and Sarah were received at Westland MM, Washington Co, PA on a certificate from Buckingham MM. On 24 June 1809, William and wife Elizabeth and children Robert, Sarah, Elizabeth, Samuel and John were granted a certificate of removal from Westland MM to Short Creek MM. They were received at Short Creek MM on 18 July 1809. On 1824, 7, 20 he removed to Somerset MM on a certificate from Short Creek MM. It is probably this William Blackledge who was disowned at Somerset MM, Belmont Co, OH on the 28th of the 12th month of 1829.

Michael A. Blackledge (of Albuquerque, NM) has William's old family bible, which William took with him from Bucks Co in 1797; it contains some of William's own writings, and other interesting family data. Hobert Blackledge also had a little silver tea-spoon sent to him by his cousin Clara Thomas of Somerton (it was one of three alike). These three spoons, with William Blackledge's initials inscribed thereon, were secured by William in 1811 when he went back to Bucks Co to attend the funeral of his wife's father, Anthony Heartley.

William BLACKLEDGE and Elizabeth HEARTLEY married about 1793.¹¹² **Elizabeth HEARTLEY** (daughter of Anthony HEARTLEY and Elizabeth SMITH) was born on 2 Aug 1769 in Greene Co, PA.^{49,108,110} (Surname also spelled Heartly and Hartly). She is found in that household in the 1860 census. Sarah had typhoid fever when about 19 years old while living with her parents in Jefferson Co, OH; she never regained her strength. He also left part of his estate to his sister, Rachel Blackledge, and \$2.00 "to each of my brothers and sisters". The will was probated 5 April 1838, and re-recorded 29 May 1871. He died on 25 Jan 1838.^{40,49}

He was a Quaker.¹¹³ On 1807,8mo,3, David, unmarried, removed from Buckingham MM, Bucks Co, PA to New Garden, Chester Co, PA. It is interesting to note that David was grouped in father's will with Isaac and Benjamin, his half brothers, to inherit their father's land; David's full brothers only received 50 cents each.

David BLACKLEDGE and Rachel THOMAS married.^{125,126} They had no children. **Rachel THOMAS** was born about 1778.²⁷⁸ She died at 75 years of age on 9 May 1853 in Monroe Co, OH.^{113,279}

A son Isaac was listed in the Buckingham MM Minutes and in Robert's will. Since records show this Isaac came from Columbiana Co, OH where Robert and Ruth moved, this Isaac has been linked to them.

Edward BURSON: Information on parents

Edward Burson's brother Isaac married Elizabeth BLACKLEDGE [29], daughter of William Blackledge and Ann Lewis. Parent information for the brothers is documented with Isaac at [29].

58. **Enoch BLACKLEDGE** was born on 1 Mar 1759 in Springfield Twp, Bucks Co, PA.^{55,140,148-150} He served in 1781 in the American Revolutionary War.^{298,299} He was a private in Captain Benjamin Royce's Company.

Mrs. Martha Allen Blackledge reported that during the War of 1812 while Enoch was plowing in the

field, soldiers came to confiscate his horses; and Enoch enlisted rather than let the horses go without him. However, Earl Blackledge and his sister Dorothy Blackledge Kellogg told a similar story about a Blackledge who was disowned by the Quakers after refusing to let his horses go without him when soldiers came to confiscate them in the Revolutionary War. It is known that Enoch was disowned from the Quakers during the Revolutionary War years and there is no known record of him serving in the War of 1812. This suggests that Mrs. Martha Allen Blackledge's story may be incorrect as far as when it occurred, but the basic story is supported by similar stories from other family members. He was a Quaker until on 3 Jun 1784.^{142,300} On that day he was disowned for breach of the Society rules for his war service. On the same day, his wife was disowned for marrying contrary to Friends' discipline.

He patented land in trust on 16 Jul 1792 in Greene Co, PA.¹⁴² This patent was in trust for his mother and the minor children of Thomas Blackledge for the tract of land known as "Farmers Tract". He had property transferred to him on 25 Dec 1802 in Jefferson Twp, Greene Co, PA.¹⁴¹ In a series of partition deeds on Christmas Day 1802, six of the seven sons of Thomas Blackledge, Jr, divided their inherited property as follows:

Abraham Blackledge paid \$8.00 and received 49 acres 61 perches,
 Isaac Blackledge paid \$8.00 and received 37 acres 37 perches,
 James Blackledge paid \$8.00 and received 46 acres 71 perches,
 Levi Blackledge paid \$8.00 and received 80 acres 103 perches,
 William Blackledge received 41 acres and 77 perches,
 Enoch Blackledge received 81 acres 142 perches.

All of these deeds were witnessed by John Denney and John Hughes and were recorded in Greene Co on 23 April 1803. Two release deeds for the lands that William and Enoch received were dated 13 May 1822, were signed by all the other brothers, witnessed by Thomas Burson and John D. Goble, and recorded in Greene Co, PA, on 23 June 1824. It is not proven, but perhaps the additional release deeds were made in order to clarify the land ownership for potential coal mining contracts. Curiously, their brother, Thomas III, did not receive a share of their father's lands even though Thomas Jr.'s will specified the land be equally divided amongst all his sons. Instead, on the same day, Thomas III bought land from his brother, Abraham.

He bought property (NW Qtr of range 6, twp 16, section 9 from Abraham Blackledge) on 25 Sep 1821 in Carroll Co, OH.¹⁶² This property was located on Big Sandy Creek. He sold property (north part of NW 1/4 of range 6, twp. 16, section 9 to Christopher Clathhard) on 10 Aug 1829 in Stark Co, OH.¹⁶² This deed was recorded in Carroll Co, OH on 27 August 1829. He sold property (80 acres of south part of NW 1/4 of range 6, twp 16, section 9) on 24 Oct 1829 in Stark Co, OH.¹⁶² The land was sold to Robert M. Clemanh. This deed was recorded in Carroll Co, OH on 22 May 1830.

He signed a will on 26 Jul 1830 in Greene Co, PA.^{144,301} Transcript of the Will of Enoch Blackledge (transcribed with spelling and grammar as written on the copy in the Deed Book):

He lived on the home plantation which he inherited from his father in Greene Co, PA.¹⁴⁰ His son, Levi, remained on the old home place; most of his other children settled in Ohio. He signed a petition for a new state.¹⁴²

Enoch BLACKLEDGE and Sarah ADAMSON married before 1 Dec 1783.¹¹³ **Sarah ADAMSON** (daughter of Thomas ADAMSON and Mary BURSON) was born on 14 Jan 1763 in Richland, Bucks Co, PA.^{140,302} She died in Greene Co, PA.³⁰² She was buried in Burson Cemetery, near Clarksville, Greene Co, PA in an unmarked grave.³⁰² She was a Quaker.³⁰⁰ However, on 3d 6m 1784, Sarah (Adamson) Blackledge was disowned at Hopewell MM for marrying contrary to Friends' discipline. Sarah was the twelfth child of Thomas and Mary Burson Adamson and her sister, Jane McCree, was living in Knox Co, OH in 1859. Enoch BLACKLEDGE and Sarah ADAMSON had the following children:

60. **William C. "Willie" BLACKLEDGE** was born about 1761. He bought property on 14 Sep 1799 in Morgan Twp, Greene Co, PA.¹⁴¹ William, Abraham, Isaac and James Blackledge, all of Jefferson Twp, Greene Co, PA, bought for 50 pounds this 11 1/4 acre tract of land on Ruff's Creek, Morgan Twp, Greene Co, from Joseph Seales and Elizabeth, his wife. The deed was witnessed by John Denney, William Heaton, and Jephemiah Lee and was recorded in Greene Co on 23 April 1803.

He was a millwright in 1800.¹⁵⁷ He was listed on the Tax List in Greene Co, PA in 1800.¹⁵⁷ That is where his middle initial "C." was found. He bought property on 2 Jun 1802 in Jefferson Twp, Greene Co, PA.¹⁴¹ William, Abraham, and James Blackledge, all of Jefferson Twp, Greene Co bought for \$482.00 this 80 acre 103 perches tract on Ten Mile Creek from Levi Blackledge and Barbara, his wife, of Columbiana Co, OH. This was Levi's part of their father's property partitioned by deed dated 25 December 1802 (which oddly postdates this purchase). The land adjoined lands of Enoch Blackledge and Edward Burson. The deed was witnessed by James Burson and David Burson and was recorded in Greene Co on 18 October 1819.

He had property transferred to him on 25 Dec 1802 in Jefferson Twp, Greene Co, PA.¹⁴¹ For details of this, see corresponding entry for his brother Enoch.

He sold property on 1 Mar 1816 in Morgan Twp, Greene Co, PA.¹⁴¹ In this deed, William Blackledge, Abraham Blackledge, Isaac Blackledge and his wife Alice, and James Blackledge, all of Greene Co, PA sold for \$133.00 this land to Sylvanus Smith. The Blackledge brothers bought this property from Joseph Seals on 14 September 1799. The witnesses were Thomas Burson and Thomas Teagarden and the deed was recorded in Greene Co on 5 March 1823.

He sold property on 26 Mar 1816 in Jefferson Twp, Greene Co, PA.¹⁴¹ William, Abraham, and James Blackledge, all of Jefferson Twp, Greene Co, PA, sold this tract for \$36.00 to John Young of Greene Co. This land, part of their father's tract, was on the south fork of Ten Mile Creek and was granted by deed to Levi Blackledge, from Enoch and William Blackledge dated 25 December 1802 and Levi Blackledge who "died 2 January 1810". The deed was witnessed by Isaac Blackledge and Margaret Blackledge and was recorded in Greene Co on 26 August 1816.

He was a Quaker till he was disowned for disunity at Westland MM in 1818.^{113,164} A Westland Preparative Meeting notes entry of the Friends (Quakers) states that William, Abraham and James Blackledge were accused of having "imbibed opinions contrary to our religious principles and neglected the attendance of our meetings." (p. 125) Following investigations in the 6th and 7th months, the Friends at Westland MM disowned William and James Blackledge on 1818,8m,27. (p. 128) The case against Abraham was postponed because he was "not at home" at that time; it was picked up later that year, but, was released at the meeting held on 1819,6m,24, because Abraham had "removed to a considerable dis-

tance".

He bought property on 23 Mar 1819 in Jefferson Twp, Greene Co, PA.¹⁴¹ On this day, William Blackledge of Greene Co, PA, bought two tracts of land from his brothers. The tracts were part of their father's property that was partitioned in deeds dated 25 December 1802. William paid \$800 to each of his brothers Abraham and James, both of Greene Co, PA, for these tracts on 23 March 1819. Both deeds were witnessed by Thomas Burson and John Haines and were recorded in Greene Co, PA, on 20 June 1820.

He bought property on 23 May 1820 in Jefferson Twp, Greene Co, PA.¹⁴¹ William Blackledge of Greene Co, bought for \$600.00 this 77 acre 6 perches tract on Ten Mile Creek from James and Abraham Blackledge of Columbiana Co, OH. This part of their father's land was deeded to James and Abraham by Levi and Barbara Blackledge on 2 June 1810. This deed was witnessed by Levi Blackledge and Robert P. Philips. Abraham appeared on 23 May 1820 in Columbiana Co, OH, to acknowledge the act, and the deed was recorded in Columbiana Co, OH, on 20 June 1820.

He was administrator for the estate of William Mass in 1832 in Greene Co, PA.³⁰¹ He was a witness to a deed of sale for his sister-in-law, Alice Blackledge, widow of Isaac on 3 Sep 1834 in Greene Co, PA.¹⁴¹ He died on 1 Dec 1846 in Greene Co, PA.¹⁵⁵ He signed a will in Greene Co, PA.^{144,301} He left his estate to his wife, Mary and to the children of his brothers, Enoch and Levi, and his sisters, Elizabeth Burson and Martha White. There was a contest by his brothers to break the will, but the courts sustained it and it was probated in 1847. Mary Blackledge, executrix, gave an account of the estate at the Orphans Court, August Term 1849.

William C. "Willie" BLACKLEDGE and Mary CHALFANT married.¹⁴⁰ They had no children. **Mary CHALFANT** (daughter of Robert CHALFANT and Phebe) was born on 22 Jan 1780.³²⁵ She was previously married to Levi Woodward who died on 21 Feb 1819.³²⁵ Mary and Levi Woodward had six children: Phebe, Jane, Hannah, Isaac, John, and Sarah Ann. She appeared in the census in 1850 in Luzern Twp, Fayette Co, PA. Mary Blackledge (80, born in Chester Co, PA) is with her unmarried daughter from her first marriage, Sarah Ann Woodward (30).

She signed a will on 31 Oct 1851.³²⁶ This will for Mary Blackledge was probated in Fayette Co, PA on 9 Jan 1855. She died on 9 Dec 1854 in possibly Fayette Co, PA, near Bridgeport.^{325,326}

61. **Thomas BLACKLEDGE III** was born between 1760 and 1770.¹⁴⁵ No record of his birth has been found, however, this time frame is consistent with ages listed on census records. He was found in a list of his father's family in a Quaker document dated 4 Aug 1782. He bought property on 25 Dec 1802 in Whitely Twp, Greene Co, PA.¹⁴¹ This land, called "Troublesome" (421 acres 51 perches), was originally warranted to Abraham Blackledge on 26 May 1797, was sold by Abraham to Thomas Blackledge on Christmas Day 1802 (when their father's property was divided), and patented to Thomas Blackledge by the Commonwealth of Pennsylvania on 29 March 1809. This land adjoined the lands of Isaac Blackledge. No deed of sale from Abraham to Thomas was found in the Deed Record Books of Greene Co, PA, but this information is described in the copy of the Patent (as recorded in Patent Book P, Volume 60, page 455), recorded in Greene Co, PA on 13 August 1920. The patent information is repeated in the deed of sale by Thomas on 23 June 1809.

He bought property on 15 Oct 1808 in Jefferson Twp, Greene Co, PA.¹⁴¹ Thomas Blackledge paid \$55.00 to John Stockton and his wife, Rebekah for 6 acres 136 perches which adjoined Thomas's land. The deed was witnessed by James Hughes and Elizabeth Hughes and was recorded in Greene Co. on 2 June 1817.

He sold property on 23 Jun 1809 in Whitely Twp, Greene Co, PA.¹⁴¹ Eli Helland of Greene Co, PA, paid \$132.00 to Thomas Blackledge and his wife Margaret of Greene Co, PA for the 132 acre tract of land, part of the tract called "Troublesome." The deed was witnessed by Wm. Kincaid and James Lindsey; recorded in Greene Co on 22 Sep 1810.

He bought property on 4 Mar 1811 in Jefferson Twp, Greene Co, PA.¹⁴¹ Thomas paid 394 pounds and

ten shillings to Joseph Garwood and his wife, Hannah, of Coniott Township, Crawford Co, PA for 131 1/2 acres called "The Rural Plain" on the banks of Ten Mile Creek. The deed was witnessed by Robert Gi__i_ess and Jane Lindsey and was recorded in Greene Co on 2 June 1817.

He sold property on 2 May 1812 in Jefferson Twp, Greene Co, PA.¹⁴¹ Thomas Blackledge and his wife Margaret of Jefferson Twp, Greene Co, PA, sold for \$42.00 part of the tract (5 1/4 acres) he had bought from Joseph Garwood the year before, to George Hisey of Greene Co. The deed was witnessed by Thomas Burson and Thomas Hughes and was recorded in Greene Co on 26 September 1812.

He sold property on 7 Apr 1817 in Jefferson Twp, Greene Co, PA.¹⁴¹ Thomas Blackledge and his wife, Margaret, of Jefferson Twp, Greene Co, PA, sold for \$2,000.00 to Edward Burson, the two tracts of land purchased by Thomas in 1808 (6 acres 136 perches) and 1811 (131 1/2 acres). This deed was witnessed by Thomas Burson and Levi Burson and was recorded in Greene Co, PA on 2 June 1817.

He bought property (150 acres of SW Qtr of range 2, twp 8, section 2) on 22 Feb 1820 in Jefferson Co, OH. Thomas bought this land from Frederick Woods and Mary, his wife. The deed was recorded on 2 January 1821 (1820 was the date on the deed book copy, however, the deeds recorded immediately before and after stated 1821) in Jefferson Co, OH in Deed Book G, page 518.

He lived in Jefferson Co, OH from 1820 to 1836.¹⁴¹ Thomas owned property and paid taxes in Jefferson Co, OH during those years. Thomas and his wife, Margaret, appeared before the President of the Court of Common Pleas in Jefferson Co, OH, on 24 January 1824 to acknowledge their signatures on release deeds to Enoch and William Blackledge.

He had property transferred to him (69 acres) on 13 Jan 1821 in Washington Co, PA.³²⁷ This deed was for transfer of the land which Robert Johnson, father of Thomas Blackledge's wife, Margaret, by his last will and testament dated 21 November 1816 directed be sold by his executors, John Ringland and Caleb Johnson. The land was transferred to the heirs: Thomas Blackledge, husband of Margaret, and Ann Gregg, Margaret's sister. This deed was recorded in Washington Co, PA on 16 January 1821.

He was heir of \$91.75 from the estate of his sister, Margaret on 24 May 1822 in Greene Co, PA.¹⁵⁵ A receipt signed by Thomas Blackledge and Margaret Blackledge for this legacy was found in Margaret's estate records in Greene Co, PA. He sold property (69 acres) on 30 Dec 1823 in Washington Co, PA.³²⁷ Charles Whitlach paid \$750 to Thomas Blackledge and Margaret his wife and Ann Gregg for the tract of land which formerly belonged to Robert Johnson, father of Margaret Blackledge and Ann Gregg. The deed was recorded in Washington Co, PA on 15 June 1824. Thomas and Margaret Blackledge appeared at court in Jefferson Co, OH on 24 January 1824 to testify that they had executed this deed.

He is likely to be the Thomas Blackledge who sued Andrew Grey for \$5.40 with judgment returned in Jefferson Co, OH on 31 Mar 1829.³²⁸ Thomas (surname spelled Blackledge and Blacklaoe in different parts of the docket entry) sued Andrew Gray for a debt of \$5.40 for the "season of a mare to a horse." The defendant "confessed a judgment for the above debt and costs of suit." He had a mortgage released on 2 Jun 1834 in Jefferson Co, OH.³²⁹ The land Thomas had mortgaged was the SW Qtr of range 2, twp 8, section 2 in Knox Twp, Jefferson Co, OH, the farm on which Thomas Blackledge then lived. Notes to John Sapp for \$100 with interest, to Jacob Hipsly for \$200 plus interest and to Joseph Lawrence for \$150 plus interest were paid. This release was witnessed by James Alexander and James L. Alexander and was recorded in Jefferson Co, OH, on 22 November 1837.

He sold property (128 acres and 37 perches of the east part of the SW Qtr of range 2, twp 8, section 2) on 13 Mar 1835 in Knox Twp, Jefferson Co, OH.³²⁹ This deed from Thomas Blackledge and Margaret, his wife, of Jefferson Co, OH to Samuel Arnold of Jefferson Co, OH, who paid \$1,100 for the property. The deed was witnessed by Thomas Blackledge and Wm Long and was recorded in Jefferson Co on 22 Nov 1837.

He sold property (72 acres and 3 woods of the west part of the SW Qtr of range 2, twp 8, section 2) on 13 Mar 1835 in Knox Twp, Jefferson Co, OH.³²⁹ This deed from Thomas Blackledge and Margaret, his wife, of Jefferson Co, OH, to James Hamilton of Jefferson Co, was for \$520. The deed was witnessed by

Isaac M. Blackledge and Wm. Lowry and was recorded in Jefferson Co, OH, on 14 Jun 1841. The researcher believes, but has not proved, that James Hamilton was a son-in-law of Thomas and Margaret. This raises the probability that Samuel Arnold was another son-in-law. These two deeds also were witnessed by Thomas Blackledge (probably Thomas and Margaret's son) and Isaac M. Blackledge (could he be another son?).

He bought property (lot #29) on 27 Mar 1835 in Amsterdam, Jefferson Co, OH.³²⁹ Thomas Blackledge paid Eli Davidson and Matilda, his wife, \$600 for this property located on Main and Springfield Streets. The deed was witnessed by John Shoher and Gary Dudgeon and was recorded in Jefferson Co, OH, on 12 Jan 1836.

He had property sold at Sheriff's Sale (lot #29) on 19 Dec 1836 in Amsterdam, Jefferson Co, OH.³³⁰ This sale was to satisfy the payment due to William Blackledge (Is this Thomas's brother or cousin?) as a result of the lawsuit he successfully brought against Thomas Blackledge for payment of several notes. Samuel Stokeley of Jefferson Co, OH, paid \$134 for the property.

He was sued by James Hamilton, et al, for payment of a debt in Aug 1839 in Jefferson Co, OH.³³¹ The suit was dropped at the next court term. Of interest, there was a James Hamilton who owned considerable property in Knox Twp, Jefferson Co, OH who was too old to have been Thomas Blackledge's presumed son-in-law. The James Hamilton in this suit was probably the older James Hamilton found at that time in Jefferson Co, OH. He was a Quaker earlier in life. No later Quaker records for himself or his children were found.¹⁶⁴ Westland MM notes dated 1797, 8m state that Thomas Blackledge married out of unity by a magistrate. Friends agreed to visit him and report at next meeting. (p. 351) On 1798, 1m, Westland MM notes state that Thomas Blackledge was visited and appears desirous to retain his right of membership. Case continued. (p. 364) The 1798, 2m Westland MM notes state that Thomas Blackledge offered to this meeting a paper condemning his outgoing...if no obstruction to be invited back next month. (p. 370) The notes dated 1797, 10m, 27, Westland MM, state that they had received written acknowledgement of the error from Thomas Blackledge (wife not named in any of these actions). (p. 399)

Thomas BLACKLEDGE III and Margaret JOHNSON married before 26 Aug 1797.^{113,156} On this date, Thomas was condemned at Westland MM for marrying out of unity with the Friends.

NOTE: Although Thomas's wife is not named in this Quaker action, it is assumed that he married Margaret Johnson at this time. However, since Margaret is the only daughter that Robert Johnson does not name with a surname or married name in his will, the possibility remains that Thomas married Margaret Johnson later as a second wife. Hennon in "Cemetery Records of Greene County, Pennsylvania" states there is a stone in the Burson Cemetery (1/2 mile SE of Clarksville off the road to Dry Tavern) "Blackledge, I (illegible) possible wife of Thomas". That stone could have belonged to Margaret Wright Blackledge, however, since she also was wife of a Thomas Blackledge.

Margaret JOHNSON (daughter of Robert JOHNSON) was born between 1774 and 1781 in Ireland.³³² The 1850 Census lists her age as 69, but the 1860 Census lists her age as 86 years. She appeared in the census in 1850 in Loudon Twp, Carroll Co, OH.³³³ Margaret, aged 69 years was born in Ireland; others in the household were Mary, Martha, Joseph, and Cyrus Blackledge and Henry Hamilton. She died probably 1860-1870 in probably Carroll Co, OH.³³⁴

The only child of Thomas and Margaret (Johnson) Blackledge for whom any record was found is Nancy "Ann". However, the compilers believe there were more children. In the 1800 census (including only the children) there was 1 female 0-10 years old and 1 male 0-10 years old in the household. In the 1810 census there were 5 females 0-10 years old and 2 females 10-16 years old in the household. In the 1820 census, there were 2 females 10-16 years old, 3 females 16-26 years old, and 3 males 0-10 years old. In 1830, there was 1 female 20-30 years old, 1 male 5-10 years old and 2 males 15-20 years old. In the 1840 census there was 1 female 20-30 years old, 1 male 0-5 years old, 1 male 5-10 years old and 1 male 15-20 years old. Discussion of why the following children are included in this family will be found with each child's entry. Thomas BLACKLEDGE III and Margaret JOHNSON had the following children:

- +229 i. **Ann BLACKLEDGE**, born in Oct 1799, PA^{335,336}; married Robert JACKSON, on 27 Feb 1817, Carmichaels, Cumberland Twp, Greene Co, PA³³⁶⁻³³⁸; died on 8 Mar 1863, Westboro, Adams Co, OH^{335,336}.
- +230 ii. **Thomas BLACKLEDGE IV**, born in 1811, PA^{198,339}; married Eliza Ann CAMPBELL, on 30 Aug 1832, Jefferson Co, OH^{240,339,340}; married Mary Jane ANDREWS, on 27 Mar 1866, Linn Co, IA^{339,341,342}; died on 4 May 1883³⁴³.
- +231 iii. **BLACKLEDGE**, born OH²⁴⁶.
- +232 iv. **Elizabeth BLACKLEDGE**, married James HAMILTON, on 5 Apr 1826, Jefferson Co, OH^{240,340}.
- 233 v. **Mary BLACKLEDGE** is probably a daughter or daughter-in-law of Thomas and Margaret. Mary is listed in the Thomas Blackledge and Margaret Johnson family since she is found in the household in the 1850 and 1860 censuses.
- +234 vi. **Joseph B. BLACKLEDGE**, born on 30 May 1823, Knox Twp, Jefferson Co, OH³⁴⁴; married Elizabeth BAKER, on 7 Sep 1852, Springfield, Carroll Co, OH³⁴⁴; died on 20 Mar 1892, Canal Lewisville, Coshocton Co, OH³⁴⁴⁻³⁴⁶.

Margaret JOHNSON: Information on parents

Robert JOHNSON signed a will on 21 Nov 1816 in Fallowfield Twp, Washington Co, PA. He died in 1816 between 21 Nov and 30 Dec.

62. **Levi BLACKLEDGE** was born about 1765.¹⁴⁵ The earliest known record of him is a listing of him in Quaker records with his parents on 4 Aug 1782.

He sold property on 2 Jun 1802 in Jefferson Twp, Greene Co, PA.¹⁴¹ For details of this, see corresponding entry for his brother William.

He had property transferred to him on 25 Dec 1802 in Jefferson Twp, Greene Co, PA.¹⁴¹ For details of this, see corresponding entry for his brother Enoch.

He bought property (range 3 twp 15 section 32 through the Steubenville OH land office - certificate #542) on 18 Jan 1803 in Lisbon, Salem Twp, Columbiana Co, OH.^{141,160,161,347} Levi moved onto this property in 1804. Levi added to this property on 11 April 1808. He is found there in the 1820 Census. Levi and his wife Barbara gave this address when they appeared before the President of the Court of Common Pleas in Columbiana Co, OH on 14 October 1822 to acknowledge their signatures on the release deeds to William and Enoch Blackledge.

He was a miller on Beaver Creek in 1804.^{212,313} In 1804, Levi built a grist-mill on the middle fork of Beaver Creek in Salem Twp. The following year he built a sawmill just below the grist-mill, which in 1816 was replaced by a larger and more permanent mill. This second mill did duty for three-quarters of a century. He bought property (range 3 twp 15 section 28) on 11 Apr 1808 in Columbiana Co, OH.¹⁶⁰ This property, recorded in Certificate #985, was bought through the Steubenville Land Office. Certificate #986 is for the same date and same section of land.

He appeared in the census in 1820 in Salem Twp, Columbiana Co, OH.³⁴⁸ Levi's household had the following: 1 male (0-10 years), 1 female (1-10 years), 1 female (16-18 years) and one female (26-45 years). Jesse was probably the 0-10 year old male since he would have been about 8 then; Sarah would be the 16-18 year old female since she would have been 16 years old. Is it possible the Levi and Barbara had or fostered another heretofore unknown daughter who would be the 0-10 year old?

He died between 7 Apr 1827 and 13 Aug 1828 in Columbiana Co, OH.^{84,158,159} His will was dated 7 April 1827 and an inventory of his estate was filed 13 August 1828. He signed a will on 7 Apr 1827 in Columbiana Co, OH.^{84,159,349} The will names Levi's wife, Barbary [sic] Blackledge; daughter, Sarah Harris; and son, Jesse Blackledge. The executors were Isaiah Harris, Nathan Harris, and Jonathan Dickinsen

Levi BLACKLEDGE and Barbara ROFELTY married between 1800 and 25 Feb 1804 in Columbiana Co, OH.^{115,140,157} Levi was disowned from the Westland PA MM on 1804,2,25 for this marriage; he was single on the 1800 Tax List for Jefferson Twp, Greene Co. **Barbara ROFELTY** (daughter of Mathias ROFELTY) was born about 1775. On the 1820 Census she was in the 26-45 age group, and in 1830 in the 50 to under 60 age group which would make her born abt 1775 and 1780. She sold property in 1820.¹⁴¹ Barbara Blackledge and other heirs of Mathias Rofelty sold property to John Hughes. The property was recorded 4 Apr 1865. She is probably the widow Blacklidge [sic] listed in the census in Salem Twp, Columbiana Co, OH in 1830. Levi BLACKLEDGE and Barbara ROFELTY had the following children:

- 236 ii. **Jesse D. BLACKLEDGE** was born on 19 Sep 1812. Birthdate was calculated from the tombstone inscription. Leckey states that Levi and Barbara had a son named Jesse. It is not proven, but likely that the events listed for this Jesse D. refer to their son. He appeared in the census in 1850 in Logan Co, IL. He is probably the Jesse D. Blacklige [sic] (37, farmer with \$3,000 value of real estate) listed as head of a household of four persons who do not appear to be related to him. He bought property in 1851 in Broadwell Twp, Logan Co, IL.³⁵³ He bought property in 1852 in Chester Twp, Logan Co, IL.³⁵³ He was a defendant in a lawsuit which Abraham Lincoln handled about 1852 in Logan Co, IL. The following letter from Abraham Lincoln refers to the case of James Kelly vs. Jesse D. Blackledge. Kelly was a building contractor and Jesse D. Blackledge was a well-to-do resident of Pickawa Co, OH who removed to Logan Co, IL, before paying. Blackledge had died since the beginning of the suit:

Your letter of the 8th. is just received. It has all the while been understood that the estate of Blackledge is solvent, & that the Kelly claim is good. After I sent back to you & got the authentication of record corrected, I commenced a suit in the circuit court: and about this time Blackledge died. The case is not in the county of my residence; so that I am only there at the terms of the circuit court. At the first term after B's death, my partner, who was attending court in that county that term, dismissed the suit and filed the record in the Probate court as a claim against the estate. This we both thought was the best way of doing. Last fall I turned out of my way to come by that county to see after the claim; and was surprized to be told that the claim had not been allowed, or acted on.

He died at age 40 years 2 months 1 day on 20 Nov 1852 in Logan Co, IL.^{107,354} He was buried in Springbank Cemetery, Corwin Twp, Logan Co, IL.³⁵⁴ He married, but his wife's name is not known.⁴⁸

- 237 iii. **Uriah TEEGARDEN** was fostered or adopted by Levi and Barbara

BLACKLEDGE. He may be the Uriah who married Faithful Richardson.

64. **Isaac BLACKLEDGE** was born on 3 Nov 1770 in Bucks Co, PA.¹⁴⁰

He bought property on 14 Sep 1799 in Morgan Twp, Greene Co, PA.¹⁴¹ For details of this, see corresponding entry for his brother William.

He had property transferred to him on 25 Dec 1802 in Jefferson Twp, Greene Co, PA.¹⁴¹ For details of this, see corresponding entry for his brother Enoch.

He sold property on 1 Mar 1816 in Morgan Twp, Greene Co, PA.¹⁴¹ For details of this, see corresponding entry for his brother William.

He was a witness to a deed for his brothers William, Abraham and James on 26 Mar 1816 in Jefferson Twp, Greene Co, PA.¹⁴¹ He bought property through the Steubenville OH land office (cert #6541, range 4 twp 13 section 36) on 6 Nov 1816 in Fox Twp, Carroll Co, OH.¹⁶⁰

He had property transferred to him on 14 May 1822 in Jefferson Twp, Greene Co, PA.¹⁴¹ Enoch and William Blackledge signed a quit claim deed to Isaac for property containing a coal bank/pit, iron ore, and a limestone quarry. This property was part of the inherited tract from their father, Thomas, Jr., but it is not clear if it was part of the property Isaac received in the partition deed or if it is part of the land Enoch and William received. This quit claim was witnessed by Thomas Burson and Ann Burson and recorded in Greene Co on 17 July 1822.

He sold property (155 acres of SW Qtr of range 4, twp 13, section 36) on 23 Jun 1824 in Carroll Co, OH.¹⁶² Isaac Blackledge and Alice, his wife, sold this property to Daniel Longacre for \$1,600. It was recorded in Carroll Co, OH on 15 Dec 1824.

He signed a will on 10 Nov 1824 in Greene Co, PA.^{144,168} Isaac named his wife Alice; brothers James, Abraham, Enoch, William, Thomas, and Levi; sisters, Mary Williams and Elizabeth Burson; sisters (-in-law) Minerva Evans and Hannah McClain in his will. He also left a legacy to Noah Teal, whom he had raised. His wife, brother William, and Noah Teal were named executors. The will was witnessed by Jonah Randolph and Cornelius O'Connor. The will was probated in Greene Co, PA on 26 Jun 1826. He died on 22 Jun 1826 in Greene Co, PA.¹⁴⁰ He was buried in Burson Cemetery, near Clarksville, Greene Co, PA.^{48,140} In 1935, the marker for his grave was still standing, but faintly legible. He was a Quaker till disowned at Westland MM on 24 Aug 1799 for marrying out of unity.¹¹³

Isaac BLACKLEDGE and Alice B. "Alee" EVANS married on 27 Dec 1798 in Greene Co, PA.^{113,140,165} This date is from the Mather tree which states that it was provided by T. Thawley from the Teal family Bible. Leckey's information said only that Isaac and Alice were married before 24 Aug 1799. They had no children of their own, but raised Noah Teal. **Alice B. "Alee" EVANS** (daughter of John EVANS and Margaret) was born on 4 Jul 1777.¹⁴⁰ She sold property on 3 Sep 1834 in Jefferson Twp, Greene Co, PA.¹⁴¹ In this deed, Alice Blackledge, widow and relict of Isaac Blackledge late of Jefferson Twp, Greene Co, and Noah Teal and Rachel his wife of Greene Co sold land for \$1,100 to Francis Way. This was part of the land Isaac inherited from his father, and it adjoined the lands of William Blackledge, Thomas Hughes and Edward Burson. The deed was witnessed by Thomas Teagarden and William Blackledge and was recorded in Greene Co, PA on 19 June 1836. She died poss 28 Sep 1836.^{140,168,301} Leckey gave the death date as 28 Sep 1866; however, that must be wrong since her estate was handled at the March 1837 Term of the Orphans Court in Greene Co, PA. William Blackledge and Noah Teal were executors of her estate. Isaac BLACKLEDGE and Alice B. "Alee" EVANS had the following children:

- 238 i. **Noah TEAL** was raised and possibly adopted by Isaac and Alee BLACKLEDGE.

65. **Martha BLACKLEDGE** was born on 4 Aug 1782 in Bucks Co, PA.^{145,166} The earliest record for Martha is a Quaker listing of her with her parents on 4 August 1782. She lived in Salem, Columbiana Co, OH before 1804.^{40,140} Martha and her husband were early settlers in Whiteley Twp, but not the people for whom the Whiteley Creek was named. She died between 1830 and 10 Nov 1846 in probably Columbiana Co, OH.^{166,167}

Martha BLACKLEDGE and Uriah WHITE married on 29 Mar 1798 in Westland MM, near Brownsville, Washington Co, PA (3rd mo).^{48,113} **Uriah WHITE** (son of Jesse WHITE and Mary) was born in 1776 in PA.¹⁶⁶ Uriah is listed as between 50 and 60 years old on the 1830 census, which would make him born between abt 1770 and 1780. Cris Swetye cautions that Uriah's mother is Mary, but not Mary Mechem like other information on the Internet states. He had complaints by the Friends for fighting and for purchasing a lottery ticket in 1821.¹⁶⁶ He was disowned for disunity by the Friends on 26 Mar 1829.¹⁶⁶ He appeared in the census in 1830 in Salem Twp, Columbiana Co, OH. Uriah White (of 50 but under 60 years of age) is shown with 3 males (of 20 but under 30 years of age), 1 female of 50 and under 60, and 1 female of 10 and under 15. He died after 1834 in probably Columbiana Co, OH.¹⁶⁶ Martha BLACKLEDGE and Uriah WHITE had the following children:

- +239 i. **Jesse WHITE**, born about 1799, PA¹⁶⁶; married Lydia LEINARD, on 3 May 1821, Columbiana Co, OH¹⁶⁶; died before 1840, Columbiana Co, OH^{92,166}.
- +240 ii. **Thomas WHITE**, born about 1800, Washington Co, PA¹⁶⁶; married Catherine YEAGER, on 10 Sep 1835, Columbiana Co, OH^{92,166}; died about 1887, Columbiana Co, OH¹⁶⁶.
- +241 iii. **James WHITE**, born about 1802, Washington Co, PA¹⁶⁶; married Margaret Ann NEIGH, on 19 Dec 1833, Columbiana Co, OH^{92,166}; died in 1885, Columbiana Co, OH¹⁶⁶.
- +242 iv. **Isaac WHITE**, born on 11 Apr 1804, Washington Co, PA¹⁶⁶; married Hannah P. BERRY, on 30 Jan 1827, Belmont Co, OH^{92,166}; died on 23 Feb 1891, Columbiana Co, OH¹⁶⁶.
- +243 v. **Margaret WHITE**, born on 14 Feb 1806, PA¹⁶⁶; married David GOUCHER, on 18 Mar 1830, Columbiana Co, OH^{92,166}; died on 3 Oct 1875, Findlay, Hancock Co, OH¹⁶⁶.
- 244 vi. **William WHITE** was born about 1809 in Columbiana Co, OH.¹⁶⁶ Cris Swetye cautions that no documents have been found to link William to this family, but her great great aunt Eva White Kinzy (born in 1868) included him in a letter that said William was Uriah and Martha's son; he went to CA during the Gold Rush and returned home an ailing, broke man; and he died young. He died about 1854 in Columbiana Co, OH.¹⁶⁶ He moved to CA.⁹²

71. **John NEWELL.**

John NEWELL and Catharine WYNKOOP married about 1810.¹⁷² It still needs to be proved that this John Newell married Catharine Wynkoop. **Catharine WYNKOOP** (daughter of Cornelius WYNKOOP and Margaret FULTON) was born about 1790.¹⁷² John NEWELL and Catharine WYNKOOP had the following children:

- +245 i. **George W. NEWELL**, born in 1813¹⁷²; married Amelia J. SLACK, about 1844¹⁷².
- +246 ii. **John Blackledge NEWELL**, born on 25 Oct 1816¹⁷²; married Eliza F. TILLYER, on 13 Oct 1847^{172,355}; died on 20 Oct 1880³⁵⁶.
- +247 iii. **Margaret N. NEWELL**, born in 1818¹⁷²; married Charles MARTINDALE¹⁷².
- 248 iv. **Sydonia N. NEWELL** was born about 1819.¹⁷²

- 249 v. **David N. NEWELL** was born about 1820.¹⁷² He died in infancy.¹⁷²
 +250 vi. **Catharine Anne NEWELL**, born about 1824¹⁷²; married Thomas
 WORTHINGTON¹⁷².

72. **Sydonia NEWELL.**

Sydonia NEWELL and Hugh JAMISON married in Feb 1827.^{24,173} **Hugh JAMISON** (son of Robert JAMISON and Sarah MEARNs/MAIRNS) was born about 1775 in Bucks Co, PA.¹⁷³

73. **Esther NEWELL** was born about 1790.¹⁷⁴ She died on 19 Sep 1865.²⁴

Esther NEWELL and John CHAPPELL obtained a marriage license on 22 Jun 1814.²⁴ They married on 25 Jun 1814 in Neshaminy Presbyterian Church, Warwick, PA.¹⁷⁵ John was of Lower Dublin, Philadelphia Co, PA and Esther of Moreland Twp, Montgomery Co, PA. More research needs to be done on this family to prove the children which the compilers took from census records and Ancestry.com family trees but which may not be correct. **John CHAPPELL** was born about 1797 in PA.²¹⁶ He appeared in the census in 1850 in Moreland Twp, Montgomery Co, PA. John Chappell (53, farmer with \$8,000 value of real estate) was listed with John (28), Thomas (25), Esther (23), Sydonia (21), Martha E. (19), Mary M. (19), Phebe D.[?](14), and Thomas (40). He appeared in the census in 1860 in Moreland Twp, Montgomery Co, PA. Jno. Chappel (70, farmer with \$13,000 value in real estate and \$2,500 in personal estate) was listed with his wife Ester (70), and presumed daughter Matilda (24). Presumed son Jno. (38) and daughter Phebe Jeans (24) and her husband Arther Jeans (24) were entered in the next household. He appeared in the census in 1870 in Moreland Twp, Montgomery Co, PA. John Chapple [sic] (79, retired farmer) was in the household of his daughter Sydonia and her family. However, since John is the only one who had real estate value listed, it is likely that Sydonia and her family had moved in with him. Esther NEWELL and John CHAPPELL had the following children:

Hannah ROBERTS and Philip SELLERS married on 17 Feb 1801 in Bedminster Twp, Bucks Co, PA.^{26,79,195} **Philip SELLERS** (son of Leonard SELLERS and Barbara) was born on 26 Dec 1773 in Hilltown, Bucks Co, PA.¹⁹⁵ He died on 11 Nov 1832.³⁷⁵ He was buried in Zion Lutheran Church Cemetery, Flourtown, PA.³⁷⁵ The following is part of an article that appeared in the "Ambler Gazette" on 14 May, 1896, was found at the Montgomery County [PA] Historical Society and transcribed by Michael W. Sellers:

Philip Sellers

Once Sheriff of Montgomery County A Notable Figure in Business and Political Life

Philip Sellers, an old-time sheriff, was once a notable figure in the political and business affairs of Montgomery county. This was especially the case in this near vicinity, where he had his home. He has been gone from the scene of action so long that the multitude do not know that such a man lived, and his life is only brought to the knowledge of a few by his signature to legal papers. Those who took part in his election are all gone from earth. He was of German family, and was born in Hilltown, Bucks county, in 1775. The name of his wife was Hannah, born in 1779. The town of Sellersville was named from this family. Sellers appears to have removed to Philadelphia early in life, living in the old Northern Liberties, where he was designated as an innkeeper. In 1809 he came to Whitmarsh and bought the old Blue House tavern property and six acres, of Martin Hocker for \$6,500...This roadside tavern, bought by Sellers in 1809, had been kept as a public house since the days of the Revolution...

...It was called the Blue House because of the color it was painted. Philip Sellers came to stay the re-

mainder of his lifetime, which lasted 23 years thereafter. He became postmaster, and the office was kept at his tavern before 1816. He afterwards bought other land along the turnpike, including the site of Union church. This was a lot bought in 1816 of Daniel Hiltner. On the 17th of October, 1818, he conveyed two acres to four men representing the German Lutheran and the German Reformed congregations, who wished to build a union church. These men were Jacob Gilbert and Christopher Graffley, representing the first, and Henry Scheetz and John Heany, the Reformed people. The price paid was \$160. On this ground the church was built and the extensive cemetery was laid out, now covered with numerous monuments to the dead.

In the year 1819 was the election for sheriff. Sellers was then in the prime of life, being 44 years of age. It was the era of good feeling politically, during the presidency of James Monroe. The old party wars had largely subsided. Sellers obtained the regular Democratic nomination for sheriff, but there was a considerable Democratic opposition to him. Had the Federal opposition not divided upon two candidates, Sellers would have been defeated. They nominated William Towers and George M. Potts. Sellers went in by a plurality of 626, although he lacked 766 of a majority. The total vote cast was 5,474, of which Sellers got 2,354, Potts 1,728, and Towers 1,392. The same year Philip S. Markley Democrat, was elected senator by a vote of 2,008 to 1,761 cast for Samuel Baird Federalist. The vote for sheriff was much larger than for the other officers. The opposition newspapers, at least claimed that this was a period of hard times, and the term of Sellers bears some witness to its truth. He was called upon to sell many properties. It was a period of hard times for farmers, owing to disastrous summer droughts, not for one season but for several in succession. This was coupled with the most extensive prevalence of malaria (then termed fever and ague) that has ever been known...The term of Philip Sellers expired with the close of 1822. He continued inn keeping for 10 years longer. He did not live to see old age. His death occurred on the 11th of November, 1832, in his 58th year. His wife, Hannah, died April 11, 1833, in her 54th year. Their bodies now repose side by side near the walls of the Union church. Among the children of Philip Sellers was a son, Daniel, who became a schoolteacher in Whitmarsh and other localities. Later in life he became a farmer. In 1857 he bought a portion of the old Eckart plantation, in New Britain, near the Hilltown line, where he resided for many years. Though born in 1810 and 86 years of age, Mr. Sellers preserves to an astonishing degree his strength and vigor. He now resides at Groff's hotel, Chalfont. His older sister, Rachel, was born in 1803 and now resides in Nazareth, Northampton county. Alonzo [Alphonso] Sellers, son of Daniel, born in 1841, is a teacher, and has been principal of the schools of the borough of New Hope, Bucks county, for the past 27 years.

Philip Sellers, feeling the hand of death upon him, sold his tavern in 1832 to Jacob W. Haines, of Quakertown, for \$6,500. Haines is well remembered as the landlord here. He kept the tavern for many years. Finally it ceased to get a license and became a private house during the ownership of William H. Witte. A few years ago Samuel Godfrey, of Ambler, who had kept the present Blackburn House, bought the property and demolished the old stone tavern and erected a splendid modern inn in its place, for which he obtained a license. This property was seized for debt by Sheriff Johnson on April last and ordered to be sold on the 20th of May of the present year. E.M. Hannah ROBERTS and Philip SELLERS had the following children:

in 1845. More research is needed to solve this dilemma. Anne DENNY and John BLACKLEDGE had the following children:

Blackledge [sic] was received at Providence MM, Fayette Co, PA, on a certificate dated 21 November 1833 from New Garden MM, OH. On 5 February 1835, Thomas G. Blackledge [sic] was disowned at Providence MM for marrying contrary to the Friends' discipline. He lived in Fayette Co, PA; Upper Lowell, Salem and Marietta, OH; and Bluffton and Indianapolis, IN.²⁶⁰ After marrying, Thomas and Susanna moved to a farm in IL, then to Dallas, IL where they lived for five years. They then moved to Rockville, IN, and from there to Franklin and finally to Indianapolis.

Dr. Thomas Grisell BLACKLEDGE and Hannah CHALFANT married in 1835 in Brownsville, Washington Co (now Fayette Co), PA.²⁶⁰ **Hannah CHALFANT** (daughter of Chads CHALFANT and Mary CASTER) was born on 21 Jun 1811 in MD.²⁵⁹ That is the date the Grisell book gives. But, based on the death date and her age at death given by the cemetery record, Hannah would have been born 1 Jun 1810. More research is needed. She died at age 42 years 4 months 27 days on 28 Oct 1853.⁴⁴¹ That is the date and age at death given by the online cemetery records, but the Marietta Stagecoach Journals had the following entry: *Blackledge Doctor, Mrs. 1853 27 Oct died.*²⁰³⁷ So, it is not clear if Hannah died on the 27th or 28th. She was buried in Mount Ephriam ME Cemetery, near Lower Salem, Washington Co, OH.⁴⁴¹ Dr. Thomas Grisell BLACKLEDGE and Hannah CHALFANT had the following children:

- 425 i. **Mary Ann BLACKLEDGE** was born in 1835 in OH.⁶⁰ She was missing from the 1850 census; she had either died or married young.⁴³⁹

Dr. Thomas Grisell BLACKLEDGE and Susanna KENEGA married on 29 Nov 1855 in Bluffton, Wells Co, IN.^{258,260,261} They were married by the Rev. F. A. Dole. The marriage record shows Thomas' middle initial as "J." rather than "G." **Susanna KENEGA** (daughter of Samuel KENEGA and Mary VANDERSAAL) was born on 23 Dec 1829 in Shippenburgh (probably Shippensburg), Cumberland Co, PA. The Lewis/Grisell book on p. 319 says she was born on the 25th of Dec, but Heineche (written c 1869, pp. 26-38) and Biographical Annals of Cumberland Co, PA (p. 770) say it was 23 Dec 1829. She was previously married to Samuel GOUDY and then divorced him after they had a daughter Alice born on 4 Jul 1848.^{258,448} She was buried on 4 Jun 1909 in Crown Hill Cemetery, Indianapolis, Marion Co, IN.^{107,440} She died in 1909.⁴⁴⁹ Some sources spell her surname KENEGY. In her records, Wilma (Blackledge) Herreid [5:2275] gave the name as Susan Kennya. Dr. Thomas Grisell BLACKLEDGE and Susanna KENEGA had the following children:

- +430 i. **Frank Harris BLACKLEDGE**, born on 21 Nov 1857, Bluffton, Wells Co, IN⁴⁵⁰; married Mary R. ELDER, on 17 Oct 1888, Indianapolis, Marion Co, IN^{443,451}; died in Dec 1926^{440,449}.
- 431 ii. **Albert Samuel BLACKLEDGE** was born on 21 May 1859 in Dallas, Hancock Co, IL.^{16,258,260,452} That is the date reported by the sources, however, he was not listed with his parents in the 1860 census taken on 2 July 1860. Albert's death certificate states he was born on Ridge Farm in IL. Some records show him as Samuel Albert. He received, along with his brothers Frank and John, a patent for improvements in electric machines on 10 Dec 1901.⁴⁵³ "The chief novel feature of this invention is the commutator attachment." He appeared in the census in 1920 in Marion Co, IN. Albert was listed with his sister Irene and her husband Wm. W. Thornton. He died of hemorrhage from an ulcer on 10 Sep 1925 in Oxford Twp, Butler Co, OH.^{404,440,449,452} He was buried on 12 Sep 1925 in Crown Hill Cemetery, Indianapolis, Marion Co, IN.⁴⁴⁰ He was a manufacturer of catsup, canned meats, etc with his brother, John in Indianapolis, IN.²⁶⁶
- 432 iii. **John Wesley BLACKLEDGE**⁴⁴³ was born on 7 Feb 1863 in Rockville, IN.^{16,258,260} He died on 10 Oct 1937 in Cook Co, IL.^{440,449,454,455} He was buried on 13 Oct 1937 in Crown Hill Cemetery, Indianapolis, Marion Co, IN.⁴⁴⁰ He was a manufacturer of catsup, canned meats etc. with his brother, Albert, in Indianapolis, IN.^{266,447} His business address on 4 May 1920 was Blackledge Manufacturing Company, 341 East Ohio Street, Chicago, IL.

John received at least 3 patents for inventions. Two were for improvements in show cases: the first received on 11 Jun 1889 and the second on 10 Jan 1893. A

third was received, along with his brothers Frank and Albert, on 10 Dec 1901 for improvements in electric machines, such as dynamos and motors. "The chief novel feature of this invention is the commutator attachment."

He lived at 1348 Astor St in Chicago, IL after he retired.^{443,447,453} In 1920, he lived at 11 West Goethe St, Chicago, IL.

He is probably the John W. Blackledge of Chicago, IL who received patents for a combined cradle and baby jumper on 15 Jul 1902 and for a dynamo-electric machine or motor on 18 Nov 1902. According to Hobert Blackledge, it is this man to whom we are very much indebted for the mass of information collected about the Blackledge name and history, particularly in England. He spent much time in England searching old records, and establishing that "all the Blackledges originally came from near Ormskirk, in Lancashire, old England."

- +433 iv. **Irene L. BLACKLEDGE**, born on 2 Dec 1868, Franklin, Johnson Co, IN^{16,260}; married William Wheeler THORNTON, on 20 Jun 1911, Marion Co, IN^{261,456,457}; died in Oct 1942¹⁰⁷.

Mr. Hayes added a note to bottom and sent it to Davis & Wadkins (Watkins?) who may have lived around Cape Girardeau. On 5 Jan 1844, Hiram was approved by the Tenth Judicial Cir-

Their entries immediately follow Mary's parents' listing. He moved because of unhealthy conditions in Wells Co, IN to Fillmore Co, MN in 1857.^{268,469,470} In the fall of 1856, John and his family drove, with a number of other families, to IA where they spent the win-

ter near Iowa City. The next spring they started northward, and after weeks of hardship from bad roads and rainy weather, they reached the farm where John and Mary lived the rest of their lives. They lived in a log cabin 12 feet square while they broke 10 acres of land by plow. They were 68 miles from a market and the privations of the first years were very severe. The farm and its buildings became among of the finest in the region. He later married Mrs. Mary (McManus) Lucia, a widow, and had a son, Harvey L. (born 5 Nov 1878) in Preston, MN on 12 Aug 1871.⁴⁶⁹ He died on 9 Dec 1896 in Fillmore Co, MN, near Etna.^{107,266,268} He was a farmer. Mary L. They were born before Charles married Elizabeth in 1864 and no other record of them has been found. He was living with his daughter Jane and her husband John Mendenhall when the census was taken in Cedar Twp, Lee Co, IA in 1880. He was buried in White Cemetery, Van Buren Co, IA.^{575,576} A newspaper article dated 16 May 1940 about the cemetery stated that this was thought to be the oldest cemetery in Van Buren County in which white settlers are buried.²⁰³⁸ The cemetery, originally on the Mat [sic] White farm, was discovered in a clump of trees by R. E. Newcomb after he bought the farm from Vic Lee in 1939. The farm later was known as the Burr Farm. This age at death would make his birthday 11 May 1780 rather than 1784 as others sources claim.²⁰³⁸ He may be the Thomas Blackledge who removed from Richland MM, Bucks Co, PA, to Plainfield, OH on 4 Sep 1818 (see Richland Friends Monthly Meeting Birth, Death, Marriage, Removal Records).

Sterling. Based on the age at death, Alfred would have been born on 26 Apr 1825. That information is from a 1940 newspaper article.²⁰³⁸ The Iowa cemetery site shows Alfred b. 1825 and d. 3 May 1845, buried in White Cemetery, Mt. Sterling, IL, but that site also

gives the wrong death date for his father, Thomas.²⁰³

214. **John BLACKLEDGE** was born on 21 Jul 1786.^{148,303,304} He lived in Columbiana Co, OH in 1830. He died between 22 Feb 1845 and 21 Apr 1845.³¹⁰ It is probably this John Blackledge whose property in Brown Twp, Carroll Co, OH was sold by his executors Thomas Denney and Wm. Blackledge to Jacob Pottorf on 10 May 1847. John Blackledge had purchased the property from Ephraim Bowen on 1 Oct 1844 (Deed Bk. 10, p. 1). He signed a will on 22 Feb 1845. The will was proved in Carroll Co, OH on 21 April 1845. It names daughters, Hannah Hendrickson, Sarah Walace [sic], and Marty; son John Blackledge; and grandson John Lyncy Arwick. Leckey, in his book about the Tenmile Country of PA [p. 87], said that this John Blackledge went to CA during the Gold Rush. This presents a problem since gold was not discovered at Sutter's Mill in CA until 24 Jan 1848, but John died in 1845. More research is needed to solve this dilemma.

John BLACKLEDGE and Anne DENNY married.^{50,207} [second cousins] **Anne DENNY** (daughter of John DENNY Jr. and Hannah BLACKLEDGE) was born on 16 Mar 1792 in PA.^{50,97,98,206} John BLACKLEDGE and Anne DENNY had the following children:

Ann BLACKLEDGE and Robert JACKSON had the following children:

230. **Thomas BLACKLEDGE IV** was born in 1811 in PA.^{198,339} Thomas is presumed to be a son of Thomas Blackledge and Margaret Johnson since he first set up housekeeping in Knox Twp, Jefferson Co, OH, where Thomas and Margaret lived. Also, Thomas Blackledge Sr. and a Thomas Blackledge Jr. both paid personal property taxes there in 1835. He moved to Jefferson Co, OH in 1818.³³⁹ He appeared in the census in 1850 in Knox Twp, Jefferson Co, OH.⁶⁴⁵ Thomas Blackledge is listed as a farmer with real estate valued at \$4, 500. Those in the household (all Blackledges) are: Thos (45), Eliza A (40), Lemuel (17), Margaret (13), Wm (10), Leander (6), Harriet (4), Thos (2), Franklin (1/2). All were born in OH except the head of the household, Thos who was born in PA. He moved to Linn Co, IA in 1854.³³⁹ He sold property (120 acres of part of range 2, twp 8, section 7) on 7 Sep 1854 in Jefferson Co, OH.³²⁹ John Shane of Jefferson Co, OH, paid \$500 to Thomas Blackledge and Eliza Ann, his wife, of Jefferson Co, OH for this property. The property was deeded to William Campbell, Eliza Ann's father, in 1806. The deed was witnessed by D. W. Estill and John Shane and was recorded in Jefferson Co, OH on 4 Oct 1854.

He appeared in the census in 1856 in Linn Twp, Linn Co, IA.⁵⁷⁷ In this state census, the following Blackledges are found in the household of Thomas Blackledge: Thomas (45), Eliza A. (44), Lemuel (21), Margaret J. (19), Wm C. (15), Leander M. (12), Harriet M. (9), Thomas B. (8), Hamilton P. (3). Most of the ages are different from those found in the 1850 Federal Census, however, that is not uncommon in censuses. He appeared in the census in 1860 in Linn Twp, Linn Co, IA. Thomas Blackledge (50, born in PA, farmer) is found with his wife Eliza Ann (48, born in OH), and the following children: Lemuel T. (25, born in OH, farmer), Margaret J. (21, born in OH), William C. (19, born in OH), Leander (16, born in OH), Harriet M. (14, born in OH), Thomas B. (12, born in OH), and Hamilton P. (7, born in OH). Also in the household are David Pollock (22, born in OH, farmer) and James Johnson (22, born in OH, prairie broker). He appeared in the census in 1870 in Linn Twp, Linn Co, IA. Thomas Blackledge (59, born in OH, farmer with \$1000 real estate and \$1000 personal property value) is found with Jane Blackledge (38, born in OH), Lemuel (37, born in OH, farmer with \$600 personal property), Thomas (22, born in OH, farmer with \$800 personal property), Jane (34, born in OH), Hamilton (17, born in OH, works on farm). Frank Goodman (19, born in OH) is also in the household and is Thomas' second wife's son by her first marriage. The Jane who is 34 is probably Thomas' daughter Margaret J. He lived in Mt. Vernon, Linn

Co, IA in 1878.³³⁹ where he owned 150 acres and had six children living at home: Lemuel T., William C., Leander M., Thomas H., Hamilton P., and Margaret J. He appeared in the census in 1880 in Linn Twp, Linn Co, IA.⁶⁴⁶ Thomas (aged 69) is in a household with his second wife, Mary J. (49 years old). In the same house but listed under a different family number are his son Thomas (32) and family: Francis (30), Aurora (9), Thomas (4), and Allie (5/12, born in Dec.). He died when 73 years old on 4 May 1883.³⁴³ He was buried in 1883 in Linn Grove Cemetery, Linn Twp, Linn Co, IA.³⁴³ Although the cemetery book lists this burial as "Father Blackledge", the researcher assumes this is the burial for Thomas Blackledge, since it is the right age and location. Also, he is listed near his son, Lemuel T. He was a farmer.³³⁹ He is probably a son of Thomas BLACKLEDGE and Margaret JOHNSON based on his location.

Thomas BLACKLEDGE IV and Eliza Ann CAMPBELL married on 30 Aug 1832 in Jefferson Co, OH.^{240,339,340} "The History of Linn County, Iowa" says they were married 27 August 1832. **Eliza Ann CAMPBELL** (daughter of William CAMPBELL) was born about 1813 in OH.³³⁹ She died when 52 years old on 5 Jun 1865.³⁴³ Since the age and location of the "Mother Blackledge" listed in the cemetery book are right, this is assumed to refer to the death of Eliza A. Also, she is listed near her son, Lemuel T. She was buried in Linn Grove Cemetery, Linn Twp, Linn Co, IA.³⁴³ Thomas BLACKLEDGE IV and Eliza Ann CAMPBELL had the following children:

- 748 i. **Lemuel T. BLACKLEDGE** was born on 8 Oct 1832 in Steubenville, Jefferson Co, OH.^{577,645,647} He moved to IA in 1854.⁶⁴⁷ He appeared in the census in 1880 in Greenfield, Jones Co, IA. Lemuel T. Blackledge (47, single, in dry goods) was listed alone. He appeared in the census in 1885 in Martelle, Jones Co, IA.⁵⁴⁶ L. T. Blackledge (55) was listed in the household of Frank Hoffman and family. Both were dry goods merchants. He died of influenza, at age 61, with his brother, William, at his bedside on 29 Jan 1894 in Martelle, IA.^{343,647} He was buried on 31 Jan 1894 in Linn Grove Cemetery, Linn Twp, Linn Co, IA.^{343,648} He was a farmer till 1874; in 1875 became a partner in Hoffman & Blackledge general merchandise store in Martelle, IA.⁶⁴⁷ He never married.⁶⁴⁷

- 750 iii. **Margaret J. BLACKLEDGE** was born about 1837 in OH.^{577,645} She is probably the Jane Blackledge (34 years old) listed in her father's household in the census in 1870. She was called Jane, 39, single, and a housekeeper in the family of Addison Goodyson in the census in Linn Twp, Linn Co, IA in 1880.⁶⁴⁶
- +751 iv. **William C. BLACKLEDGE**, born on 11 Sep 1842, Jefferson Co, OH^{281,577,645,649}; married Martha Jane "Mattie" ADAMS, on 15 Mar 1866, Jefferson Co, OH²⁴⁰; married Ida PARMELY, on 16 Jun 1874, Cass Co, IA^{649,650}; died 27 Jun 1924, Monaca, Beaver Co, PA.²⁰³⁴.

- +756 ix. **Hamilton Pierce BLACKLEDGE**, born on 15 Sep 1852, Steubenville, Jefferson Co, OH^{577,657}; married Carrie M. SILLS, on 24 Mar 1875, Linn Co, IA³⁴².

Eliza Ann CAMPBELL: Information on parents

William CAMPBELL was born about 1769. He signed a will on 27 Nov 1851 in Jefferson Co, OH. The will was probated in Jefferson Co, OH, on 27 Apr 1852. William died about 1852. Questioning of Thomas Hamilton, who lived and worked on the Campbell place for about 9-10 years, revealed that William Campbell was 83 years old at his death, "somewhat childish but his memore [sic] was 'middling good.'" William resided at Knox Twp, Jefferson Co, OH.

Thomas BLACKLEDGE IV and Mary Jane ANDREWS married on 27 Mar 1866 in Linn Co, IA.^{339,341,342} They were married at the Session House in Marion, Marion Twp, Linn Co, and subsequently had no children. **Mary Jane ANDREWS** was born in Jul 1832 in OH.^{281,339,646} She is probably the Jane Blackledge (38, born in OH) listed with Thomas on the 1870 census. She was previously married to George W. GOODMAN who was in the Civil War and died of wounds on 16 May 1863.^{339,342,658} George Goodman was mortally injured in the Battle of Champion Hill near Vicksburg, MS. He and Mary Jane Andrews married 9 Aug 1846 in Mount Vernon, OH and had four children: Alice, Francis, George "Andrew," and Nancy Ann "Nana." Mary Jane received a widow's pension after George's death and then a pension for her children until all had reached the age of 16 in June 1873. A pension document Report No. 1823 of the 51st Congress, 1st Session of the U. S. Senate dated 30 Sep 1890 stated that she initially received "...a pension of \$96 a year, but which, even with the efforts of the mother, was wholly inadequate to the support and education of this family, and that an opportunity for marriage was offered to the widow and to a man who had some property, which was accepted and under circumstances which promised to give an opportunity to this widow to educate her children, but that shortly after this marriage the husband became a confirmed invalid and died in 1883, his property having become entirely dissipated in his illness, and she was left again a widow, and penniless, and is now in that condition, nearly sixty years of age, and unable by loss of health to earn a living, and has no one able to support her and upon whom she can call for aid in her extremity." By special act of congress, Mary Jane [Andrews] Goodman Blackledge, then living in San Diego, CA, was awarded renewal of her widow's pension, approved 15 Dec 1890. She appeared in the census in 1900 in Fresno, Fresno Co, CA. Mary J. Blackledge (67, widow, she and both parents born in OH) was living with her daughter Nana [Goodman] Saunders who was divorced. She died on 22 Dec 1905 in San Diego Co, CA.⁶⁵⁹ She was buried in Mount Hope Cemetery, San Diego, San Diego Co, CA.¹⁰⁷ Mary Jane Blackledge (1829 - 1905) shares a tombstone with her daughter Nancy Lee Mayne (1857 - 1909), a daughter by Mary's first husband, George Goodman.

231. **BLACKLEDGE** was born in OH.²⁴⁶ He is possibly a son in this family. There is no known record for this child. He is included because his (if he existed) grandson James Patterson Blackledge stated in a letter to Hobert Blackledge that his father's (Cyrus Blackledge) grandfather was Thomas Blackledge. From census records, we know that Cyrus' mother was named Martha and that she was consistently listed as a widow on those census records. However, no marriage record has been found, so it is possible that Martha was unmarried and the daughter of Thomas, in which case no male Blackledge should be entered here.

Martha was born about 1810 in Greene Co, PA.⁶⁶⁰ She appeared in the census in 1850 in Loudon Twp, Carroll Co, OH.³³³ She was 26 years old and living in the household with Margaret, Mary, Joseph, and Cyrus Blackledge; and Henry Hamilton. She appeared in the census in 1860 in Loudon Twp, Carroll Co,

OH. Martha (47 years old) was in the household with her son, Cyrus, and Margaret and Mary Blackledge. She appeared in the census in 1870 in Adams Twp, De Kalb Co, MO. Martha (60 years old) was in the household with her son, Cyrus Blackledge and his family. She appeared in the census in 1880 in Plymouth Twp, Russell Co, KS. Martha (74 years old) was again in the household with her son and was listed as being his mother and a widow. She appeared in the census in 1885 in Wamego, Pottawatomie Co, KS.⁶⁶¹ Martha (77), a widow, is found with her son, Cyrus, and his family.

Martha was either widowed very soon after marrying, or was the unwed mother of Cyrus. No marriage record nor records of other children born to her have been found. In the censuses from 1850 to 1880, she was always found in the household with her son, Cyrus. In the 1850 and 1860 censuses, they were found with her mother-in-law (or mother), Margaret (Johnson) Blackledge.

In 1864 Martha bought a house in the Slates Addition of the small town of Kilgore, Carroll Co, OH. Curiously, she sold it several months before Cyrus was discharged from the Civil War at Little Rock, AR. No record of where she lived from 1865 to 1870 was found. Where and when she died are still to be discovered. BLACKLEDGE and Martha had the following children:

- +757 i. **Cyrus BLACKLEDGE**, born on 15 Mar 1841, Amsterdam, Jefferson Co, OH⁶⁶²; married Josephine McLAUGHLIN, on 17 May 1866, Kilgore, Carroll Co, OH⁶⁶²; died on 26 Mar 1906, Rosedale, Wyandotte Co, KS^{538,663}.

232. **Elizabeth BLACKLEDGE** probably belongs in this family although no proof of that has been found. Elizabeth is listed as a probable child of Thomas Blackledge III and Margaret Johnson because she married James Hamilton and a child named Henry Hamilton is living in the household with Margaret (Johnson) Blackledge in the 1850 census. Also, a document that was signed by Mary Ann Hamilton, wife of Henry Hamilton (believed to be Elizabeth's son), found in the Civil War Pension file for Cyrus Blackledge states that she (Mary Ann) is a "cousin by marriage" to Cyrus.

Elizabeth BLACKLEDGE and James HAMILTON married on 5 Apr 1826 in Jefferson Co, OH.^{240,340} They were married by Abraham Myers, JP. Elizabeth's surname is spelled Blacklidge on the marriage record which was recorded on 6 Apr 1826. They are believed to have had a son Henry S. Hamilton, but this still needs to be proved. **James HAMILTON**. Elizabeth BLACKLEDGE and James HAMILTON had the following children:

- +758 i. **Henry S. HAMILTON**, born on 12 Oct 1835, Jefferson Co, OH⁶⁶⁴⁻⁶⁶⁶; married Mary Anne SLATES, in 1858⁶⁶⁴; died on 18 Jun 1904, Maysville, De Kalb Co, MO⁶⁶⁴⁻⁶⁶⁷.

234. **Joseph B. BLACKLEDGE** was born on 30 May 1823 in Knox Twp, Jefferson Co, OH.³⁴⁴ The 1880 census stated he was born in PA. He lived in Keene, Coshocton Co, OH about 1859.^{344,668} He stated in his Civil War pension records that he lived in Coshocton Co, OH for 5 years before his enlistment. He was found there in the 1860 census with his wife, Elizabeth, and three children, Florinda W., Margaret C., and Adlina. He appeared in the census in 1860 in Keene Twp, Coshocton Co, OH. Joseph Blackleg [sic] (34, shoemaker with \$200 value of personal estate) was listed with his wife Elizabeth (27), and daughters: Florinda A. (7), Margaret C. (4), and Adelia [sic] (1). He appeared in the census in 1880 in Canal Lewisville, Tusawaras Twp, Coshocton Co, OH. Joseph (55 years old, born in OH, father born in PA and mother in Ireland, shoemaker) was found with his wife Elisabeth (47 years old) and children all born in OH Adella (20 years old), Leander B. (18 years old, shoemaker), Loveratta A. (12 years old) and Robert C. (3 years old). He died on 20 Mar 1892 in Canal Lewisville, Coshocton Co, OH.³⁴⁴⁻³⁴⁶ Joseph's obituary published Friday 23 March 1892 said "At Canal Lewisville on last Sunday Joseph D.

Blackledge, the village shoemaker, died suddenly. He was about sixty-eight years old. Funeral services were held on Tuesday." If the item appeared on Friday 23 March, he would have died on 18 March 1892, but 20 Mar is the date entered in the record (V. 1, p. 323). He was buried on 20 Mar 1892.³⁴⁵ He served in the Civil War.³⁴⁴ Joseph B. Blackledge enlisted on 22 Sep 1862 and was discharged on 16 June 1865 at Nashville, TN. He was in Company F of the 65th Regiment of the Ohio Volunteers. Joseph applied for a pension on 23 June 1880 and his wife, Elizabeth, applied for a widow's pension on 6 April 1892. He was a shoemaker.³⁴⁴ He was described as 5' 11 3/4", light complexion, dark hair, blue eyes.³⁴⁴ Joseph is believed to be a son of Thomas Blackledge and Margaret Johnson since he is found in the household in the 1850 census. His age was given as 24 years, farmer, born in OH; this would make him born in 1826 rather than 1823, however, none of the ages given for this family in the 1850 census seem to be correct. The possibility does exist that these are two different Josephs. To further strengthen the argument that Joseph belongs in this family is the fact that in the 1880 Census Joseph stated that his parents were born in PA and Ireland, and these are the birthplaces for Thomas Blackledge and Margaret Johnson.

Showalter gave David's birth as 26 May 1811/12, OH and Beryl Hendrickson Leber said 1809. However, according to Morey Cemetery Records, David died at age 53 years, 7 months, 23 days which makes his birthdate 27 May 1811. He appeared in the census in 1850 in Eden Twp, Schuyler Co, IL. Daniel Hendrickson (39, born in OH, farmer with \$700 real estate value) was found with his wife Hannah (34, born in PA), and the following children: John (16, born in OH), Nancy A. dren:

- 939 i. **John HENDRICKSON** was born about 1834 in OH.⁷⁰² He appeared in the census in 1860 in Pleasant Vale Twp, Pike Co, IL. It is probably this John Hendrickson (26, born in OH, laborer with \$200 in real estate and \$20 in personal property) who is found just two families before his parents. John's household includes Merrill, probably his wife, (23, born in OH), and a child David (1, born in OH). More research needs to be done to prove this is a correct relationship.

335. **Sarah Anne BLACKLEDGE**³⁸³ was born on 11 Apr 1817.^{384,385} She died at age 63 years, 2 months, 21 days on 27 Jun 1880.^{384,385} The birth and death dates were found on a tombstone for a 'Sarah A. Wallace, wife of James Wallace,' who the compilers believe is this Sarah. She was buried in Morey Cemetery, Pleasant Vale Twp, Pike Co, IL.³⁸⁵ along with a niece and nephew, William M. and Bertha Wallace, and a grandson Louis M. Wallace. She is named the second daughter in her father's will.

Sarah Anne BLACKLEDGE and James WALLACE married on 29 Sep 1835 in Carroll Co, OH.^{382,383} **James WALLACE** (son of John WALLACE and Catharine STRAYER) was born on 13 Jan 1816 in Columbiana Co, OH.^{705,706} He appeared in the census in 1850 in Twp 5S 6W, Pike Co, IL.^{216,705} James Wallace (34, born in OH, farmer) was found with his wife Sarah A. (4, born in IL). Also in the household is Sophronia Foreman [not sure of spelling of surname] (12, born in OH) whose relationship is not known. James and Sarah's daughter Nancy and her family are the entries immediately following. He appeared in the census in 1880 in Pleasant Vale Twp, Pike Co, IL. His entry is on the same page as his sons George and James Wallace. James Wallace (64, born in OH, farmer) is found with his wife Sarah A. (63, born in PA) and two children whose relationship is not listed: Lola M. Fisher (15, born in IL) and John W. Alfred (3, born in IL). 336. **John BLACKLEDGE** was born on 15 Apr 1821.³⁸⁶ He lived in Carroll Co, OH (see his father's will) on 22 Feb 1845. According to John Sr.'s will, John Jr. was to inherit his father's farm, but it was sold by the executors in 1847. He moved to Pike Co, IL on 15 Nov 1847.^{390,709} He appeared in the census in 1850 in Pike Co, IL. John Blackledge (29, born in PA \$875 real estate value, farmer) was found with his wife Jemima (20, born in OH), son Thomas (2, born in IL), and son John (1, born in IL). He went to CA in 1854.⁷⁰⁹ He stayed on the west coast until returning to New Canton, IL in 1878. After remaining there for three months with Mr. Standley (his son-in-law), he went to MT. He died before 1860 in Pike Co, IL.³⁸⁸ He may be the John Blackledge who earlier married Elizabeth Allmon in 1843 in Carroll Co, OH.

It still needs to be proved that John, son of John and Anne (Denny) Blackledge is the one who married Jemima Baughman and had the descendants included in this book. He has been placed here based on the fact that he is found in the 1850 census in the same part of Pike Co, IL as his sisters Sarah, and Martha. John disappears from the record after that census, but to further strengthen the position that he belongs in this family, is the fact that his son Thomas appears in the 1860 census in the household of a cousin, Nancy Wallace and her husband William F. Fisher. Nancy is the daughter of John's sister Sarah whose 1860 census entry immediately precedes the family of her daughter Nancy.

He may be the John Blackledge who appears on the 1880 in Sheldon, O'Brien Co, IA and in 1885, 1895, and 1900 censuses in Cherokee Twp, Cherokee Co, IA.

1880 - John Blackledge (70, widower, born in PA, both parents born in PA, laborer) was a boarder in the household of George M. Kelley (34, born in WI, laborer) and his wife Ella M. Kelley (26, born in PA,

both parents born in PA).

1885 - John (74) was living on Maple Street.

1895 - John Blackledge was 85 and born in PA.

1900 - John Blackledge (90, born in OH) was an inmate in the Cherokee [IA] County Poor Farm. This John Blackledge was buried in Cherokee Co, IA on 22 Dec 1904.

Even though these census records indicate he was born about 1810 which is about 11 years earlier than the John Blackledge of this entry, he is the most likely John, that the compilers know, to have gone to IA.

John BLACKLEDGE and Jemima BAUGHMAN married in 1848 in Carroll Co, OH.³⁸⁷ **Jemima BAUGHMAN** was born on 4 Aug 1830.³⁸⁶ She later married Hiram H. Smith in Pike Co, IL and had 3 children : 2 sons and 1 daughter on 8 Oct 1863.^{388,391,710} She appeared in the census in 1900 in Atlas Twp, Pike Co, IL. Jemima Smith (69, born in OH in Aug 1830, widow, gave birth to seven children with only one still living) was found in the household of her son-in-law and daughter George and Cornelia (Blackledge) Standley. She appeared in the census in 1910 in Atlas Twp, Pike Co, IL. Jemima Smith (79, born in OH, widow, gave birth to six children with one still living) was living with her widowed daughter Cornelia Stanley [sic]. She died on 12 Jun 1912 in IL.^{388,710} She has not yet been found in the 1860 census. Her name was spelled "Brughmen" on her marriage record in Carroll County, Ohio. John BLACKLEDGE and Jemima BAUGHMAN had the following children:

Daniel Wallace (29, born in MA, farmer, \$100 real estate value) was found with his wife Martha (25, born in OH), daughter Sarah (5 months, born in IL), and a James Wallace (61, born in VA). If James Wallace is Daniel's father, then Daniel and the James Wallace who married Martha's sister Sarah are not siblings. He died on 23 Apr 1873 in Pike Co, IL.^{389,706} He was buried in Old Barry Cemetery, Pike Co, IL.⁷⁰⁶ Martha BLACKLEDGE and Daniel WALLACE had the following children:

Ella Hendrickson sent the following story written about the Amos Wilson family by Sarah's sister Mary Wilson Smith:

"The year following the families arrival from Ohio, the new house was built. Two of the workmen on the job later married the two older Wilson daughters: Isaac Howard married Rebecca, and Israel Blackledge, Sarah. The fall of 1857 a scourge of Typhoid Fever struck the community. Israel and the Wilson's sixteen year old daughter, Laura, both died. Oliver was very ill but recovered. The parents took Sarah and her posthumous son, Robert, into the family home. Later, Sarah married William Fell of Bureau County, but within a year she passed away, leaving an infant namesake, who also found a home and loving care at Grandfathers." Blackledge is found in the Lewis and Grisell book (pp. 390-391)

"...I was a little past two yrs of age when my parents moved to Jasper County, Iowa. At the age of nineteen I decided to go to Indiana and did so, remaining there about five months. After returning to Iowa I attended Hazel Dell Academy at Newton, Jasper County, and three years later returned to Indiana where I studied one year in preparation for my medical course. At the end of that year I went to Philadelphia and entered the Penn Medical College. After the first year's work there, in which I kept myself on very limited means, I returned to Indiana. The following spring I was married to Miss Amanda Brown, whom I had met and become acquainted with during my first trip to Jay County, Indiana. In the fall we returned to Philadelphia, where I continued my studies and received my degree of M. D. in 1879. Then in company with my wife and baby, Theo B., we located in Newton, Jasper County, Iowa, and it was there that we met with our first great sorrow, the death of little Theo. Soon after we went to Indiana and located in Pennville, Jay County, where we lived twenty years, being engaged most of the time in the practice of our profession. In 1888-89, I attended the Indiana Dental College of Indianapolis, from which I received the degree of D.D.S.

"Subsequently Mrs. Blackledge's health being very poor I took her to Colorado, where we spent six weeks. We then returned home and a few years later I sold my property and in company with my family started, August 29, 1899, on a trip thru the west, with the expectation of locating permanently. We stopped in Coquille, Coos County, Oregon, remaining there about five weeks. We started to Pomona, California; after arriving in San Francisco we took the boat the rest of the way and during our voyage had the pleasure of seeing over fifty whales. We located in Pomona where I practiced medicine until the spring of 1900 when we removed to Long Beach. A little later I accepted an opening in the oil location at Piru, where we reside at present time, being engaged in the practice of my profession.

"Mrs. Blackledge's mother is of Irish and her father of English and Scotch descent.

"Mr. and Mrs. Blackledge are Liberalists in their religious views. He was President of the Indiana State Association of Spiritualists one year and has often conducted Spiritualist and Liberalist funerals. He is a very active and successful business man, and Mrs. Blackledge is a woman of superior natural abilities. Although of delicate constitution, by strong will and indomitable energy, she has overcome many

obstacles and gained much success in her profession."

Dr. Blackledge was made a Mason in Pennville, IN, and is demitted. He also was made a member of the Knights of Pythias, of which he was a chancellor and representative to the Grand Lodge. He was also associated with the Woodmen of the World. He also had taken an interest in oil wells, drilling twenty-two wells in Pennville, some of which were excellent producers. Elisha also is credited with inventing the talking telephone but did not receive any benefits from it since Bell had already cleverly included that device in his application for a telegraph patent. This interesting autobiography was contributed to the Lewis and Grisell book by Owen S. Blackledge:

"Owen S. Blackledge was raised on a farm in Buena Vista Township, about nine miles from Newton, the county seat of Jasper County, Iowa. During the winter months, he attended school at Buncombe District, No. 9, and by diligent application to his studies and close reading in the summer he secured a common school education, having graduated from the country schools in 1886. He then rented his father's farm for two years and in the winter attended Hazel Dell academy. In 1890-91 he attended Dexter Normal College at Dexter, Iowa, where he took quite an interest in politics, being about the only 'greenbacker' in school.

"For several years he was compositor and reporter for two or more newspapers in Newton and in the spring of 1893 went to Jay County, Indiana, where he and Ed. Murtha edited the 'Inlander' at Portland, Indiana. This was a People's Party sheet. They continued it for about three months for a stock company and failing to meet expenses, gave it up.

"Owing to poor health he returned to Newton, Iowa, where he was dangerously ill for several weeks but finally rallied and the next spring rented a part of his father's farm in hopes of benefiting his health thereby. The following winter he was employed by Engle & Burney, editors of the Newton Herald.

"Owen S. and his father, Jason R. Blackledge, carried on a new and second hand store in Newton until the latter's health failed when they sold out and Owen returned to farm work in which he continued until the fall of 1898. Then in company with his father, mother and sister-in-law, Atlantic Blackledge, went on a visit to Jay County, Indiana. Atlantic returned to Iowa the same fall but the others remained until May 1, of the following year. Owen S. then accepted a position on a farm near Newton where he worked until his father's health failing, he returned home and helped care for him until his death. The following September he and his mother went to Denver, Colorado, where they remained several months, returning home in the spring of 1902.

"Mr. Blackledge is not a member of any denomination but believes in true religion, in doing right to his fellowmen, and is a firm believer in true Spiritualism. He is strictly temperate, never having drank liquors or used tobacco in any form. Politically he was a Bryan Democrat, having voted for Bryan twice,

but at the present time, seeing so much of the evils of intemperance, while still a Bryan Democrat, he believes that the liquor evil is a greater issue than the principle of Bryanism. He is determined to cast his influence and vote to that party pledged to the destruction of the accursed [sic] rum traffic."

He may be the Uriah Teegarden who was fostered or adopted by Levi and Barbara (Rofelty) Blackledge. The following paragraphs are taken from Ten Generations of Teegardens, A Genealogy:

"In 1842, Uriah bought the land where Levi Blackledge had built his mill. The property consisted of 68 acres on the middle fork of Little Beaver Creek. Since Uriah was a farmer and also a millwright, he continued the use of the property and became the first postmaster after Teegarden Station was established.

"Some signs of the mill race, the old mill stones, and the old spring were still visible a century later. A covered bridge across Beaver Creek at the site of the mill is an inspiration for artists in the 1960's. The citizens of Salem had long enjoyed this quiet beauty spot and many were interested in acquiring the land for a park site. This was accomplished in 1962...

A terrible accident resulting in the death of L. M. Blackledge occurred at Imbler Friday of last week. The owner, who was standing directly in front of the wagon tongue, grabbed them by the bits and with a lunge the horses sprang forward knocking him down. The wagon passed over him crushing his ribs. Hamilton (27 years old) was found with his wife Carrie (27 years old), and children Ethel (2 years old) and Earl (6 months old). He appeared in the census in 1885 in Clay, Wayne Co, IA.⁵⁴⁶ H. P. Blackledge (32, farmer) was listed with his wife C. B. [sic] (32), daughter Ethel (7), son Earl (4), and daughter Bessie (1). He appeared in the census in 1895 in Clinton, Clinton Co, IA.⁵¹⁸ On this Iowa State Census, Hamilton (42, born in OH)

is found with his wife Carrie (42, born in IL) and children Ethel (17, born in NE), Earl (15, born in NE), Bessie (12 born in Wayne Co, IA), Ula (6, born in Clinton Co, IA), and Bede [probably was said as B. D. and heard as Bede] (0, born in Clinton Co, IA). He moved with his family to St. Louis, MO in 1898.⁴⁹² It is assumed that Hamilton came with his family in the fall of 1898 since Bessie's [It still needs to be proved that this is his daughter] death certificate from Jan 1899 indicated she had lived in St. Louis for 3 months. He appeared in the census in 1910 in Omaha, Douglas Co, NE. Hamilton Blackledge (57, born in OH, married one time for 35 years, traveling salesman) was found with his wife Carrie B. (57, born in IL, gave birth to six children with four still living) and his son Berle D. (16, born in IA, single, clerk for "Headquarters"). He appeared in the census in 1920 in Des Moines, Polk Co, IA. An H. P. Blackledge (60 years old, a widow, and real estate dealer) was found living in a rooming house. He is presumed to be Hamilton Pierce Blackledge.

Hamilton Pierce BLACKLEDGE and Carrie M. SILLS married on 24 Mar 1875 in Linn Co, IA.³⁴² **Carrie M. SILLS** was born about 1853 in IL.^{247,518} She died in 1913.¹⁰⁷ She was buried in Forest Lawn Memorial Park, Omaha, Douglas Co, NE.^{107,991} Carrie was interred on 5 Mar 1913. She was listed as Carrie Messinger on her son Earl's death record.³⁹⁹ Hamilton Pierce BLACKLEDGE and Carrie M. SILLS had the following children:

- 1602 i. **Ethel BLACKLEDGE** was born in Oct 1876 in NE.^{247,281,518} She is probably the Ethel Blackledge (23, stenographer) rooming with Anna Dallas (62) in the census in Tipton, Center Twp, Cedar Co, IA in 1900. She is probably the Ethel P. Blackledge who died and was buried in Forest Lawn Memorial Park, Omaha, Douglas Co, NE in 1906.^{107,991} Ethel's mother is interred in the same cemetery.
- +1603 ii. **Earl Leon BLACKLEDGE**, born on 29 Nov 1879, Saline, NE^{247,399,518,551}; married Mary Lillian Davis PASKEL, in Apr 1907, NE, in the Omaha area^{508,992}; died on 10 Jun 1929, Chicago, Cook Co, IL⁴⁵⁵.
- 1604 iii. **Bessie E. BLACKLEDGE** was born on 30 Jan 1885 or 31 Jan 1885 in Wayne Co, IA.⁵¹⁸ It needs to be proved that the information given is for this Bessie Blackledge. She died at age 13 years 11 month 7 days of typhoid fever on 7 Jan 1899 in St. Louis, MO.^{492,993} The St. Louis Death Record indicated she died on the 6th, but her death certificate said the 7th.
- +1605 iv. **Ula BLACKLEDGE**, born about 1888, Clinton Co, IA^{518,692}; married Ora Richard PATTERSON, about 1906⁶⁹²; married Harvey Lee FORAN⁶⁵⁷.
- +1606 v. **Berle Donald BLACKLEDGE**, born on 7 Mar 1893, Clinton, Clinton Co, IA^{551,994,995}; married Frances May RANKINS, on 15 Sep 1915^{692,994,995}; died on 14 Apr 1945, Illinois Central Hospital, Chicago, Cook Co, IL⁹⁹⁵.
- 1607 vi. **William BLACKLEDGE** lived in VA or PA.⁶⁵⁷ He may be the brother, rather than son, of Hamilton Pierce BLACKLEDGE.
- +1608 vii. **<daughter #2> BLACKLEDGE**, married Arthur C. MOORE⁶⁵⁷.

757. **Cyrus BLACKLEDGE** was born on 15 Mar 1841 in Amsterdam, Jefferson Co, OH.⁶⁶² In another document in Cyrus's Civil War Pension File, 9 Mar 1842 was given as his birthdate. He appeared in the census from 1850 to 1860 in Loudon Twp, Carroll Co, OH.^{332,333} In the 1850 Census, Cyrus was listed as 12 years old, born in OH and was living in a household with his grandmother (Margaret), mother (Martha) and Mary and Joseph Blackledge and Henry Hamilton. In 1860, Cyrus (20 years old) was found with Martha (47 years), Margaret (86 years), and Mary (50 years). Mary's relationship in the family is still not known. He was described as 5'10", blue eyes, brown hair, fair complexion, farmer on 13 Jul 1864 in Columbus, OH.⁶⁶² This description was written by Maj. John Skiles upon Cyrus's reenlistment. He moved

to MO from OH about Jan 1870.^{660,996} His son, James Patterson Blackledge, was 1 1/2 years old when they went to MO. Cyrus (farmer, 28 years old) was found in the Stewartsville area, Adams Twp, DeKalb Co, MO in the 1870 Census, having personal property valued at \$400. He was there with his wife, Josephine, two children, Laura (3 years old) and James (2 years old), and his mother, Martha (60 years old). He bought property on 15 Dec 1873 in Adams Twp, De Kalb Co, MO.⁹⁹⁷ Cyrus bought 40 acres of the SE Qtr of the NE qtr of section 29 twp 59 range 30. He paid \$850.00 for the property to Nelson Spear and Sarah Spear, his wife. This deed was recorded in De Kalb Co, MO, on 15 Dec 1873. He sold property on 23 Nov 1876 in Adams Twp, De Kalb Co, MO.⁹⁹⁷ Cyrus Blackledge and Josephine, his wife, sold the 40 acre tract in the SE Qtr of the NE Qtr of section 29 twp 59 range 30 to B. F. Meek for \$500.00, losing \$350.00 on the deal. An 1877 De Kalb County Plat Book still shows C. Blackledge as owning this tract which was adjacent to land owned by B. F. Meek, D. H. Meek, Wm. L. Meek, and Wm. T. Gardner.

He lived in Plymouth Twp, Russell Co, KS on 12 Jun 1880.²⁴⁷ Cyrus and his family were found in this location during the 1880 Federal Census. A search of deeds and tax records around that time frame did not reveal any other evidence that Cyrus lived in Russell Co, KS. No other evidence to support their residing there could be found. Plymouth Twp is located in the Southeastern part of Russell Co and is largely farmland. The researcher was told by Russell County Historical Society members that the 1880s were particularly difficult for farmers because of drought. Of the people who came to the county at that time, some stayed, some went further westward, and a few went back eastward. The 1880 census entry for Cyrus Blackledge and his family is found on page 17, dwelling number 151, and family number 156, and reads as follows:

Names	Color	Sex	Age	Relationship to Head	Marital Status	Occupation	Birth-Place	BP of Father	BP of Mother
Blackledge, Cyrus	W	M	40		M	Farming	Ohio	Ohio	PA
" Josephine	W	F	33	wife	M	KeepingHouse	PA	PA	PA

" Ben F.	W	M	4	Son			MO	OH	PA
" Albert	W	M	11/12				MO	OH	PA

In addition, it was noted that Albert was born in July and under the "Remarks" column for Laura B., James P. and Fred E., was written "attended school."

He lived in Wamego, Pottawatomie Co, KS from 19 Mar 1884 to 19 May 1890.⁹⁹⁸ On 19 March 1884, Cyrus Blackledge purchased, for \$300.00, Lot #765 in Wamego from Benjamin M. Johnson and his wife, Sarah. On 19 May 1890, Cyrus Blackledge and his wife, Josephine, of Wamego sold Lot #765 in Wamego for \$250.00 to William Helm of Belvue, Pottawatomie Co, KS. He appeared in the census in 1885 in Wamego, Pottawatomie Co, KS.⁶⁶¹ Cyrus (43), laborer, was found with his wife Josephine (38); children Laura (18), James P. (16), Fred E. (14), B. F. (9), W. A. (5), and Jesse C. (1); and mother Martha (77), a widow.

He lived in Liberty Twp, Gridley, Coffey Co, KS on 3 Jun 1891.^{662,999,1000} Cyrus listed his post office as Gridley, Liberty Twp, Coffey Co, KS on one of his Civil War Pension documents dated 3 June 1891. He was not found in the index to deeds, nor on the Real Estate Tax rolls in Coffey Co. However, he paid personal property taxes in Liberty Twp, Coffey Co, in 1891 (\$3.38 paid for property valued at \$118), in 1892 (\$3.86 paid for property valued at \$132), and in 1893 (\$6.79 paid for property valued at \$240). In addition, three of his children (Ben, William [listed as Willie in 1892], and Jessie) were found on the Gillett School roll (now called Washington School) in District #25, Liberty Twp, Coffey Co, KS. School

district #25 is located in the Northwest quarter of Liberty Twp and is all farmland. Although the town of Gridley is not in that school district, it is the closest town and is then where Cyrus would have received his mail. Cyrus probably rented farmland while living in Coffey Co, KS.

He lived at 2311 Penn St in Kansas City, Jackson Co, MO from 9 May 1900 to 24 Feb 1902.⁶⁶² Cyrus may have lived at that residence longer, but these are the only documented dates we have. He appeared in the census in 1900 in Plattsburg, Clinton Co, MO. Cyrus' name is partially written over, but appears to be Sr__s Blackledge (59, born Mar 1841 in OH, married 34 years, day laborer) is listed with his wife Josephine (53, born Oct 1846 in PA, married 34 years). Also in the household is their granddaughter Josephine Blackledge (2, born Dec 1847 in MO) who is the daughter of Frederick Essic Blackledge.

He lived at 536 Indianola Av in Rosedale, Wyandotte Co, KS from 23 Jul 1904 to 1906.⁶⁶² (death certificate #331, burial permit #197). He appeared in the census in 1905 in Rosedale, Wyandotte Co, KS.¹⁰⁰¹ In this Kansas State Census, the entry for House #118 (being rented) and Family #126 is as follows:

Names	Sex	Birth- place	Where From to Kansas	Occupation	Discharge Status	Military Service
Cyrus Blackledge	M	OH	MO	Laborer	Hon.Dischgd.	Oh Co.D 80th I.
Josephine "	F	PA	MO			
Wm "	M	MO	MO	Oiler in flour mill		
Josephine "	F	MO	MO			

It is believed that the second Josephine listed is the daughter of Cyrus and Josephine's son, Fred. No ages were recorded on this census to help determine if that is correct.

He died of carcinoma at 65 years of age on 26 Mar 1906 in Rosedale, Wyandotte Co, KS.^{538,663} He was buried on 27 Mar 1906 in Mount Washington Cemetery, Independence, MO.^{477,663,1002} The funeral was held out of his home at 536 Indianola, Rosedale, Kansas at 2 p.m. He is buried in the North 1/2, Lot #204, Block #1 of the cemetery. The tombstone reads as follows:

EDWARD W. SANDERS

The three Sanders' children are children of Cyrus and Josephine's daughter, Laura B. Blackledge Sanders.

He was a member of Anchor Lodge #125 of the Ancient Order of United Workmen in 1906.⁶⁶² An affidavit by J. H. Fowkes, aged 52 years, of Wamego, KS, stated that Cyrus Blackledge was a member in good standing of Anchor Lodge #125 and "that at the time of the death of the said Cyrus Blackledge he

was carrying a life insurance policy is[sic] the said order for \$2000 under which policy his wife Josephine Blackledge was the Beneficiary and that the amount of the said policy, \$2000, was paid by the affiant to Josephine Blackledge the beneficiary under said policy on the 23rd day of April A.D.1906." He served in the Civil War.⁶⁶² Cyrus Blackledge was mustered into Co. D, 80th Ohio Infantry, at Kilgore, Carroll Co, OH, on 27 Nov 1861. In Dec of 1862 he was detailed to the Pioneer Corps. His March-April 1863 muster card shows he was stationed near Vicksburg, MS. He was sent to the hospital at Eastport, AL on 31 October 1863. He was mustered out on 28 Mar 1864. Another record stated that in March-June 1864 he was sick at home in OH on furlough. He re enlisted as a veteran on 29 Mar 1864 and was finally mustered out at Little Rock, AR on 13 August 1865. Most of his muster cards list his service as a teamster, however, he was detailed to the Pioneer Corps for a period of time. Cyrus applied for a pension on 3 June 1891 and his wife, Josephine, applied for a widow's pension on 31 Mar 1906.

Records of the Adjutant General's Office, Box #2765, carded medical records, National Archives state that Cyrus was admitted to the 80th Ohio Infantry regimental hospital 31 Oct 1863 for chronic intermittent fever. On the same day he was sent to the USA General Hospital, Mound City, IL. He was admitted there on 3 Dec 1863 and discharged 11 March 1864. The listed complaint was "disease of lungs". On 24 Jan 1865 he was again admitted to the 80th Ohio Infantry regimental hospital, this time for rheumatism. On 21 July 1865 and 12 August 1865 he was again admitted to the regimental hospital for intermittent fever.

Internet information "Ohio Civil War Infantry", states that the 80th Ohio Infantry was "organized in December, 1861, under Colonel E. R. Eckley, it left Ohio for the field in February, 1862. In April it joined Halleck's army in front of Corinth and after the evacuation operated in Northern MS, taking part in the battle of Iuka, MS [20 Sep 1862], where it lost 45 men. It took a prominent part afterwards in the battle of [sic] Corinth, losing heavily, and joined Grant's movement into MS. In March, 1863, the Regiment moved down the Mississippi River, marching with Grant's forces in the rear of Vicksburg, fighting at Port Gibson, Raymond and Jackson; and during the siege at Jackson it lost 90 men. In November it marched across the country from Memphis in time to assault Mission Ridge, where it lost nearly 100 men. In January, 1864, the men re-enlisted and went to OH in April, and in June joined Sherman's Atlanta campaign. The Regiment was stationed at Resaca when Hood's forces invested the place, and demanded its surrender, which was refused. The 80th marched to the sea with Sherman, through the Carolinas, then to Richmond, Washington, Louisville, and to Little Rock, AR, where it was mustered out August 15, 1865."

Excerpts from a journal (possessed by Keith Blackledge before his death in 2010) kept by Rev. James Patterson Blackledge, oldest son of Cyrus, of a trip to Florida in June and July of 1934, stated that Cyrus had been in the battles of Resaca (GA) and Stone River (TN) where James visited during his trip.

He was listed as J. Cyrus in the bible that belonged to his wife Josephine.¹⁰⁰³

Cyrus BLACKLEDGE and Josephine McLAUGHLIN married on 17 May 1866 in Kilgore, Carroll Co, OH.⁶⁶² **Josephine McLAUGHLIN** (daughter of James Patterson McLAUGHLIN and Mary WHITE) was born on 8 Oct 1846 in Washington Co, PA.⁶⁶² She lived at 3309 Penn St in Kansas City, MO on 2 Jun 1907.¹⁰⁰⁴ She died of pneumonia, aged 81 years 4 months 1 day, at the home of her granddaughter, Mrs. Doss Payton, on 9 Feb 1928 in Ethel, MO.^{662,1005-1007} She was buried on 13 Feb 1928 in Mount Washington Cemetery, Independence, MO.^{477,1005,1007} She is buried in the North 1/2, Lot #204, Block 1. Burial was out of the Gates Chapel, Kansas City, KS at 10:30 a.m. She shares a tombstone with her husband, Cyrus Blackledge, and three of her grandchildren. She was described as a slight and straight-laced, pleasant lady with a twinkle in her eye and red hair.¹⁰⁰⁸ This description was related to Walter M. Keith by his Aunt Grace. Margaret Emma Scott Glenn, granddaughter of Josephine's sister, recalled in 1999, that "Aunt Jo" was a "tiny little thing" whereas her sister Elizabeth was "real tall and skinny" (E-mail from Connie Smith on 5/18/99). She had given birth to 8 children with 5 still living in 1910.¹⁰⁰⁹ After the death of her husband, Cyrus, Josephine lived with her children and grandchildren at various times. She had a small pension as a Civil War Veteran's widow, and was able to ride on the trains since her son, Benjamin, was a railroad engineer. In 1910, she was living with her son, Fred, in Rosedale, KS (1910 Census and recollections from Dorothy Blackledge Kellogg). Cyrus BLACKLEDGE and Josephine

McLAUGHLIN had the following children:

However, his nephew Benjamin wrote in his diary that Jesse died on the Hamilton ranch about 30 miles south of Craig, CO, and that James Patterson Blackledge went out to Craig to bring his body back to Kansas City. He was buried in Mount Washington Cemetery, Independence, MO.¹⁰⁰⁴ (in the North 1/2, Lot #204, Block 1). He was never married and had no issue.

He served in the Civil War.¹⁰³⁰ Henry was with the U.S. Army, Co.B, 80th Ohio Infantry.

Henry S. HAMILTON and Mary Anne SLATES married in 1858.^{664,665} Henry's obituary states he was married in 1860. **Mary Anne SLATES** (daughter of Conrad SLATES and Hannah FUNK) was born on 14 Nov 1840 in Carroll Co, OH.^{662,664,666} The Hamilton/Beeson book said she was born on the 19th. She appeared in the census in 1910 in DeKalb Co, MO. Mary A. Hamilton (69, widow, own income) was living with her daughter Lizzie (26, single, saleslady in a milliner store). He was buried on 3 Apr 1946 in Gum Cemetery, Naylor, Ripley Co, MO.^{107,413,730} Memories of Charles Edwin Blackledge and Arabella Haynes by Lois Blackledge Tucker:

"My parents and grandparents lived in the same house, but in a separate part of the house, I was born and raised here as well as my 3 sisters.

For some reason, I remember more about their living setup than I do about them as individuals. Their kitchen was across the back of the house, and the cupboard with glass doors at top was at the NE corner of the room. Grandma kept cookies in the bottom part of the cupboard in metal cookie cans. I slipped cookies out sometimes. They ate at a large table. There were open shelves along west wall and north of the back door. The bath was not put in until several years later, a partition was put in for the bath. There was a small wood cook stove where mama now has her range. There was a kitchen cupboard with a flour bin along the south wall at the east corner. There was a large work table along the east wall, where mama's table now is.

I remember grandma as being a good cook - the fruit butters, peach, apple, gooseberry. Also home made light bread. They ate light suppers, quite often bread and milk. She made firm butter when other women couldn't because she took time to work the water out, and they had a cellar to keep it cool.

I remember her bureau. One drawer had a few pretty things I liked to handle and look at. She was a proud person in her work and appearance, and was clean.

I remember her getting mail from Ohio relatives, she seemed close to them. Sometimes we got boxes of clothes from these relatives, mostly heavy wool clothes and mama would remake into clothes for us. I guess we were the poor Missouri relatives.

I remember grandma going to church with us at Naylor. Other than that she and grandpa went to town

in wagon occasionally for groceries, nearly always would buy crackers and peanut butter as well as other things. Grandpa liked to go to town on Saturday afternoon for a visit. This was before they got too old.

I remember grandma reading scripture at the prayer meeting, held at the old church that faced the main street going through Naylor. I thought she read too long and took up too much time. I remember her reading the Bible by lamplight after Grandma had gone to bed. She had arthritis quite bad, and in later years became quite stooped. I believe her head actually touched her waist.

When she died, it was real easy for her, no struggle. She died at home with no tubes, etc. She looked nice in casket, she wanted to be dressed nice when put away. I remember her referring to it. I don't remember her personality as to her being quiet or a big talker, whether she was reserved or showed her emotions. There was lots of flowers at her funeral, it was on Sunday, and a large crowd.

I remember grandpa as being quiet, but yet he liked to visit with men. I liked to listen to him talk about life in Ohio, his relatives, etc. Sure wish I had made notes, he liked sweet potatoes, peanut butter, the heart of watermelons. He didn't like cornbread, said he got burned out on it during the war, when they ate it 3 times a day. (In talking to my sister-in-law, Edna Pennington, she told me this was the first world war, her parents and family had white biscuits on Sunday morning only, this was when she learned to like cornbread, she told me).

I remember we occasionally had oyster soup and all of us ate together in grandmas kitchen.

When grandpa got old, he sat in big room with sheep lined coat on. We wondered how he could keep it on in warm room, I suppose his circulation was poor. He wasn't as clean as grandma. As I knew him he always had a long beard. Mama told me that she never knew grandpa to get mad about anything - he was even tempered.

I felt bad, or deeply regretted that we left him out of our conversation when he was old but yet mentally alert. I didn't even tell him about my wedding. He was easy to live with, considerate, and a good man. It seemed we were so busy and had no time for him, yet didn't mistreat him. He died April 1, 1946, exactly one year after I married. His funeral was during the week, Paul my husband had an auction and couldn't be with me. Not many people there, and not many flowers. The funeral was at church. I remember I looked at him in casket and said "he was a good man".

With grandma, her mind was so bad that I didn't feel quite the same. I loved her and was always proud of her. I know my parents had a very difficult time in caring for them the last few years, and I feel they done the best they could. Their youngest daughter was born in June 1945, Mama had lots of health problems. Grandma's mind was bad. She didn't know grandpa, and there was so much work on the farm, I'm sure mama and daddy both were under as heavy a load as they could bear. Then too, the baby cried a lot, was difficult to find the right formula for awhile. Grandma died March 27, 1947."

Information from Lois (Blackledge) Tucker, "Family Chart Sent me by George Blackledge", stated that Robert Israel was born after his father's death. His obit stated he was born in 1856, but other records say 1857. He lived in Saline Co, KS on 21 Jan 1880.^{329,1120} Mrs. Lois Blackledge Tucker said he lived in Salina, KS, "at one time and was the son of Robert H." However, he appears to have been a grandson, rather than son of Robert H. Blackledge. He sold 2 tracts of land in Jefferson Co, OH on 21 Jan 1880. Aaron Blackledge of Jefferson Co, OH, paid \$1,333.33 to Robert I. Blackledge and Margaret, his wife, of Saline Co, KS for 2 tracts of land: (1) 100 acres of range 3, twp 7, section 30; (2) 12+ acres of range 3, twp 7, section 36. Robert I. Blackledge (34, 13 years of common school) and their son Amos H. (6, attended public school for 4 months, born in IL) were listed on this state census. Robert had been in IA for 10 years, Nellie for 34, and Amos for 6. He appeared in the census in 1920 in Dallas Twp, New Market, Taylor Co, IA. Poor handwriting on this census makes it difficult to read and easy to mistake his name for Rabul, but close scrutiny shows the entry to be Robert I. Blackledge (62 years old, born in IL, both parents born in OH, optician) found with his wife Nellie (38 years old, born in IA) and sons Amos H. (10 years old, born in IA) and Eldon (5 years old, born in IA). There is another entry of interest in Nodaway Twp, Page Co, IA, Iowa Hospital for the Insane which was enumerated three weeks earlier for Robert I. Blackledge (61, born in IL, married, hospital attendant). Is this also Robert Israel at work? He appeared in the census in 1925 in New Market, Taylor Co, IA.⁵⁰⁹ Robert I. Blackledge (67) was listed with his wife Nellie V. (44), and sons Amos H. (15) and Delbert E. (10). Robert had completed 4 years of school, Nellie 5, Amos 7, and Delbert 2 years. 1009. **Asa BLACKLEDGE** was born on 27 Sep 1854 in Camden, Penn Twp, Jay Co, IN.^{418,742} He was a harness maker and shoe-repairer in 1900 in Alma, NE.¹¹²⁸ He appeared in the census in 1930 in Denver, Denver Co, CO. Asa Blackledge (75, born in IN, married at age 37, renting at \$45 per month, no occupation) is found with his wife Della (66, born in IL, married at age 28), and daughter Edna (35, born in NE, single, no occupation). He died on 20 Nov 1930 in NE, near Wauneta.⁴²⁰ He was buried in Wauneta Cemetery, Chase Co, NE.¹¹²⁹ He lived in Jay Co, IN and Monroe Co, OH.¹¹³⁰ In 1863 he moved with his parents to a farm near Jerusalem, OH.

Asa was afflicted, when a young man, with loss of hearing which he accepted with cheerful fortitude. He turned to his family and to books for compensation; his children were the richer for his companionship.

Asa learned his father's trade of harness and shoe maker while young, and also received a good education. At the age of 19 he began teaching. At age 21 he went to Jay Co, IN to teach for three and one-half years. Taking advantage of low-fare railroad transportation being offered by railroad companies to promote western migration and settlement at that time, he moved to Franklin Co, NE in 1880 and served as deputy postmaster for two years. The rest of his family moved to NE in 1881, and the family set up a harness and shoe shop, which they continued until 1888. Asa then farmed near Bloomington until 1900, after which he moved to Alma, NE, and again opened a harness shop.

Asa continued in good health until 1927 when he had a severe attack of heart and liver trouble, and it was thought best to sell the business and home at Alma. He moved to Denver in 1927 to be with daughter Edna, and then to Wauneta, NE in July 1930 to be with his daughter Ora, where he lived for the last few months until his death.

Asa used to tell of assisting [his grandfather, Hervey Lewis] in taking fugitive slaves from one home or hiding place to another. (Sources: Lewis & Grisell book, p. 226; family information supplied by Edna F. Blackledge to David Blackledge; Hobert Blackledge's unpublished manuscript)

Lewis (H.) Blackledge [1013] in his Culbertson, NE law office, c. 1895

He moved to NE from OH by railroad with his parents and sister, Anna, in Mar 1881.⁷³⁹ He graduated in Jun 1888 from high school at Bloomington, NE.¹¹⁴ Lewis read law as a high school student under the firm of Shephard & Black and was admitted to the bar Dec 5, 1887, before he graduated from high school. Bloomington had one of the first high schools in that region. He appeared in the census in 1930 in Hastings, Adams Co, NE. Lewis H. Blackledge (62, married the first time at age 23, lawyer, district judge) was shown with his second wife Matilda A. (62, married at age 55). He died on 11 Aug 1950 in Kearney, NE.⁷⁴⁸ He was buried on 15 Aug 1950 in Red Cloud Cemetery, Red Cloud, Webster Co, NE (Block 4, Lot 39, Space 5).²⁰⁴⁴

The following was taken from articles in the Hastings (NE) Daily Tribune, dated Thursday, February 1, 1940, and Friday, Dec 6, 1940: Lewis stated that he "adopted" the 'H', as he was born Lewis Blackledge. Family moved from Ohio to Bloomington NE

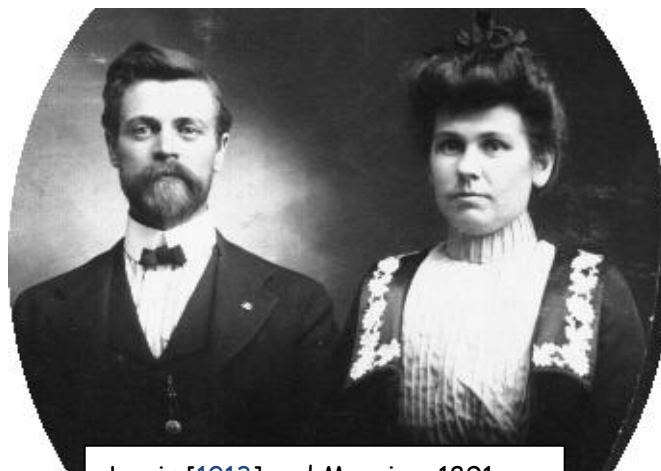

on March 2, 1881, and he attended school in Bloomington. Moved to McCook, NE, in Dec 1888. He taught school for a few months and then became associated with the law office of J. Byron Jennings until March 1890, when he formed a partnership with M. M. House at Culbertson. Their law firm, House & Blackledge, continued for three years until House removed to Denver. Lewis remained at Culbertson, serving two terms as County Attorney from 1893 to 1897. One of his prosecutions was in an assault and robbery case in which the principal witness was a 12-year-old girl. Her remarkably frank, open and intelligent testimony was his inspiration in several addresses he later made.

He moved to Red Cloud in June, 1899, becoming a partner with E. E. Overman, continuing with law at the Webster County seat. He was elected Judge for the 10th Judicial District in Nov 1920, and re-elected in 1924, 1928, 1932. He moved to Hastings, NE in Spring of 1929. The location of the Blackledge house in Red Cloud was 641 N. Chestnut (7th & Chestnut). When Lewis moved to Hastings, he lived in an apartment.

In a letter (August 20, 1968) to Gertrude and Allan, Hobert L. Blackledge states: "I certainly remember the Oakland car that Dad had because I learned to drive with it but I certainly didn't remember that he and Mother were so brave as to drive it to Illinois and Michigan in 1917. That really took a lot of courage. I remember that the car had a habit of having a breakdown quite regularly and then in those days a flat tire every 30 or 40 miles was just normal."

Lewis inherited the rocking chair his grandfather Samuel made (and died in). Currently the chair is in the possession of Michael A. Blackledge of Albuquerque.

He even performed at the White House at the invitation of President and Mrs. F. D. Roosevelt.

This internationally famous magician was featured on the Feb 1948 cover of GENIE Magazine (Vol. 12, No. 6, Los Angeles, CA) with the following article written by the editor:

J. Elder Blackledge, The Man

"Born in Indianapolis in 1891, Mr. Blackledge attended the Chestnut Hill Academy in Philadelphia and then received his Bachelor of Science degree in architecture at the University of Pennsylvania. He served in World War I as Battalion Radio Officer in the 138th Field Artillery, A.E.F. in France. Following his honorable discharge from the army, Mr. Blackledge practiced architecture in Indianapolis until 1924, meanwhile continuing his studies of magic, magicians and their history. For thirty years he has extended his research throughout the world, studying and performing in 22 countries.

"J. Elder Blackledge combines the most striking arts of scholar and conjurer in his presentation of magic. He has developed an extensive library of magical lore, on which he draws for the stage and microphone lectures which have won him international fame.

"Mr. Blackledge compliments (sic) his story of magic with actual demonstrations of legerdemain past and present. His charm and ease in creating incredible effects make him an ideal entertainer for the sophisticated audience.

"I have had the personal pleasure of knowing our cover subject for approximately ten years. Modest to the extreme, he has permitted himself to be all too little publicized. As a magician, and particularly in the lecture field, his place is with the greatest of all time.

"Mr. Blackledge's services are constantly sought by society's four hundred and that he long has been a favorite at the White House, in Washington, D.C., is a fact well known.

"Mr. Blackledge specializes in conjuring which requires little apparatus. His most sensational features can be easily carried in a brief case. To me, Mr. Blackledge is a cultured, college educated, suave, but equably personable Max Malini.

"In closing, I am going to quote from the word of my friend Bim Pond when the latter said in Program Magazine: 'J. Elder Blackledge is as polished a gentleman as has ever graced a drawing room.'"

"The Blackledge family like many others of the time lived in a soddy until they could get established. By 1898 they were able to move into a new two-room frame house. William Levi Blackledge, my father

[Haskell R.], who had two brothers, J.C. [John Charles] Blackledge and Rufus Elbert Blackledge, who were the sons of Hiram Blackledge, moved to Sterling, Kans. from Winchester, Indiana. Then from the Sterling, Ks. area they moved to Jet at the time of the opening of the Cherokee Strip for settlement.

"William Levi was married to Pearl Hinshaw and bought a relinquishment from Charles Hinshaw, his brother-in-law, soon after the opening of the Strip. There were five families of Hinshaws who settled within a mile of each other in the vicinity of six miles northeast of Jet in the East Saline school district. They were Hanna Hinshaw, the widowed mother, Mrs. Al Lotton (Della), Mrs. Henry (Myrtle) Haslam, Charles Hinshaw, and Ollie Hinshaw. They all took quarter sections in that area, except the farm my father [Wm. L.] purchased which only contained three 40-acre tracts.

Redding, where Henry Blackledge also roomed. However, on the 1895 Iowa State Census, Jennie is shown as being 18 years old which would make her born about 1877. This would be close enough for her to be the Jennie CATES (daughter of William Cates and Margaret MILFORD) born 9 Mar 1876, married to Henry BLACKLEDGE on 22 Nov 1893, and died 12 Dec 1905, aged 29 yrs 9 mo 3 days (source: William Cates' bible family record, transcription found on the Internet). This poem, composed and written by Gilman H. Butler. Zanesville, Ohio, gives an interesting outlook on the lives of that time:

TO MY FRIEND ROBERT BLACKLEDGE *** KINGSTON COUNTY, OHIO.**

*Friend Robert, its nineteen years ago
 Since We ought the time went very slow
 When We worked hard mauling out the rails,
 And your father hunting up the pails,
 To set about at each sugar tree*

*To be filled with sap, that you and Me
 Might gather up with old Pete and sled.
 Where He was boiling in kettle large,
 And Ed cutting of the wood had charge.
 We all asiting the sap to boil down.
 So the kettle We might get around.
 Dip in with our sticks, lick off with our tongue.
 Oh, But that was fun, for old and young,
 Until your father, His head would shake,
 And say "You fellows had better take
 Those sticks out of that, and get to work
 Or this sprout off this tree I will jerk,
 And I will thrash each one of your backs good;
 If I don't get some better wood".*

*Then you bet to work We would fly
 All watching Him right close with our eye,
 That from His stick, We miss a good whack
 Aimed for us, But fell on poor Ed's back.
 For if Ed in a hurry would go
 Was sure to always to stub His toe.
 Then Rob and I would laugh, as We ran
 For to see Ed fall was fun.
 But at poor Ed, We should not have laughted,
 And His ill luck We should not have chafed.
 For He always had a tender heart,
 And if good to Him, He would do His part.*

"A lad of but ten years when he first looked upon Kansas prairies, Mr. Blackledge lays claim to being a Kansan 'to the manor born,' the entire formative and educational period of his life being passed within the borders of the State. The foundation of his excellent education was laid in the district schools, from which he passed to a course in Salina College. At nineteen, after passing a creditable examination in the Civil Service, he received an appointment in the railway mail service as clerk, his first run being on the Ft. Scott & Webb City R. R., from Ft. Scott to Webb City. The facility which he rapidly acquired in the service and a fine grasp of the more intricate problems which came up for solution almost daily, soon marked him for promotion, and he was tested in many different positions in the succeeding five years, in all of which he proved efficient.

"The marriage of Mr. Blackledge, in 1890, had thrown him into contact with a master of finance in the person of his father-in-law, E. P. Allen, president of the Bank of Independence, and with whom, in 1893, he became associated in a banking venture in the then village of Caney. Joint purchasers of stock in the Caney Valley Bank, they operated it as a state bank until 1900, when it was incorporated under the name now known, with a capital of \$25,000.00. Under the splendid management of Mr. Blackledge, this bank has become one of the solid financial institutions of the county, with a working deposit of nearly \$100,000.00. If one thing more than another has contributed to Mr. Blackledge's success in the business world, it is his absolute fidelity to a trust, and the careful consideration he gives to the minutest detail of the work.

"Politics, as such, proves of but little interest to Mr. Blackledge. He votes with the Republican party, and, yielding to the solicitation of friends, has served his municipality in the board of councilmen. To this he adds the sinecure of city treasurer."

James Franklin BLACKLEDGE and Martha Hunter "Mattie" ALLEN married on 17 Feb 1890 in Independence.^{299,316,606,925} Virkus (First Families of America), A Standard History of Kansas and Kansans, and Illustriana Kansas give the date as 1891. Alta Jackson (53, widow, completed 10 grades of school) was head of the household consisting of her son Lyle (22, single, completed 9 grades of school) and daughter Leone Wilson (28, divorced, completed 9 grades of school) and grandson George Wilson (5). She died of a coronary thrombosis on 1 Nov 1954 in Albany, Linn Co, OR.¹³⁵¹ The informat on the death certificate was Leone [sic] J. Campbell and is probably Alta and Greenberry's daughter. The certificate stated that Alta had lived in Albany, Linn Co, OR, for 7 years. She was buried in Brandon Cemetery, Jefferson, Buchanan Co, IA.¹³⁵¹ Greenberry J. JACKSON and Alta F. REYNOLDS had the follow-

ing children:

- 2695 i. **<child> JACKSON** died before 1900.²⁸¹
- 2696 ii. **<child> JACKSON** died before 1900.²⁸¹
- +2697 iii. **Saddie Leona "Leona" JACKSON**, born in Jan 1897, IA^{281,508}; married Charles WILSON^{509,1352}; married CAMPBELL¹³⁵¹.

1590. **Dr. Theron L. BLACKLEDGE**⁶⁴⁹ was born in 1873 in Atlantic, IA.^{546,978} It has not been proved, but the compilers believe, that this information is for this Theron, son of William C. BLACKLEDGE and Martha Jane Adams. In this family on the 1885 Iowa State Census there was a child named Theodore who was 11 years old; born in Cass Co, IA; single; and living with his parents. This would be consistent with the 1873 birthdate for Theron. Also, Atlantic, IA is in Cass Co. He passed the medical examination held in Philadelphia, PA in Jun 1901.¹³⁵³ He appeared in the census in 1910 in New Brighton, Beaver Co, PA. Theron L. Blackledge (37, married once for 7 years, born in IA, physician) is listed with his wife Anna M. (38, married once for 7 years, born in PA, gave birth to 3 children with all still living), daughter Grace G. (4, born in PA), son William T. (3, born in PA), and daughter Martha J. (1/12, born in PA). A servant, Mary Bradley and hosler John Bear (spelling?) are also listed in the household. He appeared in the census in 1920 in New Brighton, Beaver Co, PA. Thoron [sic] L. Blackledge was listed with his wife Anna C., daughter Grace G., son William T., daughter Martha J., and son Ord C. He appeared in the census in 1930 in New Brighton, Beaver Co, PA. Theron Blackledge (56, physician, owns house worth \$12,000) was with his wife Grace (56), daughter Grace (25, single, clerk in an insurance office), daughter Martha (20), and son Ord (18, gas station attendant). Martha had 'ab' written after her name which may mean that she was absent from the household which agrees with the probability that she was the Martha J. Blackledge listed in a nursing school in Philadelphia at the time. Theron died on 17 Aug 1959 in Harrisburg, Dauphin Co, PA.^{978,2034}

Dr. Theron L. BLACKLEDGE and Anna Martha COWAN married about 1901.^{692,978} **Anna Martha COWAN** was born in 1871 in Burgetstown, PA.⁹⁷⁸ She died in 1938 in New Brighton, PA.⁹⁷⁸ Dr. Theron L. BLACKLEDGE and Anna Martha COWAN had the following children:

- +2703 iv. **Dr. Ord Charles BLACKLEDGE**, born on 25 Oct 1911, New Brighton, PA^{978,1355}; married Mary Margaret OKEY, on 18 Aug 1952, Cleveland, Cuyahoga Co, OH⁹⁷⁸; died on 5 Apr 2001, Fort Worth, Tarrant Co, TX¹³⁵⁵.

He died on 6 Dec 1916 in Cedar Rapids, IA.¹³⁵⁶ He worked for a number of years for the Santa Fe Railroad as a switchman.¹³⁵⁶ Emmett began work for the Chicago, Rock Island & Pacific Railroad on 15 Nov 1915 and performed his work faithfully until the accident. He was buried in Martelle, Greenfield Twp, Jones Co, IA.¹³⁵⁶

Carrie Belle BLACKLEDGE and Charles Meek ONSTOTT married on 2 Feb 1898 in Martelle, Greenfield Twp, Jones Co, IA.^{653,981} **Charles Meek ONSTOTT** (son of Andrew K. ONSTOTT and Elizabeth Jane VANOSTRAND) was born on 3 Mar 1865 in PA.^{281,508,1357} The 1900 census said he was born in OH but the 1910 said PA. He appeared in the census in 1900 in Martelle, Greenfield Twp, Jones Co, IA. Charles Onstott (35, born Mch [sic] 1865 in OH, contractor) is found with his wife Carrie (26, born Oct 1873 in IA, gave birth to two children, both living), son Harold W. Onstott (seven months old, born Oct 1899 in IA), stepson Emmet Brown (7, born Dec 1892 in IA), boarder LeRoy Blackledge (21, born Oct 1878 in IA, day laborer), and boarder Lizzie Blackledge (18, born Aug 1881 in IA, servant). LeRoy and Lizzie Blackledge are siblings of Charles' wife Carrie. He appeared in the census in 1910 in Shawnee, Pottawatomie Co, OK. Charles M. Onstott (45, born in PA, widower, house carpenter) was found with his sister Virginia Onstott (38, born in OH, single), son Wayne H. (10, born in IA,), daughter Hazel I. (30, born in IA, single, repair man for an electric company), and daughter Dorothy I. (16, born in CA, clerk in a drug store). Dorothy must be the daughter of Helen since, according to the 1920 census, Charles and Helen were not yet married and Dorothy was not in Charles' household even though she would have been abt 6 years old by then. He died on 24 Jan 1948 in Oklahoma City, Oklahoma Co, OK.^{980,1357} He apparently later married Helen J.⁶⁹² Carrie Belle BLACKLEDGE and Charles Meek ONSTOTT had the following children:

1594. **Leroy BLACKLEDGE** was born on 17 Oct 1878 in Seymour, Wayne Co, IA.^{247,281,518,551,982,983} He was listed as Roy on the 1885 Iowa State Census which stated he was born in Wayne Co, IA; and, his obituary said he was born in Seymour, IA, which is in Wayne Co. Other source said he was born in Marshall Co, IA. He signed his name Le Roy Blackledge on his WW I Draft Registration Form, but some family members insist it is spelled Leroy. He appeared in the census in 1900 in Martelle, Greenfield Twp, Jones Co, IA. LeRoy Blackledge (21 years old) and his sister Lizzie (18) are listed as boarders with Charles Onstott and his wife Carrie Onstott (LeRoy and Lizzie's sister). He appeared in the census in 1905 in Linn Co, IA.⁸²³ L. R., Mary, and Harold Blackledge were sharing a house with George, Sadie, and Clyde Houver.

ried one time for six years, railroad ticket agent) was found with his wife Mary (28, born in IA, married one time for six years, gave birth to one child, one child still living), and son Harold (3, born in IA). Also in the household is an entry which is partly illegible which is for Mary Herer [surname not clear] (68, born in IA, married two times, gave birth to two children, both still living). The relationship for this person is also unclear, but is for mother____. He appeared in the census in 1915 in Marion, Linn Co, IA. (20, born in IA, completed ninth grade, Presbyterian). This census lists LeRoy's parents as L. M. Blackledge (born in OH) and S. E. Denoon (born in OH); they were married in IA. - 2707 i. **LeRoy J. BLACKLEDGE Jr.** was born in 1900.¹⁰⁷ He died on 12 Feb 1907.^{982,985,1358,1359} Leroy A. Blackledge said this Leroy died before he was 5 years old, but other records said he was born in 1900, making him at least 6. The death notice on the 13th said he died yesterday morning, making his death on the 12th. The obituary notice stated the funeral was on 13 Feb 1907 and that the father "is also in critical condition," which leads one to believe there was an accident. He was buried on 13 Feb 1907 in Oak Shade Cemetery, Marion, IA.^{203,1358}

1597. **Aurora G. "Ora" BLACKLEDGE** was born about 1872 in Linn Co, IA.⁵⁴⁶

Aurora G. "Ora" BLACKLEDGE and Thomas H. DeCOURSEY married about 1892.²⁸¹ **Thomas H. DeCOURSEY** (son of Mathias DeCOURSEY and Helen) was born in Jul 1860 in WI.²⁸¹ Alternative spellings in records for this family's surname include DeCoursey, Decourcy, and Decoursey. He appeared in the census in 1900 in San Diego, San Diego Co, CA. Thos. H. DeCoursey (39, born July 1860 in WI, married 8 years, street bus conductor) was listed with his wife Ora (29, born Apr 1870 in IA, married 8 years, gave birth to three children with all still living), and sons, all born in CA: Morris A. (7, born May 1893), Thos (3, born Oct 1896), and Murray (1, born Sep 1898). Thomas's in-laws Thos and Francis (Luzerba) Blackledge are listed three houses below on the same census page. He appeared in the census in 1910 in Los Angeles, Los Angeles Co, CA. Thomas DeCoursey, his wife and sons are found in the household of his mother Helen DeCoursey (67, widow, born in WI, gave birth to 9 children with 6 still living), her son Thomas (50, married one time for 18 years, shipping clerk for the electric company), her son Philip (47, born in WI, single), her daughter Genevieve (43, born in WI, single), her daughter Maud (40, born in WI, single), her daughter Grace Graham (30, married one time for 11 years, no children), her daughter-in-law Ora (40, married one time for 18 years, gave birth to 3 children with 2 still living [sic]), Helen's grandson Marice [sic] (16, born in CA), son Tommy (14, born in CA), and grandson Murray (11,

born in CA). This census erroneously says Ora has only 2 children living and that Ora was born in Canada and that eleven-year-old Tommy is Helen's son rather than her grandson. Aurora G. "Ora" BLACKLEDGE and Thomas H. DeCOURSEY had the following children:

- +2714 i. **Maurice A. DeCOURSEY**, born on 3 May 1893, San Diego, San Diego Co, CA^{281,551}; married Bonnie E., about 1918^{505,692}; died on 3 Apr 1960, Ventura Co, CA⁵⁵¹.

- +2716 iii. **Murray DeCOURSEY**, born on 18 Sep 1898, in CA^{281,551}; married Florence Amelia, on 31 Aug 1940, Los Angeles Co, CA.²⁰⁷⁸

1598. **Leroy T. BLACKLEDGE** was born in Nov 1875 in IA.²⁸¹ He appeared in the census in 1910 in San Diego, San Diego Co, CA. Leroy T. Blackledge (34, born in IA, married for nine years, salesman of building supplies) was listed with his wife Ethel I. (33, born in KS, married the second time for nine years, gave birth to two children and they are both living), stepson Harold Cooney (13, born in CA, father born in OH, mother born in IA), and stepdaughter Lewella R. Cooney (16, born in IA, father born in OH, mother born in IA). Because it was marked over, it was not possible to be sure about whether this was a first or second marriage for Leroy. Also, the children Harold and Lewella Cooney were found in the 1900 census with their widowed mother Margaret Cooney and another sister Matilda, so more research needs to be done to determine if Margaret and Ethel might be the same person, or, a less likely possibility, if Leroy possibly was previously married to the children's mother, Margaret Cooney. He died on 8 Apr 1918 in San Diego Co, CA.^{654,659} He was buried in Greenwood Cemetery, San Diego, CA.⁶⁵⁴ L. T. Blackledge shares a tombstone with his father. He is probably the child listed as Thomas with his parents on the 1880 and 1885 censuses. He is listed as their son Leroy (24, born in IA, teamster) on the 1900 census.

Leroy T. BLACKLEDGE and Ethel I. CHAPMAN married about 1901.^{508,2078} **Ethel I. CHAPMAN** (daughter of John Chapman and Emma J. Rogers) was born about 1877 in KS.^{508,820,2078} She and Leroy lived at different addresses in San Diego, San Diego Co, CA in 1916.¹³⁶⁴ She had previously been married to Mr. COONEY and had two children, Harold and Luella R. COONEY. She later married Clarence E. Jackson on 15 Feb 1917 in Los Angeles Co, CA.²⁰⁷⁸

1600. **Vera A. "Allie" BLACKLEDGE** was born in Jan 1880 in Linn Co, IA.^{281,546,646} The compilers believe the child named Allie, 5 months old on the 1880 census, and the child named Vera A., 5 years old on the 1885 census, are the same child.

Vera A. "Allie" BLACKLEDGE and Morton S. RUNDEL married in San Diego, CA.^{656,990} Vera's father's obituary gave Morton's initials as T. A. **Morton S. RUNDEL** (son of Henry P. RUNDEL and Emma WOOD) was born on 17 May 1878 in Rochester, Monroe Co, NY.⁹⁹⁰ He appeared in the census in 1920 in Santa Rosa, Sonoma Co, CA. Morton S. 1612. **Frederick Essic BLACKLEDGE** was born on 28 Nov 1870 in MO.^{557,1021} Fred's death certificate shows him born in Maysville, MO. He and Kate Blackledge were listed in Hoye's City Directory in Kansas City, MO in 1897.⁸⁴⁹ Fred. E. Blackledge was listed as a lab[orer] residing at 2307 Penn[sylvania]. Mrs. Kate Blackledge was listed as a seam[stress] for Morrill-Keitz F. G. Co[mpany] residing at the same address. He appeared in the census in 1900 in Kansas City, Jackson Co, MO. Fred Blackledge (partner, 28, born Nov 1871, widower, sidewalk finisher) and his older daughter Lida (4, born Jan 1896) were in the household of Joseph G. [sic] Roberts, his wife Rosa, son James, and mother-in-law Lide [sic] Foley. This is the family of Fred's dead wife's brother, whose wife Fred later marries. Lide is actually Joseph Roberts' mother rather than his mother-in-law as indicated in this census. Rather than being partners in the company where they worked, Fred and Joseph were co-workers. Fred's younger daughter Josephine is found with her paternal grandparents, Cyrus and Josephine (McLaughlin) Blackledge.

He lived on Marshall Av. in Rosedale, Wyandotte Co, KS in 1910.¹⁰⁰⁹ In the 1910 Census there we find Fred E. Blackledge (39, foreman at an asphalt plant); his wife of 2 years Rosa B. (26); his children Richard C. (1-5/12), Lida (14), and Josephine (12); and his mother, Josephine (McLaughlin) Blackledge (63, widow, had given birth to 8 children with 5 still living). The 1915 Kansas State Census shows the family in Kansas City: Fred E. (44), Rosa B. (33), Richard (6), Fred (1), and Josephine (68). He appeared in the census in 1920 in Rosedale, Wyandotte Co, KS. Fred (48 years old, foreman for a paving company) was found on Westport Avenue (two houses from his brother William), with his wife Rosa (36 years old), sons Richard C (11 years old) and Freddie R. (5 years 10 months old), and his mother Josephine Blackledge (73 years old, widow).

He appeared in the census in 1930 in two places. First, Fred E. Blackledge is listed with his daughter's family Charles and Josephine Payton on Adams Street in Kansas City, KS. Fred's brother William Blackledge and niece Dorothy are also listed as lodgers in this household. Second, in the census taken several days later in Denver, CO, Fred Blackledge (foreman in a paving plant) is listed with his wife Rosa B. (47, born in MO), and sons Richard C. (21, born in KS, single, musician in a dance hall) and Fred R. (16, born in KS, single, no occupation). The compilers believe that Fred might have been visiting in Kansas City at the time the census was taken there, but his wife also gave the information when she was enumerated in Denver. He lived at 4401 Vrain, in Denver, CO on 13 Jun 1931.^{996,1005} Fred worked for Asphalt Paving Company there. He was in Denver as early as 11 February 1928. He appeared in the census in 1940 in Kansas City, Jackson Co, MO. Fred W. [sic] Blackledge [indexed on Ancestry.com as

Blackledge] (69, 4th grade education, foreman at a paving construction company) and his wife Rosa (57) had Ida Berndt (59, divorced) lodging with them. He died of heart disease on 5 Jan 1949 in rural Norwalk, Los Angeles Co, CA.^{557,1017,1021,2063} Fred's death certificate shows that he had been in Norwalk State Hospital for five days and also suffered from senile psychosis. He was a Christian Disciples of Christ.¹³⁸² He lived his later years in Inglewood, CA.¹³⁸³ He was buried in Inglewood Park Cemetery, CA.²⁰⁶³

Frederick Essic BLACKLEDGE and Katharine "Katie" ROBERTS married on 28 Nov 1894 in Kansas City, Jackson Co, MO.^{462,2062} **Katharine "Katie" ROBERTS** (daughter of Porter ROBERTS and Eliza T. MURPHEY) was born in 1872.^{107,808,2062} Her birth date is based on her being listed as 25 years and 5 months old at the time of her death. Kate's surname was shown as Roberts on her marriage license to Fred as well as on findagrave.com. She appeared in the census in 1880 in Benton Co, MO. Katie Roberts, her brother Joseph D. and her mother Eliza T. [indexed as Elvira in some databases] were living in the household of Richard D. and Sarah E. Rice. Eliza T. Roberts is shown as a sister-in-law of Richard, head-of-household, indicating that Eliza T. and Sarah E. were sisters. She died on 5 Jan 1898 in Kansas City, Jackson Co, MO.^{806,2064,107} Katie died at home [2307 Penn St] at age 25 years of septicemia [blood poisoning] just six days after her daughter Josephine was born. Note that burial records, newspaper clippings, and her death record state she died in 1898, but the gravestone inscription says 1897. She was buried in Union Cemetery, Kansas City, Jackson Co, MO.^{806,107} Katie was originally buried in Section 10.1, Row 7, Grave 7, but was reinterred on 17 Jan 1907 in Section E, Lot 4, Grave W/2-N14ft and now rests next to her brother, Joseph D. Frederick Essic BLACKLEDGE and Rosa Belle RICE married on 5 Jan 1908 in Del Norte, Rio Grande Co, CO.^{1009,1022,1023,2062,2065} In the 1910 census, Fred and Rosa were listed as having been married for two years. Family members erroneously stated that Fred's two wives, Katie and Rosa were sisters, but they actually were first cousins and sisters-in-law. Their mothers were sisters and Rosa was first married to Katie's brother, Joseph Duncan Roberts. **Rosa Belle RICE** (daughter of Richard David RICE and Sarah E. MURPHY) was born on 27 Jun 1882 in MO.^{557,1021} She first married her first cousin, Joseph D. Roberts on 16 Sep 1899 in Kansas City, Wyandotte Co, KS.^{1009,1010,2066} Joseph Duncan Roberts died 9 Feb 1906. Rosa and Joseph had a son, James Roberts, born in Mar 1900, who died along with 2 other children by 1910 when Rosa's census record stated she had given birth to 4 children with only 1 still living. The living child was Richard, her son with Fred Blackledge whom she had married by then. She died on 10 Aug 1971 in San Diego Co, CA.^{1121,1021} Rosa's first husband was also her first cousin, and her second husband had previously been her brother-in-law. Frederick Essic BLACKLEDGE and Rosa Belle RICE had the following children:

- +2744 i. **Richard Cyrus BLACKLEDGE**, born on 11 Oct 1908, Rosedale, Wyandotte Co, KS^{553,1021}; married Mary Ellen FULTON, about 1940¹³⁸⁷; died on 16 Jul 2004, Borrego Springs, San Diego Co, CA^{553,1388,2062}.
- +2745 ii. **Frederick Raymond BLACKLEDGE**, born on 7 Feb 1914, Rosedale, Wyandotte Co, KS^{1021,2067}; married Naomi "Clemmie" WRIGHT, 17 Feb 1947 in Los Angeles Co, CA²⁰⁷⁸; died on 7 Sep 2012, Cleburne, Johnson Co, TX²⁰⁶⁷.

He was a railroad engineer for the Iowa & St. Louis Railroad.^{1389,1390} He lived in Elmer, Macon Co, MO.^{996,1005,1390-1392} He was in Elmer as early as 1910. He was found there in the 1920 census; Ben's wife is listed as Margie or Magie. The entry for his wife was hard to read; it may be that Daisey was her nickname. He was documented in Elmer again on 13 Jun 1931 and on 11 Feb 1928. Curiously, Benjamin and Daisy are listed in both the 1910 Macon County and Linn County Censuses. The two counties are adjacent and the town of Ethel is on the west side of Macon County, but not right on the county line. Sometime after he retired, Benjamin and Daisey moved to Clarinda, IA, where they lived until their deaths. He was buried in Clarinda Cemetery, Clarinda, IA.¹³⁹³

HAMILTON, Riley S.

Riley S. Hamilton, a prominent, progressive and highly respected citizen of Routt county, who is extensively engaged in the stock industry in the neighborhood of Hamilton, was born in Carroll county [sic], Ohio, on February 1, 1862, and is the son of Henry S. and Mary A. (Slates) Hamilton, natives of Ohio, who moved to DeKalb county [sic], Missouri, in 1869, and there engaged in farming, an occupation which they are still following, with their home near Maysville, in that state. The father was a shoemaker in Ohio, but with a longing for agricultural pursuits, he determined to devote himself to them and found his choice wise and his enterprise profitable. His death occurred there June 18, 1904. Their offspring numbered nine. One died in infancy and Riley S., Thomas H., Hannah (Mrs. William H. Miller), Fred E., Edward, Elizabeth, and James and William, twins are living. Riley, the first born on the children who are living, grew to manhood on the home farm in Missouri and was educated at the common schools with rather meager opportunities. He remained at home assisting his parents on the farm until he reached the age of nineteen, then, in 1881, came to Colorado and located at Breckenridge. Here for a few months he worked in the mines for wages, then moved to South Park and found employment until winter on a ranch. During the winter he was employed in hauling lumber at Last Resort, after which he leased a ranch in the vicinity of Fort Collins which he farmed two years. In July, 1885, he became a resident of Routt county, and in May following took up a pre-emption and a timber claim, the two amounting to three hundred and twenty acres. These he has added to until he now owns five hundred and twenty acres, two hundred of which he has under productive cultivation. His principal industry is raising cattle, however, and this he conducts on an extensive scale. His was the first ranch located on Moore Rapids creek, and when he settled there the whole section was wild and unbroken, without roads, bridges or other conveniences of a public nature. He gave himself with ardor and energy to the improvement and cultivation of his property, and found steady and increasing rewards for his labor. Soon other settlers located in the neighborhood and the rapid progress and development of the region followed. As a pioneer there Mr. Hamilton was an important factor in building up the country and the village which grew up near him was named in his honor. He is a very broad-minded and enterprising man, with a keen desire for all improvements involving the general welfare of the community, and takes an active and serviceable interest in every phase of its public life. In fraternal relations he is a Freemason, and in political matters is independent. On April 16, 1892, he united in marriage with Miss Clara Duse, a native of Kendall county, Illinois, and the daughter of William and Sophronia (Watkins) Duse, the former born in Germany and the latter in the state of New York. They settled in Missouri at an early day and located near Maysville, where they are still living and are successfully engaged in farming. Both are members of the Methodist church. The father is a Republican in politics. Seven of the eight children of Mr. and Mrs. Duse are living, Hattie, Mary J., William A., Herbert M. and Henry M. (twins), Edward and Clara E. A daughter named Tina died on May 30, 1902. Mr. and Mrs. Hamilton are the parents of two children, Earl L. and William Henry.

(5). The following biography was taken from "*Progressive Men of Western Colorado*," 1905 and was probably written just before Thomas and Elizabeth married since it does not mention her:

WISE, Thomas H.

Belonging to the great Wise family of Virginia, Thomas H. Wise, of near Craig, Routt county [sic], this state, a prominent rancher and cattle man, has well sustained in the new fields of enterprise, which he sought as a young man of twenty-three, the traditions and fame of his ancestry in the Old Dominion. His father, William H. Wise, was a native of that state, where his forefathers lived and took a prominent part in public affairs for generations; and his mother, whose maiden name was Caroline Smith, was born and reared in Ohio. They were prosperous farmers in the latter state for a number of years, then moved to Illinois, where their son Thomas was born on March 11, 1863, the place on his birth being Galesburg, Knox county [sic]. The father was a Democrat in national politics. He died in 1869 and the mother in 1871. They had nine children, two of whom, Thomas H. and his older brother John M., are living. Thomas received very little education in the schools, his wisest and best teacher being experience. Even in his boyhood he earned his own living by working on his father's farm, removing with his parents to northwestern Missouri in 1870. Here he learned lessons of useful industry on the paternal homestead located near the city of St. Joseph. He remained in Missouri engaged in farming until 1884, then became a resident of Colorado, and ranched in Boulder county [sic] until 1886. In that year he moved to Routt county [sic] and, in partnership with his older brother, took up a fine ranch of five hundred and sixty acres on Williams fork, which has since been his home. Since the death of his brother Francis M., in 1895, he has had entire management. He found his land full of promise, but with all its possibilities as yet undeveloped and containing nothing in the way of a human habitation or other necessary buildings or appurtenances for the business which it was his purpose to carry on there. He has two hundred acres of his domain to an advanced state of cultivation. The cattle industry is his principal dependence, but he also raises good crops of grain, hay and vegetables. In the public life of his neighborhood Mr. Wise has taken an active interest from the start, and he is universally regarded as one of the leading citizens of the

county. Fraternally he is connected with the Masonic order, and in political faith he is a firm and zealous Democrat. He has found excellent opportunities for advancement in Colorado and is a loyal citizen of the state, ardently devoted to its every interest and in every commendable way earnest in the work of promoting the welfare of its people. He carries into the affairs of his county in which the progress and enduring advantage of his fellows are involved the same breadth of view, commanding energy and progressive spirit which he applied to the management of his private business, and helps to subserve the public interest without stint to the best of his abilities. The following is from information supplied by Carl and Marlene Williams (letter 4/18/98): Ray G. Smith's love for the Morgan County Fair began in 1932 when he was elected to his first term as director. After serving six years, Ray was elected Fair Secretary. His wife, Iva, became his capable recording secretary. After serving 37 years, Ray left the Fair Board in 1975. In 1977 he was again appointed Fair Di-

rector and served until suffering a stroke in 1981.

Having been a farmer most of his life, Ray found it easy to work with rural folk. He raised registered Angus and Jersey cattle. Since he farmed with his two sons, he had free time to spend at the fairgrounds.

Ray also helped start the Soil and Water Conservation District in Morgan County and was named in the book "Ohio Lives", a biographical record of contemporary leaders in Ohio. He was a member of Mt. "I [George] was converted at about 15, then baptised [sic] in nearby Little Black River. My Christian mother was a great influence by setting a good example and sharing her faith. My father, being of the Quaker Church was a good Christian, but much more private.

"One day in the spring of 1932, my wife went to Poplar Bluff to withdraw money from the post office in order for us to buy a pair of mules. She rode back to Naylor on the train, and waited at Wards Grocery for me to come after her. Mrs. Marie Ward told her about Rev. P. E. Bryant starting a Church of God congregation there in an old store building. They were having their first meeting that night. One reason this was of special interest to my wife was her godly sister, Mrs. Myrtle Graham had told her that if she wasn't a member of the Nazarene Church, she would be with the Church of God. We went to the second service and have been faithful since then. I was an adult sunday school teacher for many years, also served for a time as sunday school Supt. and was a member of the Board of Trustees.

"In the spring of 1987, my wife and I moved from our farm to a mobile home at my daughter Lois and her husband Freeman. I am 89, my wife 83."

 "Doris was born October 14, 1932. Just this past Oct.14th, I thought of her realizing she would have been age 60. I have always remembered her on Sept. 10th, which was the day she died.
 "I remember the morning she was born. I was 8 years old at the time, and this event was a complete surprise to me. Of course my younger sister and I were excited. Wilma was six at the time. We rushed down to tell our neighbor, Della Moore. She spoiled our telling it, when she said she already knew because she saw Dr. White pass and could see him drive in. Wilma and I both thought, 'See, she thinks she is so smart'. I remember grandma Fowler came that morning to help out. We were in the kitchen which had been built on to the north side of the house. I wanted to help out, and in my excitement I cut my hand trying to peel sweet potatoes.
 "I remember that I loved her very much, and carried her a lot. One time Mama, Wilma, Doris, and I were walking on Gardner St. toward the Nazarene Church in Poplar Bluff. I was carrying Doris and walking ahead of Mama & Wilma. I went on in the church instead of waiting. We had probably rode the train, and then walked from the station.
 "I also remember walking back of our house across a field to a place we called the bone yard. This was beyond where the junk pile is now. This is the place where we took dead hens and other animals. I would carry Doris and tell her all the big things I was going to do for her when I was grown up.
 "I remember being at grandma & grandpa Fowlers overnight. We had been to a gathering at Fairdealing Methodist Church, when Mama became sick. We 3 children were left with our grandparents that night. We slept in the east upstairs bedroom. Doris cried for Mama. I kept her quiet part of the time by singing "Old McDonald had a farm". I sang it over and over.
 "I remember her wearing a blue sun suit (we called it) and being in the roadway south of the house and walking toward the barn. At that time her body was chubby for her height, but not fat.
 "She started to school in August before her birthday coming up in October, when she would have been five. School pictures were made on the last day she was in school about one week before she died. She was afraid of the photographer, when he moved his face behind a black curtain to snap the camera.
 "I remember Mama repeating this through the years. One time when they were expecting guests she made the remark 'What can I cook'. Doris then told her 'We can have company'. Mama told us that one thing Doris would not eat was rice.

Mama also said that Doris was the only one of her girls who had blue eyes like Daddy.

"My parents didn't think Doris was very sick until the day she died. She passed away before Daddy got back with Dr. White. She was laying on a couch along west wall of front room. I went to grandma and grandpa's front room and knelt by a chair and prayed for her, I also made some promises to God. I don't know why I didn't stay with Mama, but when I went back I remember Mama saying 'Oh, her eyes are setting' I'm sure grandma was with her. Through the years Mama made the remark that our grandma Blackledge was so good with people who were sick.

"Wilma and I felt that we just had to get away and run. We went over to Scotts to tell Dixie, who wrapped her arms around us while we told her. Before we went there mama was sitting on front porch crying. Lillie Hilborn, a neighbor, was with her. Mama told us to stay, but we were like scared rabbits I guess, I remember feeling we had to go. This was before front porch was screened in., folks were sitting on edge of porch, with feet on the ground.

"The casket was along south wall in living room. I believe Doris wore a white dress. Doris died in the afternoon. The death certificate states at 2p.m. That night I remember Uncle Homer stopping on his way home, he was driving a cattle truck.

"The night before her funeral, the temperature was quite chilly. Every year since then I always remember that nights start getting cold or chilly by Sept. 10th. I remember the Robert Graham family was with us that night. I remember Dorothy Lee, my cousin being upstairs and calling loudly to someone outside. She was facing east windows, this must have been early in the morning, the day of the funeral.

"The funeral was conducted at the Naylor Church of God. Rev. F.E. Bryant preached the message. I remember only one song, "Jesus Wants Me For A Sunbeam." This was in the old church, it faced the north, and was on the main street going toward the business section. I remember Wilma and I walking side by side behind our parents at the cemetery.

"Perhaps it was the next day after the funeral I remember the four of us walking toward home after being at the cemetery. When we got to the hill north of our-home where Everett Dobnikar lives now, we saw Carl McMurtry laying in the ditch on the right side of the road, he was drunk. This was a hot September day. At that time the cemetery was unsightly with briars and bushes. Later on Daddy helped the neighbor men clean it up. Also he worked to have a cemetery plot made.

"I remember one night later on, the four of us being in the living room when Mama began to sob. Wilma and I nervously laughed, not that we were in that mood, we just didn't know how to handle our grief. Daddy held Mama in his arms, and said 'they don't know what they are doing'. This was the only time I remember Daddy holding Mama like that.

"Through the years I have wondered why I didn't show my grief at that time, after all I was 13 on my birthday Aug. 24th. I grieved but in secret. I have wondered if I was a normal person, why I didn't let Mama know and why I, didn't try to comfort my parents. We could have helped each other. I imagine they wondered if I was less than normal mentally and emotionally.

"Through the years I have not been able to think of her without crying. I have shed lots of tears while writing this. I'm in hope that writing this will help. I have felt that Doris should be in our Family History Book, but have put it off.

"I know now there is healing in grief. I grieved so much especially the first year, after I lost my husband Paul, It was a clean break, I'm thankful I recovered, and that I allowed myself to grieve.

"I notice 2 mistakes in the Death Certificate. 1), the word Vergene should have

been Fergene. 2) the date of birth should have been Oct. 14th instead of 13th.

"Mama kept some of her clothes, her Sunday school-papers, a book she had colored in, a sympathy letter she received from her sister Mildred who lived in Michigan, also a letter from her sister Myrtle, and a card from Rev. E.E. Byrum of Anderson, Indiana. She kept these in a paper box, which I now have."

Mother would darn socks on the beach while we were swimming. Our friends' mothers didn't have the time to take their kids swimming. I learned to swim from the free swimming lessons offered city-wide on several municipal beaches in the city run by the P.I. (Post-Intelligencer Newspaper), which was a Hearst newspaper. Jean was 4 when we moved and soon after, about the age of 5 she learned the 'dead man's float' and we drove to other beaches so she could compete against other kids. She forgot to keep her head underwater, but we still applauded for her.*"

Phyl-

1911²⁰⁴⁴, Floyd attended the University of Nebraska in Lincoln. However, the Turnure family operated a Grocery and Dry Goods store in Red Cloud. A brother of Floyd's had been helping but had to leave, and Floyd was called back from Lincoln.

Floyd married in 1916, and moved the family to Seattle in 1927 because the Turnure business could not support two families. Year after year of drought in the Midwest had been ongoing and tough on the farmers. Floyd scouted out both Portland, OR and Seattle, WA and chose Seattle. Floyd sold his very nice house on Main Street in Red Cloud that Phyllis recalls having a big circular fish pond. (Before that, the family had lived in a little house on a side street). Floyd moved the family on the train which ran through Red Cloud; it was cheaper to take an entire box car for the family belongings going from Red Cloud to Seattle. In Seattle, Floyd became a salesman for Schwabacher's Wholesale Grocers. Most grocery stores at the time were just small mom and pop stores on the corner. "My Dad sold at the high end" and had a business car, a little coupe that had a coffee can painted on one door and a can of peaches on the other. Phyllis requested that her dad drop her off well before she arrived at Kappa Alpha Beta when he drove her to college, as she was embarrassed about the business car. Floyd had macular degeneration in his later years, and his daughters and Meg recall his having to read by holding the paper right in front of his eyes, and using a magnifying glass. He died on 6 Jan 1988 in Seattle, King Co, WA.⁷⁴⁸ Floyd was buried in Acacia Memorial Park, Seattle, King Co, WA (Rhododendron Garden (G10), Lot 62C, Space 2).⁵⁵³ Gertrude Adaline BLACKLEDGE and Floyd Ayres TURNURE had the following children:

- +3205 ii. **Phyllis Margaret TURNURE**, born on 25 Feb 1921, Red Cloud, Webster Co, NE¹⁴⁷⁴; married Donald Leroy PEARSON, on 20 Sep 1942.
- +3206 iii. **Jean Emily TURNURE**, born on 7 Feb 1925, Red Cloud, Webster Co, NE^{1136,1137}; married Jay Peter "Pete" BARRINGTON, on 15 Jun 1947¹⁴⁷³; died on 26 Oct 1988, Kansas City, Jackson Co, MO¹⁴⁷³.

Allan Douglas Blackledge
[2029], Apr 1957.

Anne McBride recalls, "It was the end of Allan's Navy flying, for he was a victim of a crash that nearly killed him. I can't recall how many bones were broken, but after nearly a year in the Naval Hospital, he was again ready for duty, but decided he would forget Navy flying and stick to the regular Navy. The next tour of duty was in Annapolis as an instructor."

The Great Depression had officers' ranks held stable for

2029. **Allan Douglas BLACKLEDGE** was born on 30 Jul 1896 in Culbertson, Hitchcock Co, NE.^{446,746} Allan was born at 4:20 a.m. and weighed 11 3/4 pounds. He died on 11 Dec 1982 in Plano, Collin Co, TX.^{446,1139} Death certificate states immediate cause of death as pulmonary embolism. He was cremated on 14 Dec 1982 in Dallas, Tarrant Co, TX.¹⁴⁷⁶ He was buried on 17 Dec 1982 in Arlington National Cemetery, VA.⁴⁴⁶ (Section 23, Site 22546). His ceremonial flag was presented to his eldest son Michael, who in turn presented it to Peter.

Allan graduated on 6 Jun 1919¹⁴⁷⁵ from the U.S. Naval Academy, Annapolis, MD, a three-year course due to war conditions. As a midshipman, he served aboard the battleship *USS Texas*. In 1924 he applied for and was accepted into the very early Naval Aviation program at Pensacola Naval Air Station, FL, which ended for him after a sea plane crash on 18 Jul 1924 that left most bones broken on his left side – and killed his instructor pilot.

many years, or paid at the next lower grade. At the time he met and married his second wife Missy in 1934, Allan was a very senior LT (16 years) serving on the China Station as Executive Officer of the destroyer *USS Parrott* (DD-218). Out of genuine affection, his crew presented him with engraved binoculars (which he used for the remainder of his thirty-year career), and a hand-carved model of the *Parrott* (which he presented to Floyd Turnure, the husband of his sister Gertrude). His most significant sea duty assignment was with the Navy's COMTRANSDIV 26: here Allan was the third (and final active duty) commanding officer of the *USS Biloxi* (CL-80, commissioned Aug 1943) from August 1945 until the ship was inactivated on 18 May 1946, at the Everett-Pacific shipbuilding and Drydock Company, Everett, WA. In Jul 1945 under Allan's command, the *Biloxi* headed westward and took part in the attack on Wake Island (18 Jul), and arrived at Leyte 14 Aug. Following the surrender of Japan she assisted in the evacuation of Allied prisoners of war from Nagasaki; Allan considered this his proudest moment. Remaining on occupation duty until 9 Nov 1945 the *Biloxi* then proceeded to Pearl Harbor and the United States. She moved to Port Angeles, WA, 15 Jan 1946 and reported to Commander, 19th Fleet, for inactivation. It was at this time that Allan hosted the Seattle family of his big sister Gertrude, as remembered by her daughters Doris and Phyllis.

Decorations, medals, campaign ribbons ('stars' imply multiple awards): Legion of Merit; Navy Unit Commendation; Victory World War I with Star; Yangtze; American Defense with Star, American Area: Asiatic-Pacific Area Campaign with 2 Stars; World War II Victory; Japanese Occupation.

Gertrude's daughters Doris and Phyllis have wonderful wartime memories of "Uncle Al" showing up with the *Biloxi* in Everett, WA, and having the entire family out to eat in the officers' wardroom. There the little girls were treated to a sumptuous meal containing real butter and meat! - items still not available to civilians except in very limited quantities.

Allan's children (nine-year old twins, plus almost-four year old Michael) remembered hiding behind the couch in the summer of 1946 when a strange man rode up in a taxi and entered (without knocking!) their rented house at 3807 Van Ness St in Washington, D.C. It was their father, unrecognized by them, returning from four years of war duty. Penny remembers, "I was afraid. There was a man whom I didn't know and he was in our house. So I hid for safety. The man laughed and encouraged me to come out, which I finally did. He didn't smell like my Mother, but I knew he was nice." The children soon learned to respond with "Yes, sir!", "No, sir!", and "Aye-aye, sir!"

After the war, Allan and his staff prepared a report detailing the flaws in the Navy's WW II amphibious landing at Kwajalein Island that became required reading at the Naval Academy. LtGen Howland M. "Howling Mad" Smith, USMC, had commanded the Amphibious Corps, Pacific, and Allan would tell his sons-in-law how he, Allan, had been on the list to be promoted to Admiral, but Smith used his influence to block that promotion. [source: Charles Herbert Price III. Telephone conversation with Michael A. Blackledge, 15 Sep 2002.]

His most significant shore duty assignment was as Commanding Officer, Naval Ordnance Plant Indianapolis, 1948-1950. Allan retired from the Navy as Captain in 1950 and accepted a position as Vice President of Cameron Iron Works, Houston, TX. There he worked for Herbert Allen, one of his colleagues from war days. Allan had known Herb during Allan's final naval command: NOPI, the Naval Ordnance Plant, Indianapolis. Allan retired from Cameron in 1961, and remained in Houston until the end of his life.

Dorothy Forrant, c. 1929.

Allan Douglas BLACKLEDGE and Dorothy Marita "Missy" FORRANT married on 24 Apr 1934 in Tokyo, Japan.¹¹³⁸ They were married by C. A. Hutchinson, Vice Consul of the U.S.A., at Tokyo, Japan. The Marriage Certificate is on display by son Peter D. Blackledge on the top layer of "The Blackledge Wall" in his Montibello Condo, Alexandria, VA. In a letter to Hobert L. Blackledge dated April 11, 1937, Dorothy confides *"Allan and I are a little puzzled as to by whom we were married. Our marriage certificate was made out by me at the Consulate General, signed by a couple of witnesses there, sealed, etc. and then we went to the Japanese Ward Office, where we did some more signing and left a copy for permanent record there. Allan says perhaps it isn't legal, because when we got to the Ward Office and they found he was a naval officer they refused to enter it in the register till they were assured he had been given permission by his Captain (this is necessary for Japanese naval officers). Anyhow, I think it's pretty legal (by*

now!)." Allan adds a note: *"In addition to the clippings mentioned by Missy I am enclosing a spare copy of our marriage certificate - Perhaps it contains some info you want. I surely have a lot of these certificates on file at different places - the Supply Officer - Navy Mutual Aid - you, and Missy holds the original. With that evidence out against me and hordes of children cluttering up my domicile - it would appear I'd have a tough time proving it isn't so."*⁴⁷ **Dorothy Marita "Missy" FORRANT** (daughter of Joseph Arthur FORRANT and Mary Ann GLANCY) was born on 7 Feb 1907 in Salem, Essex Co, MA.^{446,1138,1480}

In the 1920 MA Census, a Joseph A. Farrant, age 36, was living as a lodger with Clara M. Raymond, 131 Essex St., Salem, Mass. Also, Arthur J. Farrant, age 14, and Dorothy M. Farrant, age 12, were living at 46 Eddy Street, Ware, Mass, with Grandmother, Julia Glancy. She graduated in 1925 from Ware High School, Ware, MA.¹⁴⁸¹ She graduated on 15 Jun 1926 from Northampton Commercial College, Northampton, MA.¹⁴⁸²⁻¹⁴⁸⁴ Date of entrance: 1 Sept. 1925. Courses included Business Mathematics, Business Letter Writing, English, Filing, Office Machines & Appliances, Office Practice, Secretarial, Penmanship (her only C grade), Shorthand Theory, Typewriting, and Word Study. Overall course was Stenographic. The College was founded in 1896, provided a transcript in 1951, but no longer exists. Records are now with another college. (Dorothy's nephew Richard Farrant also was a graduate of Northampton Commercial College 40 years later.) She won a typewriter from the school for her expertise, and applied for secretarial duty with the U.S. Government.

Dorothy enjoyed a most interesting career as a secretary in the Foreign Service from 1927 to 1934, serving at the American Consulate General in Buenos Aires, Argentina and the American Embassies in Buenos Aires, Argentina; Havana, Cuba (Sixth Pan American Conference); Santiago, Chile (accompanying former Ambassador George S. Messersmith on inspection trip); Tokyo, Japan; and Peking, China. This career provided her the experiences of riding a camel, surviving a shipwreck, earthquakes, and typhoons; history in the making (including Coolidge, Roosevelt, Einstein, Heifetz - and standing next to Charles Lindberg); duty in Havana, Buenos Aires, Valparaiso, Santiago, and Tokyo; many suitors; the study of Spanish and Japanese; and avid sports activities from hiking near Mount Fuji to tap dancing at the Y. She graduated on 31 May 1958 from University of Houston.^{1475,1481} (BA in Spanish, summa cum laude). Her ceremony occurred during the same week her twin daughters graduated from Rice Institute in Houston. Dorothy went on to earn her MA in French from Rice University in May 1960, and earned teaching credentials in Spanish, French, and German. She taught in the Spanish Department from 1960 to 1971 in Mirabeau B. Lamar High School, Houston, TX.¹⁴⁸⁵⁻¹⁴⁸⁷ This included the years while her son Peter was a student there. From Lamar's memorial service: "There has been no teacher more concerned with the enrichment of the learning experience in Spanish. No teacher has possessed a finer record of scholarship." After her death, Dorothy's extensive collection of foreign-language reference material was donated to Lamar Senior High School. She died on 18 Jul 1971 in Coronado, San Diego Co, CA.^{446,1488} Source lists place of death as Coronado Hospital, but states DOA at 6:55 p.m. She was buried in Aug 1971 in Arlington National Cemetery, VA.⁴⁴⁶ (Section 23, Site 22546). The gravesite reserved a place for her husband. Allan Douglas BLACKLEDGE and Dorothy Marita "Missy" FORRANT had the following children:

Dorothy Marita FORRANT: Information on Parents

Joseph Arthur FORRANT was born in Apr 1882 in Warren, MA. He was a butcher. We think Joseph left the family when Dorothy was quite young (source: Patti [3208] and Penny [3209]).

Mary Ann GLANCY was born on 14 Dec 1880 in Ware, Hampshire Co, MA. She died on 15 Jun 1940 at home: 46 Eddy St in Ware, Hampshire Co, MA. Barbara B. Heartfield [3207] remembers a telegram received by Dorothy which apparently informed Dorothy of her mother's death. Barbara (then 15 yrs old) was asked to take the twins for a walk while Dorothy composed herself. It was a traumatic event for Barbara, who had never seen Dorothy cry before.

Certificate of death for Mary Forrant lists her as a widow of Joseph Forrant; states immediate cause of death as asthma, due to acute cardiac dilation. Informant was son, Arthur J. Forrant. She was buried on 18 Jun 1940 in St. Williams Cemetery, Ware, MA.

H. L. Blackledge [2030] in 1957
as Grand Exalted Ruler, BPOE.

2030. **Hobert Lee BLACKLEDGE** was born on 18 Aug 1900 in Red Cloud, Webster Co, NE.⁷⁴⁶ He was born at 6:30 a.m. and weighed 11 pounds. He graduated on 23 May 1918 from Red Cloud High School, Red Cloud, NE.¹⁴⁹³ Hobert was president of the graduating class of 36 students. Commencement exercises were held in the Orpheum Theater in Red Cloud. Lewis (H.) Blackledge presented the diplomas. Bill McBride and Hobert played an instrumental duet, "*Devotion*." The class motto was "Over the Top." He registered for the WW I Civilian Draft at Red Cloud, Webster Co, NE on 10 Sep 1918.⁵⁵¹ He entered the Student Army Training Corps (SATC) infantry in Sep 1918 and was discharged in Dec 1918.¹⁴⁹⁴ He graduated in 1925 from Law College, University of Nebraska.^{748,1494,1495} Hobert worked his way through college playing the slide trombone, and was a member of Phi Delta Phi, Gamma Lambda, and Kappa Sigma of which he served as president. He practiced law at Grand Island, NE, 1925-29, and was city attorney part of that time. He then moved to Kearney, becoming a junior member and later a partner in a firm [later known as Miller & Blackledge] with John A. Miller, the partnership continuing until Mr. Miller's death in 1935. His law office was in the Fort Kearney State Bank building and he lived at 2920 7th Ave., in Kearney, NE.

Hobert was a member of the Nebraska State and American Bar Associations, and American Judicature Society. He had served as president of the Buffalo County and Central Nebraska Bar Associations, and was appointed in 1936 by the Supreme Court as a member of the first Judicial Council of Nebraska. Politically a Democrat, he had served as chairman of the Buffalo County Central Committee; vice chairman of the state central committee; and was the first state president of the Nebraska Young Democrats. He was a delegate to the Democratic National Convention in 1936.

Hobert served as grand exalted ruler (national president) of the Benevolent and Protective Order of Elks (B.P.O.E.) Lodge in 1957-58. On Monday, 15 Jul 1957, Hobert was unanimously elected as the new grand exalted ruler of the B.P.O.E. by the 2,800 delegates to the Annual Convention, held that year in San Francisco. The papers [*"The Times Recorder,"* Zanesville, Ohio, Tuesday, July 16, 1957, page 6; and other newspapers] reported: "*Delegates from Nebraska whooped it up in the style of a political convention when the name of the 57-year-old Kearney, Neb. lawyer was placed in nomination. They paraded with banners, placards, a band, noisemakers and a huge photograph of Blackledge. As grand exalted ruler, he will guide the programs of 1,200,000 Elks throughout the United States and its territories.*" Mi-

chael A. Blackledge of Albuquerque currently displays the polar bear rug presented to Hobert when, as grand exalted ruler, he visited the Elks Lodge in Alaska, the first such grand ruler to do so. Hobert also served as president of the Nebraska Elks Association in 1952-53, and exalted ruler of the Kearney Lodge in 1935-36.

A Mason for more than 50 years, he was a member of Scottish Rite and Tehama Temple of the Shrine at Hastings. He had been a director of the First National Bank of Kearney since 1957 and a member of the American Legion since 1925. He was a member of St. Luke's Episcopal Church, and in addition to local church offices, was twice chosen lay delegate from Nebraska to the triennial national conventions of the church.

He died on 12 Sep 1977 in Kearney, NE. The transcript of the cemetery records gives cardiac aysrthmia as the cause of death; this probably is a misspelling of cardiac arrhythmia. He was buried on 16 Sep 1977 in City of Kearney Cemetery, Kearney, NE.¹⁴⁹⁶ (Lot 76 Space 2). Hobert was a member of the Chamber of Commerce, Kearney Country Club, the University of Nebraska Alumni Association, and was chairman of the advisory council of The Order of United Commercial Travelers of America (UCT), an international member-benefit organization uniting people with a common passion for good citizenship and volunteerism to improve their local communities. His hobby was golf. Hobert also was a member of the New England Historic Genealogical Society, Bucks County [PA] Historical Society, and the Nebraskana Society. It is this Hobert L. Blackledge whose family research papers are now in the possession of his nephew, Michael A. Blackledge of Albuquerque, NM, and which provided the basis for much of the data for this chapter.

Hobert Lee BLACKLEDGE and Helen NEGLEY married on 1 Oct 1930 in Council Bluffs, IA (First Baptist Church).^{592,748} They were married by the Rev. F. E. Cooper. Hobert and Helen met when she was a performer on the Chautauqua Circuit and he played trombone in the orchestra for the traveling troupe.

In 1918, her family moved to Council Bluffs, Iowa. She graduated from Abraham Lincoln High School in 1923 and from Misner School of the Spoken Word in Omaha in 1926. She traveled for three seasons on the Associated Chautauqua Circuit. She received a bachelor of arts degree from Grand Island Baptist College in 1930.²⁰⁶⁸ D.A.R. National Number 271857, Helen was a direct descendant of Roger Williams through Obadiah Edmunds, Revolutionary Soldier. She also was a direct descendant of Count Daniel Perrine, the Huguenot. She also was a member of AS Chapter of PEO and St. Luke's Episcopal Church, where she served on the Altar Guild for more than 30 years and on the Board of Episcopal Women in the Missionary District of Western Nebraska. She served many years on the Buffalo County Red Cross Board and was the organizing chairman of the Grey Ladies Corps during World War II.²⁰⁶⁸

*"I sit here pondering the courage and grit
of our pioneering parents who left Kansas and bit
The dirt and dust of the new strange land
and banded together to lend a helping hand
In building their homes of what was here;
Giving up ties in Kansas once held so dear."*

Haskell Reginald BLACKLEDGE and Mildred Capitola HOCKETT married on 2 Jun 1921 in Wichita, Sedgwick Co, KS.¹¹⁷ They made their home in the Jet community, living in a rock house there. **Mildred Capitola HOCKETT**¹¹⁷ (daughter of Wesley HOCKETT and Effie WRIGHT) was born on 16 Mar 1897 in Wichita, Sedgwick Co, KS.^{117,785} She graduated in 1919 from Friends University.¹¹⁷ She taught at Friends Bible Academy in Haviland, KS abt 1920. Janet (Blackledge) Williamsen wrote on April 8, 1989 that she became interested in genealogy after hearing that her grandmother, Mildred Hockett Blackledge, had done a family tree. Janet wrote to her in the late 1970s requesting a copy of it. Mildred responded with a small handwritten outline on two sheets of thin white paper with blue ink. She had her Wright line going back to James Wright (1671-1760) and Mary Wright (1689-1764), the Hocketts to Francis Hockett and Rebecca Hartley. She had the Blackledge line going back to Charles Blackledge and Hannah Beard, and the Pickett/Cox line to John B. Pickett and Merab Cox. She had heard from a Canadian cousin that Merab Cox walked all the way from NC to IN when they came North. It turns out that it was Merab's mother (at age 16) and grandmother (at age 56) who walked to IN and that Merab was born there. The other rumor was that there was Delaware Indian blood coming through the Pickett line. She did not have very many dates with the exception of the Wright line and no locations at all. This outline is the seed from which the history of this branch of the Blackledge family has grown.

She was a birthright member of the Society of Friends and a member of the United Methodist Church

of Jet. She taught adult classes at the Methodist Church for many years. She was also active in the United Methodist Women, having served as president of that organization. She was an excellent seamstress and would sew dresses for Janet on her sewing machine built into the hall near the kitchen. She kept a box of toys for all her grandchildren to play with which had some rubber band guns and other small things.

When Janet was still small, she and her parents sometimes went out to the "homeplace" west of Jet which Haskell and Mildred still owned and farmed. Janet lived there with her grandparents and parents until she was one year old. The best thing about the home place was that Mildred, having nine children, had somehow gotten a large wooden merry-go-round installed on the north side of the farmhouse. It was weathered and overgrown with weeds when Janet saw it, but one can imagine how those seven sons and two daughters enjoyed it. The house is gone now. (source: Janet (Blackledge) Williamsen).

Wilma Grace BLACKLEDGE and Ernest Wilhelm HERREID married on 7 Feb 1931 in Polson, MT.^{501,528} **Ernest Wilhelm HERREID**. The following is recollections of Ernest and Wilma by their daughter, Shirley:

"They lived in the same house in Polson, Mt from about their second or third year of marriage until their deaths. The Warings were the only Blackledge relatives that lived close. Everett did live his last few years on the Swan River near Polson, otherwise just had short visits with Mom's family.

"Our father, Ernest worked for the Dewey Lu. Co. in Polson for over 40 years. If there was a high school sporting event going on - he was there. Mom usually went too, but didn't always feel the need to watch frosh and j.v. games, or go to all of the track meets. Daddy did. I think there was an unwritten rule that no sporting event could begin until he was in his seat.

"He was a very quiet man who enjoyed reading and tho his formal education was quite limited, he could figure out how to do almost anything and could remember almost everything he had ever heard or read. He and Mother were the original "do it yourself" people. Hiring anyone to do something that you could do yourself was just unheard of; so he did the plumbing, wiring, building, car repair, all of it. Our house was always being added on to, remodeled or repaired. Over the years it went from one bedroom to four with two baths and a full basement. They built two cabins on the lake; being at the lake in the summer was the best of life to them. Being on the lake in a boat, whether fishing or just out for a ride, was the

best of the best. Daddy did a lot of fine woodcrafting too. It was always special to receive a gift from him that had been crafted in his basement workshop. Being Norwegian, he wasn't very talkative and I never heard him raise his voice. He and Mother attended anything we were involved in at school and we always knew we had their support and love.

"Besides being Daddy's "right hand man", Mother also did all those things Moms used to do. There was always homemade bread and usually cookies or cake, and lots of canned fruit and vegetables. Times weren't easy, but there was always plenty and it was always good! She sewed just about all of Dorrene's and my clothes, and her chair would be surrounded with mending, crocheting, knitting or some other handwork plus, of course, letters to answer or letters in the process of being written. Mom loved flowers and would talk about taking out a flower bed, but would usually just move it, or start two new ones. She could, and did at times, spend from morning to dusk getting the yard in shape. Dorrene took starts of almost all of Mom's flowers - and sometimes whole bushes. Now she passes out starts to everyone else.

"This was Mom at home, she also worked outside the home! She worked in Mallory's Grocery and at J. C. Penny's for several years, and then went to work for the Lake Co. Abstract Co. and the Clerk and Recorder's office in the Lake Co. Courthouse. She could draw plat maps, figure all the "metes and bounds" and type all the document work. Her fingers flew on the typewriter. She retired at sixty-five.

" Meanwhile she had drawers filled with genealogy papers and material that she was working on would be stacked most anywhere. She was collecting and compiling for her families and Daddy's too. She would have been very gratified to know that her work would be added to that of others who had the same passion. Somewhere she is smiling." The church newsletter, the Plymouth Herald, wrote on Oct 21, 1987: "Allan died on the same day that hundreds of thousands of people marched on Washington, D.C. to make their witness on behalf of AIDS victims everywhere. That march signifies Allan's courage as he faced his own death." Allan did not marry, nor did he attend the university, but he did achieve a good deal of success in his business efforts, leaving a million dollar gift to the PRIDE Foundation to help those with AIDS, as well as providing an inheritance to his family. An article in the Sunday, July 17, 1988 Seattle Times stated, "Allan Tanning did everything first class, whether it was taking 25 friends rafting or setting up PRIDE, a foundation that supports gay and lesbian community groups. PRIDE lives on without him, thanks to the sturdiness of his planning and the size of his bequest, which accounts for much of the foundation's \$1.2 million. He set up four companies and was director of the Greater Seattle Business Association. His talents were unique for such a young man. The world has lost a tremendous energy."

She graduated from the University of Washington, Seattle, WA (magna cum laude, Phi Beta Kappa, BA of Arts, major in English and minor in philosophy). She earned a Teaching Certificate at the University of Washington in 1958. During the following years, while teaching, she earned enough university credits in Art History, Humanities, and Education to move up to the Ph.D. level on the salary scale, but did not actually earn the degree. After retirement in 1982, she took docent training at the Burke Museum of Natural History and Culture on the University of Washington campus. She took additional courses in Anthropology, History and Geology. She was a department head and teacher of high school English. Phyllis leads a very active life, with trips to exotic places like Tibet and the Galapagos Islands. She teaches classes in Northwest Coast Indian basketry (cedar bark) and gives tours through the Burke Museum of Natural History at the University of Washington. She bicycles for 20 mile trips, and presents slide parties for friends and groups such as Seattle Art Museum Seniors, Basketry Guild, and church groups. She loves being in the out-of-doors and hikes 8 to 10 miles with a group every Thursday, rain or shine.

Phyllis remembers that in about 1927 she went with her Sunday School class to the Cather family home in Red Cloud in order to see the

creche that Willa Cather, 1922 Pulitzer prize-winning author, had brought to Red Cloud from Europe.

An elderhostel trip brought Phyllis to Albuquerque and a visit with Doug [4495], Mike [3210], and Patti [3208] - and the Balloon Fiesta! Oct 2001.

- 4487 i. **Margaret Jean PEARSON**¹⁷⁶⁰ was born on 7 Apr 1944 in Seattle, King Co, WA. Known within the family as Meg; born on Good Friday. She graduated in 1965 from Smith College, Northhampton, MA.^{1473,1758,1760} (BA in History). After five years in the computer world of Manhattan, she returned to Academe, studied many years in graduate schools including two years at the University of Taipei, and was subsequently awarded her M.A. in East Asian Studies in 1971 and her Ph.D. in Ancient Chinese History in 1983, both from the University of Washington. She grad-

uated in 1971 from University of Washington, Seattle, WA.¹⁷⁶⁰ (M.A. in East Asian Studies). She graduated in 1983 from University of Washington, Seattle, WA.¹⁷⁶⁰ (Ph.D. in History).

Meg has written numerous publications, including a book (published by Arizona State University Press) on Wang Fu, the Chinese philosopher and political critic who lived around 150 AD. Wang Fu looked at human weaknesses as potentially useful, and hated the inefficient bureaucracy of his day. One example of Meg's many publications is "The Worthy Unemployed: the development of the concept of the worthy (hsien) in the '*Comments of a Recluse*' by Wang Fu," Intellectual History Seminar, Institute for Research in History, New York, 1980. Meg is now an Associate Professor in History. She spent the school year of 97-98 as Visiting Fellow at Cambridge University in England and enjoys returning there each summer. Meg has recorded an oral history audio tape of her interview of Hobert Blackledge's wife, Helen (NEGLEY), recorded a few years before Helen's death. Also, she taped Allan Douglas Blackledge's statements several years earlier. She is a professional historian and does an excellent job at these records. In Sep 2011, she published the following scholarly hardcover book: *The Original I Ching: An Authentic Translation of the Book of Changes*.

"When I was about seven years old the most important and exciting thing that could happen to me was to receive a letter or a present and best of all the possibility of a visit from my Daddy. This was several

years after the death of my mother and I was living in Omaha, Neb, with my Aunt and Uncle and their two sons. This particular summer we had got a letter saying that my Daddy was coming for a visit. He was a Naval Officer and stationed in Japan. This was about the most thrilling piece of news I had ever received. I could hardly wait. I was out telling all the neighborhood kids of my good fortune and if they all treated me right they could meet my Dad. One kid wanted to know if he was Japanese.

"About this time the big thing to do was to perform acrobatics. This consisted of cart-wheels, summersaults, standing on your head, standing on your hands, and the really good ones could even walk a couple of steps! Actually we didn't have any really good ones. In my enthusiasm and excitement of the coming event I told my friends that my Daddy could not only stand on his hands but could walk around the block! Wow, now all of us could hardly wait for the great occasion. It did arrive and needless to say I was beside myself. He brought me a beautiful Oriental jacket with frog buttons! Can you imagine? I also got a doll with three heads. They could twist off and get a new head anytime I wanted them to. Really wonderful.

"In all the excitement I forgot all about the hand-walking around the block.....but not my friends. They all jumped around showing off what they could do and yelling: 'watch me!', 'look what I can do,' 'Hey, see me!' Poor Daddy. Stunned he was, no doubt about it. He looked at me for help and explanation. I was beaming and thrilled to show my Daddy off. I'm sure he paled a bit upon hearing what was expected of him. However, in ADB style he suggested that no one could compete with the performance he had just seen. And to prove it he wanted to see how well they could do all the tumbling that he had just witnessed. Everyone was perfectly happy to show off and did so with enthusiasm. ADB won again!" She appeared in the census in 1930 in Omaha, Douglas Co, NE. Babes [sic] Blackledge (5) was listed with her Uncle and Aunt Clyde O. and Edna Darner and their son.

Barbara was 11 years old when her father Allan remarried. While attending the University of Arizona, in Tucson, she met a dashing Air Force pilot, Jack Tipton. Barbara taught for years in the Fairfax County school system, but would drive her car around the block to school so the kids would not discover that she lived within walking distance of them. Her first husband, Jack Tipton, retired as a full colonel from the Air Force. After Jack died, she found Seth Heartfield, who at the time was part owner of two restaurants in the D. C. area. Barbara and Seth enjoyed time spent cruising through the Caribbean or out on the golf links in Naples, FL. Barbara's only child Debbie lives in the Naples area as well.

Barbara Pauline BLACKLEDGE and William Jack TIPTON Col., USAF married on 21 Dec 1946 in Washington, D.C.¹⁴⁷⁹ Barbara's half sister, Penny Blackledge Woods remembers the ceremony that took place at Quarters D in the Naval Gun Factory. *"I remember the morning of the marriage. Patsy (Patti) and I, age 10 1/2, slept in the bedroom on the third floor. Barbara somehow found time that morning to roll up our hair and fix it for her*

special day. Normally, we wore braids, but thanks to Babs, we looked our best for her wedding. Mother was pregnant with Pete in the wedding photo, so we were all there." **William Jack TIPTON Col., USAF**^{1478,1764} (son of William Lincoln TIPTON and Vertie SILVER) was born on 5 Sep 1920 in Bandana, NC.^{1478,1479,1764} And, Jack was raised at Tipton Hill, NC, about 11 miles from Bandana. He died of complications following abdominal surgery on 11 Sep 1984 in Walter Reed Hospital ICU, Arlington, VA.^{1764,1765} Jack was the only member of his family to become a college graduate. He attended North Carolina State University at Raleigh for three years before joining the Army Air Forces as a pilot shortly before World War II. He returned to his studies after the war and graduated from the University of Maryland in 1952. Jack served in Europe during the war and later served in Okinawa, AK, and OH, and then as an Air Force liaison with Boeing Aircraft. He was assigned to the Pentagon in 1963 and was a resident of Falls Church, VA. Col. Tipton retired from the Air Force in 1970 as chief of the government operations branch, procurement operations division. He was a salesman with the Sleepy Hollow Realty Corp. in Falls Church, VA, from 1970 until his second retirement in 1976. He was a member of the Army Navy Country Club. Barbara Pauline BLACKLEDGE and Robert Christian ANDERSEN married on 13 Aug 2011 in North Naples United Methodist Chapel, Naples, FL.⁷⁴⁸ This was the third marriage for both. Bob had two sons (Robbie Jr. and David) by his first marriage of 22 years to his high school sweetheart, and a step-daughter, Cheryll, from his second marriage of almost 50 years. His second wife died in Nov. 2010.

Robert Christian ANDERSEN

was born on 8 Sep 1917 in Peru, Miami Co, IN.¹⁷⁶⁸ He died on 28 Dec 2012 in Arbor Trace nursing facility, Naples, FL. He was buried on 31 Dec 2012 in Naples Memorial Gardens, Naples, Collier Co, FL. Bob was older than his identical twin brother, Richard Amos "Dick" Andersen, by 20 minutes. Their mother had to be rowed across the flooded Wabash River to get to the hospital for the delivery. He graduated in 1940 from Purdue University, West Lafayette, Tippecanoe Co, IN. Bob's degree was in Mechanical Engineering, however, he spent most of his career on civil engineering and architecture projects. He was instrumental in the design and development of the Naples [FL] Philharmonic Center for the Arts. Bob obtained his pilot's license in Huntington, IN, and flew a 172 Cessna in MN up until about the turn of the 21st century. 3208. **Patricia Ann "Patti" BLACKLEDGE** was born on 9 Apr 1936 in Georgetown University Hospital, Washington D.C.^{47,1489} Patti was born five minutes before her fraternal twin sister, Penny. She graduated in Jun 1954 from Mirabeau B. Lamar High School, Houston, TX. (swimmer). She graduated in Jun 1958 from Rice Institute, Houston, TX. (BA in English, with both Elementary and Secondary teaching certification). She graduated in 1978 from Southern Methodist University, Dallas, TX. (Masters of Liberal Arts). In 1994 she earned her Administration Certificate in Lubbock, TX from Texas Tech University. Patti's career as educator spanned 36 years and included experience in teaching every grade level from 3rd through 12th grades, as well as four years as Assistant Principal for Instruction at the minority high school in the Lubbock (TX) Independent School District (ISD). While teaching English and College Bound Reading at the high school level in Richardson (TX) ISD, Patti was named city, and then

regional, Teacher of the Year, 1990. As she reported on-line at her blog <http://patriciablide.blogspot.com> in July 2010, Patti was invited to Dallas for the 30-year reunion of her students who had asked her in 1980 to sponsor their new film club at Lake Highlands High School. At that time Patti had responded, "But I know absolutely nothing about film," and they responded, "No problem, Mrs. Blide - we know everything!" And so Fantastic Cinema Productions (FCP) was born. In 1980 they created their first film, *Friday Night 2112*. Not being too hopeful with their Super 8-mm product vs. a 16-mm film, they took their achievement to Houston and entered it in a film festival competition. The judges were "blown away" and awarded them first place. Soon those 'nerds' became FCP 'mutants' who ended up sharing the glow and glory when John Davis, on of their own, was nominated for an Oscar in the category of Best Animated Feature for *Jimmy Neutron: Boy Genius* in 2002. Thus this former teacher of 36 years is enjoying what every teacher hopes to achieve: real-world success and solid citizenship from creative students.

Patti's hobbies included competitive swimming; water ballet (as young adult); and long distance running (adult), having completed eleven 26.2 mile marathon races, registering her best time of 3 hours and 19 minutes (avg. 7:34 min. per mile) with the Boston Marathon in 1975 at age 39. It was for this marathon that the junior high school where she taught, raised the money for her trip to Boston via a cookie sale and posters plastered around the school with such encouragement as, "Buy a slice for Price" or "Help our Teacher be Banned in Boston." The further memory of meeting author Eric Segal (*Love Story*) before the race, running several miles with him and then beating him in, made a good story for this twin who is always ready for the next adventure.

One other such adventure was the 1958 experience shared with her twin Penny, when they received national attention with a picture and article on the national wire services. The article, declaring "Twins Serve As Cotton Bowl Queens" (Penny for Rice University and Patti serving as queen for the all-male Naval Academy), resulted in a trip to New York City and a TV appearance on CBS (*The Ed Sullivan Show*).

Patricia Ann "Patti" BLACKLEDGE and Charles Herbert PRICE III married on 13 Jun 1958 in Houston, Harris Co, TX (at 8 pm, St. John the Divine Episcopal Church). learned Morse Code. In July 1953, the Armistice was signed; the next year he married Ruth Ann, completed his two years of service, and went back to farming for his Dad near Jet. He attended Oklahoma State University in Okmulgee, OK to learn the refrigeration business and worked in refrigeration for about 17 years. 3300. **Harold Ray BLACKLEDGE** was born on 15 Mar 1933 in Jet, Alfalfa Co, OK.¹¹⁷ He grew up on a farm northwest of Jet, OK about two miles south of the Great Salt Plains. While a small boy in the late 30s during the Dust Bowl, the family placed wet towels over the windows to try to keep the blowing dirt out. During WW II, he recalled being awakened in the middle of the night by explosions that would light up the sky over the Salt Plains as military pilots dropped practice bombs. Later, the family would drive a herd of around 100 mother cows and calves about 8 miles across the Salt Plains from one ranch to another and pick up parts of bullets and bombs as souvenirs. Harold's dreams of flying began.¹⁹⁵⁶

After high school, Harold worked briefly at a dairy farm and then farmed for his Dad. He was drafted into the Army during the Korean War and reported to Fort Sill, OK and was sent to Fort Chaffee, AR for basic training. He was trained as a radio operator and

3551. **Shirley Joyce HERREID** was born on 6 Nov 1936 in Polson, MT.⁵⁰¹ She was a beautician and secretary, for a short time, but mainly housewife, working with Gene on rentals.⁵⁰¹ She is the person who sent most of the information about the Everett Eola Blackledge family. Shirley cautioned that she has not verified most of the information she sent, largely collected by her mother. The following was written by Shirley on 28 May 2000:

"I have several letters from my grandmother [Minta Blanch OLDHAM] to Mom [Wilma Grace BLACKLEDGE] when she was in Cheney and also when she was at Aunt Ollies and Mom was in Polson taking care of the household. My folks were married in 1931. After grandma died, grandpa and the boys went out to WA and worked on Bonneville Dam among other jobs. Phyllis stayed with my folks for a time and then she also went out to WA with grandpa and the boys.

Ollie Blackledge Waring took care of my Grandmother, Minta Oldham Blackledge, during her last year while she battled cancer. Grandma went to Ollie's in Bigfork in July of 1927 and she passed away Febr. 4th of 1929. The cancer started as breast cancer and took her life within a year or two, as close as I could figure. My mother was attending Normal School at Cheney, WA after her graduation from Polson High School in MT in 1926. She only went that first year and then returned home to help care for Everett, Leonard and Phyllis and keep house for her father, Everett Eola, while her mother was in Bigfork being taken care of by Aunt Ollie.

I always thought of Aunt Ollie as being quite elegant and very stylish. At that time her hair was partly grey and curled. She was of slight build and wore at least lipstick and rouge. The fascination to me was her jewelry - there were rings and pins and bracelets and most memorable to me, a watch hanging from necklace. I don't recall of ever seeing her without it. Only many years later did I realize what a hard time she had gone through raising her family after her husband, Lar (Lorraine) Waring died. I never heard much detail about him, but his name was mentioned frequently when talking about early years.

My mother, Wilma, was close in age to Russell and Warren Waring. The entire family was interested in sports and followed all the school sporting events. Russell especially mentioned playing basketball and later became a professional boxer. I had always heard that he had been scheduled to fight Max Baer, but died from an attack of appendicitis while he was in California. I am sure that his namesake, Russell Warren Waring of Great Falls, MT could give details of the family. His mother, Kay Waring compiled a lot of information on the Blackledge Family. The boy cousins all hunted and fished for sport, but mainly to help put food on the table. Mom talked and wrote about hikes they took around the lake and in the Mission Mountains.

I recall Dale Waring coming from WA to spend a few days during hunting season. It was Nov 6th and probably about 1940 - it was my birthday! He wanted to know how many spankings I should get, I took him quite literally and hid in the bathroom until someone convinced me that he was teasing. Dale had a "Blunderbuss" gun that I think was made by a Gray (think the name is on the gun). The barrel was made from horseshoe nails and powder had to be tamped into it. It was very heavy. Dale didn't have any sons at that time and he gave the gun to my mother as she had two boys. Later the gun went to Uncle Leonard when he had a son, Chip. I believe Chip has the gun now and hopefully knows more details. Will have to work on that.

Traveling to Aunt Ollies as little kids was quite an event. It was 28 miles to Bigfork on a crushed gravel road that bordered Flathead Lake. In some places the road was only wide enough for one car and if you met someone coming from the other way, one vehicle had to backup until there was room for two cars. It was a beautiful ride with the lake on one side - and sometimes steep cliffs - and woods on the other side. We would fight over who got to sit on the side of the car away from the lake and the cliffs.

There was one almost ninety degree turn where it looked like you would drive straight into the lake. That was the view from the backseat. There were places where the gravel was yellow, I think around Yellow Bay and greenish around Blue Bay.

This is my recollection as a child and may not be too accurate - except for the narrow road! On one trip my younger brother, Dale commented on a person by the road being a Jap. My Mother gave us all a lesson on what was proper language, whereupon little Dale commented, "He's my punkie". I think that

meant he was Dale's good buddy.

Aunt Ollie lived in a quaint little brown shingle house on the mainstreet of Bigfork. The house was trimmed in light cream and there was a picket fence of the same color bordering the yard. There were evergreen trees to the side of the house and a large stump by the front walk. There was a replica of the "Little Brown Church" on the stump and a lot of rockwork. It is my memory that my grandfather built the little church. Grandma Blackledge and Uncle Everett are both buried in the cemetery beside the real "Little Brown Church" outside of Bigfork. It is that little church that I always pictured when we would sing, "The Little Brown Church in the Vale" in Sunday School.

Grandpa sent pictures in later years and letters telling about the root cellar and other places where he did rockwork. Mom also had a bucket of agates that grandpa had collected over the years. We used that bucket of agates to hold our Christmas trees for many years. I took a few of the agates when we readied our old home for sale. They are around a plant in a flower pot now.

We would usually see Russ and his folks, Warren and Kay when we would go to Aunt Ollies. Know we made noises running a stick along the fence and we would swing on the gate while we were playing outside. When I was in high school in Polson, my brother, Lionel, and Russ played basketball on opposing teams. Russ for Bigfork and Sonny (Lionel) for Polson.

Aunt Ollie had a sale before she left to live in Beaverton, OR. Mom bought an orange pitcher and set of blue and orange glasses that we used for many years. Aunt Ollie gave Dale a pretty silver spoon with a very pointed end. It must have caught eye. Through the years we always referred to it as "Dale's spoon", and to his regret we couldn't find it when we went through household items after mother died.

My cousin, Minta Mae, and I visited Aunt Ollie in Beaverton when I went out to Leonard's for a visit. I had Leslie with me and Minta had her daughter, SeAnne. We have a picture of Aunt Ollie sitting on her couch with the two little girls. I hope I can find the picture when I ever get around to organizing pictures.

Mother and Ollie kept in touch until Ollie died, but then, Mother kept in touch with everyone - especially family.

Warren was a carpenter and in later years drove a school bus in Bigfork. They built a nice home just south of Bigfork on highway 93. After retirement they started going to Quartzsite in the winter and ended up building a little place there. Warren really got into golfing after they sold their home and moved into some senior units in Polson. Russ moved them to Great Falls when Kay's health failed. Warren would still come back some times to visit and play a little golf. He would usually visit my sister Dorrene on those visits. He had spent almost all of his life around Flathead Lake. The girls, Thelma, Max, Florence (Dale's wife) and Dorothy (Larry's wife) would come for a visit whenever they were in the area and it was always such a pleasure for Mom to see them and have a visit. Thelma was so like Aunt Ollie. A regal classy bearing that belied her hard work and determination to accomplish what she wanted.

I kept in touch at Christmas with Thelma and Florence and have several newsy letters from them. They are mostly about what was going on at the time. They are all on the computer now so can print them out. Believe Dorothy is living in Arizona. I should check with Russ.

These are my recollections and may not be entirely accurate except to me. A lot of the facts are from a diary Mom wrote when she was in Cheney and later she wrote a short biography around the diary."

4491. **Deborah Carol TIPTON** was born on 26 Jun 1951 in Fort Belvoir, VA.¹⁷⁶⁶ She was a preterm birth at 26 weeks gestational age, weighing 2 lbs, 10 oz. As a child, Debbie was diagnosed with mild cerebral palsy with a typical pattern of spasticity in the lower extremities. She underwent five operations prior to age 6, experiencing a series of braces and casts, and leaving her with a minor gait disturbance. This did not preclude her working, but left her unable to participate in any work that would require her to be on her feet any length of time. Her letters of recommendation from employers noted that her condition did not interfere with her performance, "nor does it appear to disturb her most pleasing personality." Debbie, who is 5' 1-1/2" tall, was raised primarily in Falls Church, VA.

She graduated in Jun 1973 from Capital University, Columbus, OH.^{748,1766} (BA in History). She received a Certificate in Respiratory Therapy in 1976 from Biosystems Institute, Phoenix, AZ, and was conferred a R.R.T. (Registered Respiratory Therapist) on 7 Jun 1980 after examination by the National Board for Respiratory Therapy (registration #10101). Debbie received a Masters Degree in Public Administration (MPA) in Administration, Management, and Organization and in Manpower (Human Resources) Management on 3 Jul 1982 from Golden Gate University, San Francisco, CA, and placed in the top 10% of her graduating class. During her education, Debbie received the Potomac Lung Association Scholarship Award (1975-1977) and the Toqueville Award for Excellence in Learning (1981).

She was a Staff Therapist with Intensive Care Units in the Respiratory Therapy Dept in Washington Hospital Center, Washington, D.C. from Dec 1976 to May 1978.¹⁷⁶⁶ From Jun 1978 through Oct 1981, Debbie was a Supervisor and Critical Care Coordinator with Adult Intensive Care Units in the Respiratory Therapy Department of Tampa General Hospital, Tampa, FL, and later at Fairfax Hospital Association, Falls Church, VA. In the Spring of 1983, Debbie was an Instructor in Health Technology at Northern Virginia Community College, Annandale, VA.

Debbie then worked as a Management Analyst (GS-7 to GS-9) for the Office of the Controller, Bureau of Alcohol, Tobacco, and Firearms (ATF). On 31 Oct 1985, she tripped on a piece of uneven or loose

carpeting and fell into an elevator, hitting her head and sustaining traumatic injuries. This accident left her virtually bed bound, unable to sit or walk much, and in constant pain. However, Debbie would say she was never confined by her physical nature, but that God had a wonderful plan for her life. She stopped work on 1 Nov 1985 and was unable to work thereafter, being diagnosed with chronic pain disorder and reflex sympathetic dystrophy (RSD) disorder of the legs. Debbie was terminated from her ATF position due to disability as of 3 Feb 1987. This initiated a progressively downhill condition and a lengthy series of reviews with doctors, neurologists, and Workmen's Compensation. Her claim regarding RSD was accepted on 25 Jul 2006.

Debbie currently resides in Naples, FL, loves classical music, and enjoys reading. In 2010, Debbie still owned Jack Lyon's beloved Oak Knoll Equestrian Farm in Culpeper, VA, which includes Jack Lyon's office and waiting room for his Psychology practice.

The couple had met when Debbie was 10. At the time of their marriage, they were ages 27 and 50, and were described as 'soul mates' who brought out the best in each other. After marriage, the Lyons and the Tiptons developed the tradition of hosting a "4-legged turkey" for Thanksgiving dinner. **Seaborn Lamar "Jack" LYON**¹⁴⁷⁸ (son of Seaborn Lamar LYON and Mary Lucille JORDAN) was born on 5 Mar 1928 in Davisboro, GA.^{1478,1479,1944} In U.S. Navy records, he is Seaborn Lamar LYONS [with "s"], born 5 Mar 1926 or 1927. He named himself "Jack" at a young age, and later dropped the "s" from LYONS as well as his Jr. designation. Jack had one sibling, his younger sister, Fran. Jack grew up in rural GA in affluent conditions on one of the family farms, riding goats and horses, learning to plow fields, and riding with his Grandpa, an area doctor, in a horse-drawn carriage to make house calls. When his parents divorced, his mother Lucille took the two children to Richmond, VA to live in a boarding house. Jack worked as an ice cream parlor manager, an apprentice on the railroad, and helped deliver milk on Saturdays via a horse-drawn carriage. Later he was enrolled in a military boarding school. His mother later converted to Catholicism, had her first marriage annulled, and married Robert St. John BORDEN. Bob Borden later arranged for Jack to train as a Navy Medic at the Washington Navy Yard.

He graduated in Aug 1955 from Wilson Teachers College, Washington, D.C.¹⁹⁴⁴ (BS, Dean's List with majors in English and Psychology). On 30 Jan 1957, Jack was awarded a MS from Richmond Professional Institute of the College of William and Mary, Richmond, VA, in Rehabilitation Counseling and Clinical Psychology. Other achievements include Certificate No. 16241 for Council for the National Register of Health Service Providers in Psychology (7 Jul 1975) and Certificate No. 178, Diplomate in Professional Psychotherapy (30 Sep 1987).

In his later professional career, Jack was a consulting psychologist to police departments in communities, including St. Petersburg Beach, FL (1979-1980) and Madeira Beach, FL (1980). From 1978 on, Jack was in private practice in psychotherapy, counseling, and diagnostics, primarily in Manassas and Culpeper, VA, where he met and worked with the Tipton family. He earned examiners certificates as a licensed clinical psychologist (14 Mar 1967 and 16 Nov 1972) and as a marriage counselor (License No. 36, State of NJ).

He died after a long illness, at 7 a.m., on 22 Mar 2003.¹⁹⁴⁵ He was buried on 26 Mar 2003 in Naples, FL.¹⁹⁴⁵ A memorial service was held at North Naples United Methodist Church. He had been previously married with two sons.¹⁹⁴⁴ Older son Jeff is a high school teacher married to Velma and has two daughters (Erica and Jessica) and younger son Scott, an attorney who is married to Amy, also has two daughters (Sarah and Elizabeth). Jack sang in the choir at St. Luke's Lutheran Church, Culpeper, VA, in the early 1980s.¹⁹⁴⁴ Jack and Debbie had a Nordic Elkhound "Thor" which later became Deb's trained service dog.

We had a telephone line that was maintained by the farmers that were hooked into it. As Mother felt the need for a doctor she asked Dad to call the Doctor. The phone line was down. Dad then went to get the old car we had and had a flat tire. Fixing that he went to get Mother's aunt that lived about 1/4 mile down the road. Being New Year's Eve and Aunt Edna and Uncle Will loved to dance they were not home but had a house guest. Dad then brought Frances down to stay with us and Mother and left for town to get the doctor. Frances was so nervous that she was hysterical and Mother set her to boiling water on our wood stove. Frances had to pump the water, put it in the wash boiler, keep wood on the fire, which she did with her constant concern for Mother in a very loud voice. Us three older kids, I was 6, Katherine was 4 and Martin was 2 were supposed to be in bed upstairs but with Frances trying to help we couldn't sleep and sat on the stair step trying to see without being seen. Dad arrived at the Doctor's house, woke him up and as Dr. Willett went to his car he also had a flat tire. Fixing that, the Doctor and Dad both headed for our house. Sometime before the Doctor arrived, Dave was born and nearly yelled louder than Frances. Frances did get mother something to wrap Dave in and let us kids leave our perch on the steps and look at our new brother." He lived in Frederick, MD in 1992.⁸⁵⁸ He served in the U.S. Army.^{905,1829,1971} David joined on January 1, 1958 and went to Fort Leonardwood, MO for basic training where he was squad leader and qualified for officers training but declined. He then was stationed at Fort Meyer, VA and worked at the Pentagon, repairing communications. He was promoted to SP4 on 21 Sep, 1959 and to SP5 (sergeant) in 1960. David got out of the Army on 9 Jan 1961 and went to work for the U.S. Federal Service for the Department of Defense on 30 Jan 1961. He was deployed with Delta Platoon to the Republic of Panama six months prior to Operation Just Cause and participated in the mission at Patilla Airfield where he was decorated for valor. He and his wife Clover moved to Panama in Oct 1990 where they lived until the end of Oct 1993 when they went to San Diego with SEAL

Team One.

While stationed in Pensacola, FL in the early 1980s, Reuben trained and competed in 70 amateur boxing bouts alongside the likes of Roy Jones, Jr., former middleweight, super middleweight, light heavyweight, and heavyweight world champion; Derrick Gainer, former featherweight world champion; Vince Phillips, 1985 and 1986 ARMY and Inter-Service champion and former junior welterweight champion; Arthur Williams, 1984 national J.O. heavyweight champion and IBF Cruiserweight champion. From Apr 1985 to Oct 1986, Reuben was the head boxing instructor at Naval Air Station Schools Command in Pensacola, where he was designated a Master Training Specialist as only a Third Class Petty Officer.

After becoming a SEAL, Reuben was with the Navy boxing team, his sparring partners then being Sean Fletcher who in 1986 to 1992 was All Navy and Inter-Service Champion and who later was a ranked contender in the featherweight division, twice challenging for the World title, and Julian Wheeler who was 1992 Olympian and former USBA super lightweight champion.

In 1988, Reuben was slated to represent the Navy Boxing team at Olympic trials, but he was sent to the Persian Gulf instead. After returning, Reuben assisted the Florida State Athletic Commission as an inspector for Roy Jones, Jr.'s professional debut in Pensacola, FL. He then transferred to Panama where he started a base amateur youth boxing program and became the liaison for American and Panamanian boxers, promoting a boxing show between them. He started a not-for-profit newsletter "Boxers Against Drugs (BAD)" which was endorsed by Roy Jones, Jr. in his first title defense.

Reuben left the Navy in 1996 and began a sales career. While with the Vantage Group as a venture capital broker, Reuben expanded the network of individual affiliates for KidZ Time TV and Treasure Chest TV across the county. On 7 Oct 2002, Reuben brokered a deal for Roy Jones, Jr. which made Jones more money for one bout than he had ever earned until his campaign for the heavyweight title against John Ruiz.

He was adopted by Leroy Lowing but was in the process of changing his name back to Blackledge in 2006.¹⁸²⁷ He was a mortgage broker in Imperial Beach, CA where he owned his own company in 2006.^{1827,2025} Reuben also maintained close connections with the boxing industry on many levels.

Closing

The legacy of William Blackledge and Mary Duffield is truly remarkable – twelve known generations and over seven thousand direct descendants from that union. When the compilers and spouses met the first time, it was with delight in trying to discern similar family traits even though John A. Blackledge [4112] and Michael A. Blackledge [3210] were sixth cousins. However, they were cousins and felt a real kinship. Perhaps a future version of this genealogy will continue recording the twelfth generation and beyond, and one day some twelfth cousins will meet and recognize a shared kinship.
